SUBJECT: Transmittal of the FY 2012-13 Requested Budget

Following is Portland Development Commission's (PDC's) FY 2012-13 Requested Budget totaling \$186 million (\$143 million in expenditures). This budget marks a significant point in PDC's history. The agency has never been more poised to deliver on City Council's adopted 2009 City Economic Development and 2011 Neighborhood Economic Development Strategies, which form the foundation of the agency's 2010-2014 Strategic Plan. Yet, at the same time, PDC is also facing a decline in resources unmatched by any City Bureau. Just two years after the current FY 2012-13 Requested Budget, the agency is forecasted to see a decline in resources which could result in a Requested Budget of under \$90 million for FY 2014-15.

As a result, the business lines and priorities within this budget reflect intentional and careful investing in the pursuit of the following PDC Strategic Goals:

- Strong Economic Growth and Competitiveness
- Healthy Neighborhoods
- A Vibrant Central City
- Social Equity
- · Effective Stewardship over Resources & Operations, and Employee Investment

Similar to previous years, PDC's budget is divided across three primary business lines¹: Business Development, Property Redevelopment and Infrastructure. Costs to administer the delivery of this work and for other operational expenses related to the agency and its mission are reflected in an Administrative line item.

| Business Line | FY 2011-12 Expenditures | FY 2012-13 Expenditures |
|-----------------|-------------------------|-------------------------|
| Business Dev. | \$24 million (15.5%) | \$23.2 million (16%) |
| Property Redev. | \$47.3 million (29.7%) | \$36.5 million (26%) |
| Infrastructure | \$18.3 million (11.5%) | \$28.2 million (20%) |
| Administration | \$17.1 million (10.6%) | \$16.5 million (11%) |
| | | |

¹ Housing is a separate budgetary line item.

Mayor Sam Adams, et al. Page 2 January 31, 2012

In order to achieve the outcomes for job creation and economic development in the PDC Strategic Plan, the agency is making efforts to shift more resources into Business Development and Property Redevelopment and deprioritize Infrastructure investments². This trend will become more apparent in future budget years.

The agency is also aggressively addressing the reduction in resources two-fold:

1) The transition to direct cost accounting of business lines has provided the opportunity to determine costs of delivering services. The PDC is beginning to prepare now for the inevitable reduction in materials and services anticipated in 2014-2015 and beyond.

Currently, Administration accounts for 11 percent of the total FY 2012-13 Requested Budget. It is our intention to re-evaluate the level of staffing and overhead required for the next five years. The attached Requested Budget Package includes a scenario for reducing staff and overhead over the next five years as PDC's available resources shrink. The most likely scenario would reduce staffing and overhead by approximately 30 percent by the end of the five-year forecast, but still cause administration to increase as a percentage of the total budget as project and program resources are reduced, as well. This scenario will be integrated into the Proposed Budget and also shared during the April 4, 2012, Council Work Session.

2) The PDC Board has prioritized resource development as one of its top priorities for the agency. Over the course of the 2011-12 and 2012-13 fiscal years, staff will provide the City Council and Board with options for how to scale and secure predictable and opportunistic sources of revenue. The Board firmly believes the role PDC plays in job creation and economic development is essential and important, now and in the future. This will include a strategy for adopting best practices for revenue generating investments and assets used by other cities across the country.

Notable highlights include:

- FY 2012-13 Urban Renewal funding (net of Housing):
 - Central City URA Budgets: \$45.6 million
 - Neighborhood URA Budgets: \$17.9 million
 - Business & Industry Budgets: \$19 million
- Total General Fund request of \$5.8 million in on-going and one-time funds before any reduction scenarios. These investments are directed toward:
 - Traded Sector/Industry Cluster work: \$2.6 million
 - o Neighborhood Economic Development: \$1.6 Million
 - EOI/Microenterprise: \$1.6 million

² A \$10 million investment in Milwaukee light rail is part of the 2012-13 budget.

Mayor Sam Adams, et al. Page 3 January 31, 2012

The PDC Requested Budget is the result of a process that began in November 2011 with the drafting of departmental work plans, stakeholder reviews of priorities and updated resource estimates. In January, the draft budget was reviewed by the PDC Leadership Team and then presented to the PDC Board.

We will present to you the Requested Budget with any edits in preparation for the Proposed Budget during the April 4, 2012, Council Work Session.

General Fund FY 2012-13 Requested Budget

Portland Development Commission

Mayor Sam Adams, Commissioner-in-Charge Patrick Quinton, Executive Director

Bureau Summary

BUREAU MISSION

The mission of the Portland Development Commission (PDC) is to create one of the world's most desirable and equitable cities by investing in job creation, innovation and economic opportunity throughout Portland.

BUREAU OVERVIEW

PDC is the city's economic development agency, charged with delivering on key elements of the City's five-year Economic Development Strategy: nurturing entrepreneurship and innovation; supporting the thousands of existing small businesses that form the backbone of Portland's economy; revitalizing existing commercial corridors to achieve Portland's goal of a healthy, connected city; supporting a vital central city as the employment and retail core for the region; retaining and creating high-demand, high-wage jobs through catalytic target industry initiatives that grow our job base and build the Portland region's competitive advantage; and supporting social equity amongst all of Portland's communities and neighborhoods.

Resources from the City's General Fund allow PDC to fulfill economic development goals that are not eligible for funding through tax increment financing. Work supported by the General Fund extends beyond urban renewal area (URA) boundaries and real estate investments to provide critical non-physical assistance that supports job and business growth through staff expertise, working capital and technical assistance. Together, the TIF and General Fund supported activities connect people and resources to promote job and wealth creation, economic opportunity, and neighborhood revitalization. Projects and programs vary in size and scope but share the consistent goals of facilitating business activity that fuels the retention and creation of living-wage jobs that support families, generate community wealth, and create healthy and vibrant neighborhoods throughout the city.

STRATEGIC DIRECTION

PDC's economic and urban development activities are guided by two primary plans: the City of Portland's five-year Economic Development Strategy and the PDC 2011Strategic Plan, both of which include the Neighborhood Economic Development Strategy.

In July 2009, PDC endorsed and the Portland City Council adopted the City of Portland's Economic Development Strategy - A Five Year Plan for Promoting Economic Growth and Job Creation. In doing so, the City Council adopted Portland's first economic development strategy in more than 15 years. The primary goal of the strategy is to create 10,000 new jobs by 2014 and to build the most sustainable, equitable and competitive economy in the world. Key strategy objectives are to:

- Maximize Portland's competitiveness
- Drive urban innovation
- Stimulate neighborhood business vitality

The 2011 PDC Strategic Plan calls out social equity and the importance of community partnerships as an integral part of how the agency delivers its services. Implicit within this goal is determining how to enable community involvement, governance and mutual accountability as a core value in how PDC works with the community.

At the center of PDC's 2011 Strategic Plan, then, are four goals that focus and drive the work of agency:

- Strong economic growth and competitiveness
- Social equity
- Healthy neighborhoods
- A vibrant central city

This alignment of the goals articulated in PDC's Strategic Plan and the City's Economic Development Strategy position PDC and the City to invest limited public resources strategically to deliver measurable results. General Fund resources enable PDC to fulfill regional, city and neighborhood specific economic development goals that are not eligible for tax increment financing (TIF), which is restricted to physical investments in designated URAs comprising less than 15% of the City's geography.

Service Improvement Plan

Public Involvement.

• The agency is examining its Urban Renewal Advisory Committee Policy in light of its shift from a focus on redevelopment to economic development, and the resulting changes to the 2010-2014 PDC Strategic Plan. This examination will result in staff recommendations to the PDC Board intended to upgrade and broaden PDC's citizen involvement efforts.

PDC will provide opportunities for stakeholders, including URACs and the broader public to comment on staff recommendations after initial board endorsement in March and prior to final Board approval in summer 2012. Outreach efforts also included a survey with more than 250 responses.

- A Neighborhood Leadership Group was created in late 2011 to steward the implementation of the Neighborhood Economic Development Strategy.
- PDC has also continued to ambitiously inform the community through the use of social media via YouTube, Twitter and Facebook. Additionally, PDC will be launching a new external website in 2011/12 which is more user-friendly.

Workforce Development. PDC 2011/12 Strategic Plan also includes creating a work environment which values diversity and fosters productivity, learning and growth, and PDC recognizes its employees as the foundation of success. Key actions to achieve this outcome are:

- Retain, support and cultivate employees by providing creative opportunities in training and career development throughout every employee's tenure, and addressing the need to develop managers into well-trained, informed leaders.
- Cultivate a culture of transparency through open and consistent communication between leadership and staff.
- Maintain a positive, productive and collaborative relationship between Labor and Management.
- Create a strategy and internal structure for succession planning that supports the long term success of the organization and its employees.
- Compete as an employer of choice by promoting an environment that attracts and retains a diverse, highly qualified and motivated workforce.

Governance Structure: PDC's governance structure maintains a clear strategic direction and policy guidance as a foundation for creative and efficient program and project implementation. Key actions to achieve this outcome include:

- Create a clear agency direction, align employee work priorities and inform decision making by using strategic planning, agency and employee work plans, program and performance metrics, periodic reporting, public participation and the budget process.
- Support an organizational culture of collaboration and accountability through role clarity and teamwork.
- Promote an organizational culture characterized by high ethical and moral behavior and the avoidance central focus of PDC's workforce training in customer service has been to ensure that staff has a good understanding of diversity. PDC's Diversity Council was formed in 2006, and it continues to provide ongoing opportunities for staff to engage diversity development activities.
- Ensure that performance appraisals include an evaluation of customer service.

SUMMARY OF BUDGET DECISIONS

PDC's FY 2012-13 General Fund budget continues – and builds upon – current programs, projects, and activities that deliver on the Economic Development Strategy and PDC's Strategic Plan. Over the past three years, PDC has reorganized to re-align its structure, functions, and systems to enhance its ability to deliver on these goals over the next several years. Programs are continually reviewed and restructured, if necessary, to ensure that limited General Funds will leverage the largest impact toward increasing employment by 10,000 jobs by 2014. Programmatic approaches emphasize growing target industries, supporting entrepreneurship and small businesses, revitalizing commercial corridors, and international business development.

Decision Packages: Unfunded Ongoing Requests

The Requested Budget continues and builds upon the current work supported by General Fund resources in FY 2011-12. Programs funded with one-time General Fund resources in the Requested Budget are listed below.

Request 1: Cluster Industry Research, Development, and Initiatives

This Traded Sector Economic Development program received \$527,203 in one time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13. It is also supported by \$948,060 in ongoing General Funds, although this amount may be reduced via the cut packages requested.

This program allows PDC to provide opportunity funds to maximize Portland's competitiveness by leveraging investments in the four target industries identified in the City's five year economic development strategy: advanced manufacturing, athletic & outdoor, clean technology and software. Industry engagement is critical to the success of a cluster strategy, and during FY 11-12, PDC staff worked with industry leaders to identify advisory committees. In some cases, existing trade and professional organizations serve in that capacity and in others an advisory committee was established to bridge multiple organizations or serve in the absence of an existing organization. The primary role of the voluntary advisory committees is to help define, prioritize and implement the industry cluster action plans designed to grow the local industry, many of which are small and medium sized businesses.

During FY 11-12 this program key results include:

Advanced Manufacturing:

- Implementation of efficiency improvements is vital to the continued success and competitiveness of manufacturing companies. PDC contracts with the Oregon Manufacturing Extension Partnership (OMEP) to provide lean manufacturing technical assistance to Portland companies through a matching grant program. During FY 2011-12, three companies received a total of approximately \$18,600 for lean manufacturing assistance: PECO Manufacturing, Lensbaby and NW Pipe.
- Qualified workforce availability continues to be a major challenge facing the advanced manufacturing industry and hence a priority in the industry action plans. In 2011 PDC partnered with Worksystems, Inc., the Pacific Northwest Defense Coalition, and Manufacturing 21 to conduct a Manufacturing Career Summit. The goal of the summit was to increase the awareness of manufacturing career opportunities and to reduce regional unemployment. PDC recruited 26 advanced manufacturing companies and four community colleges to exhibit. Over 500 skilled job seekers attended the event. Exhibiting companies report that they have hired over 30 job seekers that attended and that number is expected to increase.

Athletic & Outdoor

• Portland hosted the Outdoor Industry Association (OIA)'s annual event, the Rendezvous in Portland in 2011. OIA is the national trade association for the athletic & outdoor industry that brings its members together annually for an event that focuses on topics such as federal policy, industry trends, workforce training and business development. Approximately 450 industry executives came to Portland for the event. PDC unveiled a film "inspired by Portland" that was a collaborative effort of PDC, industry and a team of creative agencies "Inspired by Portland" continues to market and brand the A&O industry and the region through an investment of approximately \$10,000, which leveraged approximately \$15,000 of in-kind support.

- PDC was an early supporter of the Outdoor Industry Association Eco-Index initiative as an opportunity to leverage the engagement of several Portland A&O firms and to reinforce Portland's position as a sustainable leader. During FY 2011-12, PDC partnered with the Outdoor Industry Association to provide a matching grant to Portland area companies to further their involvement in the Eco-index with hands-on technical assistance. The companies selected included large and small firms: Adidas, Columbia Sportswear, Keen, Korkers and Nau. Note: Columbia Sportswear grant was funded by OIA.
- Design Forum/PDX, the initiative to establish a materials resource library in Portland continues to evolve with the leadership of a strong executive director and a board including representatives from industry and higher education. The Design Forum/PDX General Fund allocation for FY 2011-12 was \$5,000 and demonstrated a 10x leverage. During FY 2011-12 and into FY 2012-13, a series of events will be planned to increase awareness and increase momentum around this project with the objective of securing funding to build the collection of materials.

Clean Tech: Clean Energy

- During FY 11-12, PDC partnered with Business Oregon to sponsor the first report regarding Oregon's standing in the US clean-energy economy. Oregon received a second place ranking among leading states, confirming Oregon's culture of early adopters helps nurture our leadership in sustainability and that access to markets in Asia and California is a competitive advantage. The report acknowledged our expertise in world class hightech manufacturing and workforce, strong policy support at the state and local levels of government and an abundance of low-cost energy serve to attract businesses and jobs. PDC provided \$15,000 in General Funds to sponsor the report and Business Oregon provided an additional \$10,000.
- In FY 11-12, the focus within the clean energy team has been developing the wind supply chain through research and conversations with industry experts. As part of that effort, PDC is involved in collaborating with industry to attend key domestic and international trade shows such as the American Wind Energy Conference and the CanWea trade show. PDC collaborated with the US Commercial Service to support the Oregon business delegation at CanWea through marketing and organizing meetings with potential customers, clients and joint venture partners.

Clean Tech: Green Development

• Organizing industry leaders to define business opportunities and innovative research related to the Oregon Sustainability Center is the highest priority for the green development team. In addition, PDC has devoted its General Fund resources to complementary initiatives involved in providing funding for various green development related projects, initiatives and events. For example, during FY 2011-12, PDC provided \$15,000 to POSI for their annual EcoDistrict Summit and as such received visibility in print and online collateral material and leveraged support of other sponsors.

• PDC supported the launch of the "We Build Green Cities" campaign with a presentation, film and website. This effort primarily focuses on selling the talent and expertise of Portland area architects, engineers, builders, energy providers, and other green development business to expand global market and business opportunities for the Portland firms included in this project. \$25,000 of General Fund resources supported this project.

Software:

- During FY 11-12, PDC partnered with the Software Association of Oregon (SAO) and other industry leaders to fund the development of an industry website that with contents such as mentoring resources, , industry connections and other resources with the goal of growing successful software firms. The FY 2011-12 General Fund allocation to support the website was \$25,000, which leveraged cash and in-kind support of at least 1:1 from other companies and organizations. The website is scheduled to be launched in Spring 2012.
- During FY 2011-12, the Portland software community held a number of events including "hack-athons" and "code sprints" to bring together Portland's mobile app community to solve a problem. At the same time, Portland is increasingly being recognized as a hotbed for start-up activity particularly in the tech community. The success of companies like Urban Airship and Puppet Labs in attracting venture capital from outside the Portland region has helped further Portland's position nationally as an entrepreneurial hot spot, particularly for the tech community.

<u>Expected Results</u>: In FY12/13 PDC's cluster development work will focus on continued industry engagement to develop and implement industry action plans with strategic policy, project and programmatic initiatives and investments. As a result we expect the following outcomes:

- 200 business retention and expansion visits;
- Recruitment of 12 firms to Portland;
- 1000 jobs retained/created;
- Cluster marketing and branding collateral developed in collaboration with Greater Portland Inc; and
- Three annual meetings of industry advisory committees.

In addition, industry-specific initiatives and outcome include:

- Advanced Manufacturing: Two to three workforce development events in collaboration with Worksystems Inc. and other partners; establishment of the "NW Collaboratory" to meet Research & Development needs of the industry; and efficiency improvements of as much as 60% for companies receiving OMEP matching grants.
- Athletic & Outdoor: Opening of Design Forum/PDX; landing OSU's apparel research center office in Portland; and a series of OIA webinars on Eco-index and other industry-relevant topics.

- **Clean Tech**: Two firms identifying new product lines through PDC's supply chain work; defining additional renewable energy supply chain opportunities; Oregon Sustainability Center breaks ground; Eco-districts established in Lloyd and South Waterfront; Energy Efficiency/retrofit projects in neighborhood Main Streets and Central City; Green Innovation Park breaks ground.
- **Software**: Comprehensive website completed; at least two fly-outs to California area to attract software and Venture Capital firms; maximize Portland's strength in software by facilitating connections and opportunities with other target industry clusters specifically clean tech and A&O.

Request 2: Portland Main Street Program

This Neighborhood Economic Development program received \$500,000 in one-time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13

Portland Main Street is a community-led revitalization program designed to stimulate neighborhood businesses. In June 2010, Portland designated Alberta, Hillsdale, and St Johns as its first three Main Street districts. The districts receive grants for district administration, property and sustainability improvements, and promotional events. The City also provides technical assistance to the districts in implementation of the Main Street approach, district design support, and organizational capacity building. FY 2011-12 was the second year for the three Main Street districts.

| Main Street Program | Volunteer Hours | Net Businesses | Net FTE | Net PTE | Operations Leverage |
|------------------------|--------------------|-------------------|------------|------------|------------------------|
| | | | FY | FY | |
| | FY 2010-11 | FY 2010-11 | 2010-11 | 2010-11 | FY 2010-11 |
| Alberta | 1707 | 6 | 5 | 3 | \$58,000 |
| Hillsdale | 3499 | -1 | 0 | 5 | \$51,000 |
| St Johns | 5675 | 8 | 3 | -4 | \$50,000 |
| Total | 10881 | 13 | 8 | 4 | \$ 159,000.00 |

Below are the first year performance metrics for the three Main Street areas.

Major accomplishments of the three Main Street Districts between July–Dec 2011 include:

- Completion of first year property improvement and sustainability projects in all three districts; projects including new garbage/recycling receptacles in two districts, two small façade improvements, and a de-paving and native landscaping project.
- Approximately 500 volunteer hours on projects, events and district organizing meetings in each district.
- Continued private leverage of approximately \$25,000 per district for district administration and operations.
- Identification of year two projects and development of scopes of work.

Successful summer and holiday events in all three districts raised visibility of the districts.

<u>Expected Results:</u> FY 2012-13 funds will be used to continue operations and support of the three Main Street districts. In FY 2012-13 operations grants will continue to leverage 1.67 in private funding for every dollar of operations funding granted by PDC. The goal for FY 2012-13 will be for businesses within the districts to increase employment by 5 FTE each, for a total of 15 new full time employment opportunities. In addition, funds will also be used by districts to implement locally identified, locally implemented district improvement projects.

Request 3: International Business Development

This Traded Sector Economic Development program received \$205,000 in one time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13.

These funds support implementation of the international business development strategy developed by PDC and the Mayor's Office with the goal of increasing exports for Portland companies and foreign direct investment activity in Portland. During FY 11-12, the City of Portland was selected by the Brookings Metro Export Initiative to develop an export strategy. Significant staff time during FY 11-12 has been dedicated to working with the Brookings Institution and the cohort cities to develop the strategy and plan. The plan will be unveiled in February with an organizational structure to support and sustain the initiative. In additional PDC and City representatives participated on trade missions to Canada and Asia. The agency also supported the International Awards dinner and road show, which provided visibility and provided information to Portland and Oregon companies interested in entering/expanding new global markets.

<u>Expected results</u>: During FY 12-13, the focus will be implementing Portland's export plan identified through the Brookings Metro Export Initiative in collaboration with Greater Portland Inc. to include the following deliverables: implement a computer and electronics supply-chain strategy with regional partners; implement a targeted export strategy with a select group of advanced manufacturing firms; assist five companies in each cluster to expand their global markets resulting in new jobs, increased sales; and an export roadmap. The annual international awards dinner and road show will be held in spring 2013. And at least four international trade missions will target markets and/or to attend key industry trade events will be conducted resulting in new jobs, increased sales, visibility for Portland.

Request 4. Neighborhood Prosperity Initiative

This Neighborhood Economic Development program received \$242,065 in one time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13. The Neighborhood Prosperity Initiative (NPI), like the Main Street Program, aims to improve neighborhood business growth.

This program will focus on six economically challenged business areas outside of existing urban renewal areas that are either not yet ready for a full scale Main Street approach or that are not a good fit for this model. Funds for district identified improvements will be created through the establishment of small urban renewal districts focused on commercial corridor investments. Funding for such improvements using tax increment financing (TIF) are estimated to be available to districts in February 2014. City General Funds will also be used to expand the capacity of community-based organizations to become active partners in neighborhood economic development through a district administration grant and by the provision of training in business development, revitalization and organizational development.

Major accomplishments of the NPI include:

- Rollout of the NPI in October 2011 by Mayor Adams with over 150 neighborhood residents, businesses and business districts attending.
- Training and orientation of six proposed NPI district stakeholders.
- Approval of \$10,000 grants to the six proposed NPI areas allowing them to conduct comprehensive community outreach, hire translators, and conduct community meetings to discern their interest in participating in the program.
- Letters of interest by all six NPI areas indicating their interest in becoming a creating an urban renewal area and participating in the NPI.

<u>Expected Results:</u> If fully funded in FY 2012-13, the first operational year of the NPI, all six districts will hire district managers, districts will receive training and technical assistance to grow their capacity to deliver business development and revitalization outcomes. Districts will also plan, and implement one small-scale improvement and will leverage PDC operating grant by securing 1.67 in private funds.

Request 5: Portland Seed Fund Initiative

This Traded Sector Economic Development program received \$500,000 in one-time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13

The Portland Seed Fund (Fund) is a fund that provides \$25,000 to \$100,000 in the form of equity with the objective of assisting start-up firms in their initial phases of development. The Fund will include at least four funding classes of 6-10 companies in each, with a class occurring every six months. This will provide funding in the most critical gap for growing companies. One funding class has already completed, and a portion of the resources of the Fund will be used for follow-on investment, reserved for the most promising firms that complete a funding class. Providing both of these resources increases the job creation prospects for start-up firms and the pipeline of viable companies for later stage investors. As of the end of 2011 the Fund had a balance of \$2.135 million, of which \$500,000 is a grant PDC made in FY10/11. Therefore, the \$500,000 grant leveraged more than three dollars for every PDC dollar in the Fund.

FY11-12 resources are expected to be leveraged with other public and private sources to allow the Fund to reach its goal of \$3 million in revenue before the end of the year.

<u>Expected results</u>: In FY12-13 the Portland Seed Fund 2.0 will leverage an additional \$4.5 million in revenue with multiple funding classes of 6-10 companies each, with a class occurring every six months. In addition, prior PSF classes will be provided ongoing support on a limited basis. PDC will seek the same return of more than 1:3.

Request 6. Small and Neighborhood Business Technical Assistance

This Neighborhood Economic Development program received \$600,000 in one time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13.

This program provides for citywide small business technical assistance. In FY 2011-12, a competitive request for proposals process was used to select five non-profit groups to deliver small business development:

- Hispanic Metropolitan Chamber of Commerce, in partnership with Philippine American Chamber of Commerce of Oregon and the Urban League
- Immigrant and Refugee Community Organization
- Native American Youth and Family Center in partnership with the Oregon Micro Enterprise Network and Oregon Native American Chamber
- Portland Community College's Small Business Development Center in partnership with Mt. Hood
- Community College SBDC, Micro-Inventors' Program of Oregon, and Oregon Microenterprise Network
- Small Business Legal Clinic of Lewis and Clark Law School

Businesses eligible for services will have 50 or less employees and will be:

- Owned by a person of color;
- Owned by a person with limited English proficiency;
- Owned by a person with modest income (120% of the median family income); or
- Located in targeted areas of North, Northeast, and East Portland.

In FY 2011-12, this program will deliver technical assistance and training to approximately 155 businesses; eighty (80) businesses will also receive business legal services. The major accomplishments of this initiative to date are:

- Solicitation of proposals and selection of providers for the program
- Establishment of a reporting and data collection mechanism for providers and Initiation of services for small businesses.

<u>Expected Results</u>: In FY 2012-13, the Small Business Development Program will continue to deliver technical assistance and training to approximately 155 businesses, and legal services to 80 businesses. Fifty percent of all businesses served will be people of color. Services will be targeted to the Neighborhood Prosperity Initiative (NPI) areas, Main Street districts and other priority commercial corridors.

Request 7: Small Business Working Capital

This Traded Sector Economic Development program received \$200,000 in one time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13.

This program provides flexible working capital financing to small companies that are primed for growth but lack the cash to invest. The program focuses on targeted industry cluster firms and neighborhood businesses city-wide.

During these challenging economic times and during a time when lending institutions are become more risk adverse, the demand is greatest for working capital resources. Businesses are seeking funding to retain and hire new people, purchase inventory, marketing and other business expenses that are not TIF eligible. In FY10-11 \$150,000 was disbursed to two businesses to support our target industry cluster and neighborhood economic development strategies. We plan to disburse an additional \$150,000 before the end of the FY 11-12 to businesses that align with our cluster and neighborhood economic development strategies.

- Isite Design received \$100,000, leveraging a \$3.9M investment to support 50 existing and 25 new quality jobs. Isite Design is a full-service software company with a worldwide client base.
- City of Roses Recycling received a \$50,000 loan leveraging approximately \$270,000 to support 9 existing and 3 new jobs. City of Roses Recycling is a certified Minority Business Enterprise (MBE) that is dedicated to reducing carbon emissions through recycling.

Over the past four years, the total of General Fund resources provided to fund small business working capital funds totaled \$1,015,000. These funds have been used for loans ranging from \$30k and \$100k to 19 businesses, 18 of them considered as small business. The amount leveraged \$7,491,669 and retained 352 jobs. Examples of businesses supported with the General Fund working capital loans include: City of Roses Recycling (5726 NE 109th Avenue), Isite Design (2025 NW Overton Street), Backspace (115 NW 5th Avenue), Mountain Shop (628 NE Broadway), Bridge City Family Medical Clinic (2821 NE 58th Avenue), Pinball Publishing (1003 SE Grant Street). All these companies will attest that without the GF resources their business would have suffered tremendously.

<u>Expected Results</u>: PDC will fund two to three small businesses to support our target industry cluster and neighborhood economic development strategies. The loans will support 50 jobs retained/created and PDC will achieve a 2:1 leverage.

Request 8: Entrepreneurial Development

This Traded Sector Economic Development program received \$150,000 in one time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13.

The Entrepreneurial Development funding is focused on growing new businesses and jobs with a supportive ecosystem of programs and resources. The Entrepreneurship and Innovation Strategy was unveiled in October 2011 during "Entrepreneurship month." The strategy focuses on the resources needed to help scalable companies launch and succeed through mentorship, access to capital and programs such as the Portland Seed Fund and connections to higher education. As part of entrepreneurship month, PDC sponsored the first statewide roundtable of incubators and accelerators to better understand opportunities and challenges with the goal of enhancing the entrepreneurial ecosystem in the Portland region and statewide.

A critical component of the entrepreneurial strategy is to leverage the programs and work of higher education institutions. As such, PDC continues to expand work with Oregon Health & Science University (OHSU), Portland State University (PSU) and other Oregon University System (OUS) schools. PDC is in the process of finalizing a research and commercialization strategy with the objective of furthering Portland's competitiveness as a center for entrepreneurship and innovation. Specific efforts could include: R&D strengths, university assets including both faculty and physical resources such as labs, testing equipment with the objectives of supporting job creation and business formation.

During FY 2011-12 General Fund resources largely supported staff time to interview universities, their faculty and industry as well as to research best practices. The strategy will be completed during FY 201-12 and will be incorporated into the entrepreneurship and innovation strategy and agenda with a focus on implementation in FY 2012-13. This work as well as continued support for programs and services provided by the Oregon Entrepreneurs Network (OEN) are needed as a companion to the investment funds available from the Portland Seed Fund.

<u>Expected results</u>: During FY 12-13, PDC will focus on continued implementation of the Entrepreneurship and Innovation Strategy through ongoing support of programs like the Portland Seed Fund, facilitated peer2peer roundtables and the launch of a program to provide valuable mentorship to scalable firms. In addition, PDC will continue to support OEN and efforts that will help promising companies access the resources they need such as capital and mentorship. PDC will also continue to partner with universities to develop and support programs around techtransfer, product and technology innovation and spin-off activity that support job creation.

Request 9: Business Services Website

This Traded Sector Economic Development program received \$65,000 in one-time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13.

The Portland4biz website, which is designed to help build businesses, connect businesses to one another, and to find local resources, is maintained and updated by PDC staff. There is a strong effort to keep the website new and fresh and that requires regular updates. Features of the website include a regular updated business calendar, blog, articles and reports regarding Portland region economy and industries.

From July 1, 2011 to December 31, 2011 www.portland4biz.com had 15,612 visits, 12,841 unique visitors with 874 Twitter followers and191 Facebook fans.

<u>Expected outcomes</u>: 32,000 visitors to the website with continued blog posts, calendar updates, and social media engagement as well as ongoing updates as a resource for small business services.

Request 10. Economic Opportunity Initiative (EOI)

This Neighborhood Economic Development program received \$158,000 in one time funding in FY 2011-12. Equivalent one-time funding is requested for FY 2012-13. The program is also supported by \$1,465,349 in ongoing funding.

In addition to City General Funds, PDC also receives Community Development Block Grant (CDBG) funds budgeted in the Portland Housing Bureau's budget. In FY 2012-13 the estimated CDBG allocation to EOI is \$2,138,667 which represents 14 percent reduction in funds (-\$237,367) due to a predicted cut in CDBG funds by the Federal government.

Established in 2004, the Economic Opportunity Initiative (EOI) provides workforce and microenterprise development and other support services to vulnerable individuals the majority of whom have incomes at 0% to 50% of the median family income (MFI). Individuals enrolled in EOI receive long-term (three years) microenterprise or workforce development services. During enrollment, wrap-around supports are given to participants, as needed, to address specific barriers to success including language, drug and alcohol addictions, and criminal histories. Approximately 52% of participants enrolled in EOI are minorities and another 15% are non-native speakers.

| Group | Enrollment | Goal for 25% | Actual | Percent of | Percent of |
|--------------|------------|--------------|-----------------|------------|--------------|
| _ | Goal for | min. income | achieved min. | Goal | Enrolled who |
| | Cohort | increase (3 | income 25% | Achieved | achieved min |
| | | yr success | increase (3 yr | | 25% increase |
| | | goal) | actual success) | | in income |
| 07/08 Cohort | 306 | 202 | 162 | 80% | 53% |
| 08/09 Cohort | 546 | 337 | 296 | 88% | 54% |
| 09/10 Cohort | 544 | 375 | 309 | 82% | 57% |
| 10/11 Cohort | 600 | 422 | 395 | 94% | 66% |
| EOI Totals - | | | | | |
| 4 Cohorts | 1996 | 1336 | 1162 | 87% | 58% |

Historical performance of the program is shown in the table below:

<u>Expected Results</u>: If funding levels from FY 2011-12 are maintained, PDC would anticipate enrolling approximately 480 individuals in a three-year workforce or microenterprise development program in FY 2012-13. Of those enrollees approximately 55 percent will have a minimum of 25% increase in income or revenues after three years. Approximately 75% of the enrollees receive workforce development services and 25% receive microenterprise development services.

PDC will be issuing new request for proposals for the microenterprise development component of the program in February 2012 with new contracts with providers of business development services effective July 1, 2012. In addition, PDC is undertaking a joint RFP with Worksystems, Inc for youth workforce development component of the program in February 2012. Similarly, new contracts for youth workforce development providers will be effective July 1, 2012. A new RFP for the adult workforce component of the EOI program is anticipated for February 2013.

Decision Packages: Mandatory Cuts

Request 1. Reduced Staff and Support: 4%

This package reduces -\$107,648 in ongoing funding across the programs that ongoing General Fund dollars support.

- Cluster Development, Business Recruitment and Catalytic Initiatives: -\$37,922 (out of \$948,060 ongoing). This translates into equivalent of 0.3 FTE and a decrease in program funds available to implement one of the following priority job creation strategies: industry cluster, entrepreneurship & innovation, or export.
- Venture Portland (formerly APNBA): -\$11,111 (out of \$277,783). Would result in approximately \$2,000 in administration being cut with the balance would be taken as reductions in grants and program offerings to business districts.

• Economic Opportunities Initiative -\$58,614 (out of \$1,465,349). With the expected 14% reduction in CDBG this translates into equivalent of 0.5 FTE and 42 fewer individuals being served.

Request 2. Reduced Staff and Support: 2% (6% cumulative total)

This package reduces -\$53,824 in ongoing funding across the programs that ongoing General Fund dollars support. When combined with the 4% cut package, this reduces ongoing funding to programs by a total of 6%.

- Cluster Development, Business Recruitment and Catalytic Initiatives: -\$18,961 (6% total is -\$56,884 out of \$948,060 ongoing). Together with the 4% cut, this cut would be the equivalent of 0.5 FTE and a decrease in program funds available to implement one of the following priority job creation strategies: industry cluster, entrepreneurship & innovation, or export.
- Venture Portland: -\$5,556 (6% total is -\$16,667out of \$277,783). Would result in approximately \$2,000 in administration being cut with the balance would be taken as reductions in grants and program offerings to business districts.
- Economic Opportunities Initiative -\$29,307 (6% total is -\$87,921 out of \$1,465,349). With the expected 14% reduction in CDBG this translates into equivalent of 0.7 FTE and 46 fewer individuals being served.

Request 3. Reduced Staff and Support: 2% (8% cumulative total)

This package reduces -\$53,824 in ongoing funding across the programs that ongoing General Fund dollars support. When combined with the 4% and 2% cut packages, this reduces ongoing funding to programs by a total of 8%.

- Cluster Development, Business Recruitment and Catalytic Initiatives: -\$18,961 (8% total is -\$75,845 out of \$948,060 ongoing). Together with the 4% and 2% cut, this cut would be the equivalent of 0.7 FTE and a decrease in program funds available to implement one of the following priority job creation strategies: industry cluster, entrepreneurship & innovation, or export. This would also translate into fewer business retention, expansion and recruitment visits outside of Urban Renewal Areas.
- Venture Portland: -\$5,556 (8% total is -\$22,223 out of \$277,783). Would result in approximately \$2,000 in administration being cut with the balance would be taken as reductions in grants and program offerings to business districts.
- Economic Opportunities Initiative -\$29,307 (8% total is -\$117,228 out of \$1,465,349). With the expected 14% reduction in CDBG this translates into equivalent of 1.0 FTE and 51 fewer individuals being served

BUDGET PROGRAM SUMMARIES

TRADED SECTOR ECONOMIC DEVELOPMENT

Description

The Traded Sector program is PDC's core economic development function. The program helps to create jobs by raising the competitiveness and profile of Portland's four target industry clusters: Clean Tech, Advanced Manufacturing, Athletic & Outdoor and Software. PDC program staff work collaboratively with industry coalitions to address barriers and seize opportunities to enhance the competitiveness of their individual firms and the Portland region through strategic investments.

As a result of the adoption of the Economic Development Strategy in FY 2009-10, PDC has a clear focus on four industry clusters and a well-defined goal of creating 10,000 net new jobs in five years. In addition, PDC has developed a strategic recruitment and international strategy to attract new jobs and firms to Portland and to export Portland's products, innovation, and talent with the goal of furthering Portland's competitiveness as an innovative hub for all targeted industry clusters. PDC will work to ensure that the target industry cluster work, recruitment and international strategies are aligned with Greater Portland Inc., a public-private regional entity with the objective of improving economic prosperity of the region.

PDC will also continue to work to establish an ecosystem of programs and services to support entrepreneurs and promising young companies. Programs like the Portland Seed Fund will continue to be a priority as well as efforts to connect scalable companies with mentors. Collaboration with Oregon universities around R&D, and tech transfer will also continue to be explored with the goal of expanding existing programs and/or establishing new programs to support more university spin-off activity.

Goals

To support the Five Year Economic Development Strategy's goal of creating 10,000 net new jobs by 2014, this program facilitates the development of target industry clusters through the implementation of industry defined strategies and action plans. Retention of existing businesses and jobs in the region and recruitment of new target industry businesses and jobs are important objectives. The Portland Seed Fund supports these objectives by providing critical early stage financing to high growth firms with an emphasis on target industry clusters. And the international strategy aligns with these goals by helping target industry firms access global markets to support job and revenue growth.

Performance

PDC's traded sector work is primarily focused on implementing key initiatives and projects within each cluster action plan. Funding incentives and technical assistance are available for all target industry clusters.

Cluster Industry Research, Development, and Initiatives work will focus on continued industry engagement to develop and implement industry action plans with strategic policy, project and programmatic initiatives and investments. As a result we expect the following outcomes:

- 200 business retention and expansion visits;
- Recruitment of 12 firms to Portland;
- 1000 jobs retained/created;
- Cluster marketing and branding collateral developed in collaboration with Greater Portland Inc; and
- Three annual meetings of industry advisory committees.

In addition, industry-specific initiatives and outcome include:

- Advanced Manufacturing: Two to three workforce development events in collaboration with Worksystems Inc. and other partners; establishment of the "NW Collaboratory" to meet Research & Development needs of the industry; and efficiency improvements of as much as 60% for companies receiving OMEP matching grants.
- Athletic & Outdoor: Opening of Design Forum/PDX; landing OSU's apparel research center office in Portland; and a series of OIA webinars on Eco-index and other industry-relevant topics.
- **Clean Tech**: Two firms identifying new product lines through PDC's supply chain work; defining additional renewable energy supply chain opportunities; Oregon Sustainability Center breaks ground; Eco-districts established in Lloyd and South Waterfront; Energy Efficiency/retrofit projects in neighborhood Main Streets and Central City; Green Innovation Park breaks ground.
- **Software**: Comprehensive website completed; at least two fly-outs to California area to attract software and Venture Capital firms; maximize Portland's strength in software by facilitating connections and opportunities with other target industry clusters specifically clean tech and A&O.

The focus of International Business Development will be implementing Portland's export plan identified through the Brookings Metro Export Initiative in collaboration with Greater Portland Inc. The focus is helping companies in the Portland region export their products and services globally to support job growth and increased sales. It is also intended to help companies develop new product lines based on market opportunities particularly within the advanced manufacturing and clean tech industry clusters. The strategy emphasizes helping target industry cluster firms access and expand into new markets. Additionally at least four international trade missions will target markets and/or to attend key industry trade events will be conducted resulting in new jobs, increased sales, visibility for Portland.

The Portland Seed Fund Initiative will leverage an additional \$2 million in revenue. The Fund will include at least two funding classes of 6-10 companies at each, with a class occurring every six months. In addition, prior PSF classes will be provided ongoing support on a limited basis. PDC will seek the same return of more than 1:3. And Small Business Working Capital resources will fund two to three small businesses to support our target industry cluster and neighborhood economic development strategies. The loans will support 150 jobs retained/created and PDC will achieve a 2:1 leverage.

PDC will focus on continued implementation of the Entrepreneurship and Innovation Strategy through ongoing support of programs like the Portland Seed Fund, facilitated peer2peer roundtables and the launch of a program to provide valuable mentorship to scalable firms. Collaborating with universities will be an important component of the strategy as well as working with key partners and successful entrepreneurs who can serve in a critical role of mentor. In addition, there will be a focus on creating entrepreneurial districts in the Central East Side and Old/Town China Town areas that will offer specific programs/services but with a slightly different flavor.

Changes to Services and Activities

Industry advisory committees will be heavily engaged across all industry clusters. PDC will facilitate information sharing and facilitate cross pollination across the clusters as we have begun to identify synergies and opportunities. Greater Portland, Inc. will be engaged as a key partner in developing the industry collateral and engaging in strategic retention and recruitment activity including both domestic and international fly-outs, attendance at trade shows, etc. PDC will work to continually leverage the involvement and investment of the public and private sectors, community colleges and universities to achieve our objectives of job creation.

PDC will be engaged in the implementation of the export strategy and will be working closely with Business Oregon, Greater Portland and the US Department of Commerce as well as other partners to help Portland area companies access new markets.

PDC will continue to explore new opportunities to attract jobs and resources to Portland such as the federal Jobs and Innovation Accelerator Challenge grant. PDC led the effort to secure the grant awarded to the region. Some of those funds will be used to support supply chain work within our clean tech and advanced manufacturing industries as well as to help strengthen innovation and R&D connections between our universities and advanced manufacturing firms.

Reduced funding will result in up to .7 fewer FTE working on traded sector priorities and would lead to a decrease in program funds available to implement one of the following priority job creation strategies: industry cluster, entrepreneurship & innovation, or export. This would also translate into fewer business retention, expansion and recruitment visits outside of Urban Renewal Areas.

NEIGHBORHOOD ECONOMIC DEVELOPMENT

Description

The goal of the Neighborhood Economic Development (NED) program, and the City's Neighborhood Economic Development Strategy, is to foster economic opportunity and neighborhood vitality throughout Portland. Initiatives under this program allow the City, in collaboration with neighborhood residents, local businesses, and community development organizations, to grow vibrant commercial areas, support small business growth, and increase access to jobs by successfully positioning neighborhoods, local businesses, and their residents to connect to and compete in the regional economy.

Goals

The Neighborhood Economic Development program supports the citywide goal to stimulate neighborhood business vitality and its objective to achieve broad-based prosperity. The program also supports implementation of the City's Equity Initiative. The final initiative described in this section also supports the City's Ten-Year Plan to End Homelessness.

Performance

The five citywide NED initiatives supported in this program, which together will support implementation of the NED Strategy.

Portland Main Street Program funds will be used to continue operations and support of the three Main Street districts. In FY 2012-13 operations grants will continue to leverage 1.67 in private funding for every dollar of operations funding granted by PDC. The goal for FY 2012-13 will be for businesses within the districts to increase employment by 5 FTE each, for a total of 15 new full time employment opportunities. In addition, funds will also be used by districts to implement locally identified, locally implemented district improvement projects.

If fully funded all six districts in the **Neighborhood Prosperity Initiative** will hire district managers, districts will receive training and technical assistance to grow their capacity to deliver business development and revitalization outcomes. Districts will also plan, and implement one small-scale improvement and will leverage PDC operating grant by securing 1.67 in private funds.

The Small Business Development Program will continue to deliver technical assistance and training to approximately 155 businesses, and legal services to 80 businesses. Fifty percent of all businesses served will be people of color. Services will be targeted to the Neighborhood Prosperity Initiative (NPI) areas, Main Street districts and other priority commercial corridors.

Through the Economic Opportunity Initiative (EOI) PDC anticipates enrolling approximately 480 individuals in a three-year workforce or microenterprise development program in FY 2012-13. Of those enrollees approximately 55 percent will have a minimum of 25% increase in income or revenues after three years. Approximately 75% of the enrollees receive workforce development services and 25% receive microenterprise development services.

Changes to Services and Activities

In FY 2012-13 PDC will continue the administration of established city-wide Neighborhood Economic Development Programs, including the Main Street Program, the Economic Opportunity Initiative, the Small Business Development Program and the partnership with Venture Portland. New this year, PDC will be establishing the Neighborhood Prosperity Initiative which will expand the main street-like commercial corridor revitalization principles into six new communities. In addition, PDC anticipates the successful alignment of youth workforce services with Worksystems, Inc. and new contracts for microenterprise development. In FY 2012-13 PDC anticipates issuing a new RFP for adult workforce development services and will explore alignment opportunities with Worksystems, Inc.

Reduced funding will result in up to a 1 FTE reduction in staff working on Neighborhood Economic Development activities. In addition, there will be program reductions in business district support and up to 51 fewer individuals served under the Economic Opportunity Initiative's workforce and microenterprise development programs.

| Description: | | | | | | | | |

Portland Main Street is a community-led revitalization program designed to stimulate neighborhood businesses. In June 2010, Portland designated Alberta, Hillsdale, and St Johns as its first three Main Street districts. The districts receive grants for district administration, property and sustainability improvements, and promotional events. The City also provides technical assistance to the districts in implementation of the Main Street approach, district design support, and organizational capacity building.

| Description: | | | | | | | | |

The Portland Seed Fund (Fund) provides \$25,000 to \$100,000 of equity to assist start-up firms in their initial phases of development. In (November 2011?) the Fund began its first of four classes of 6-10 companies in each, with a class occurring every six months. A portion of Fund resources will be used for follow-on investment, reserved for the most promising firms that complete a funding class. Providing both of these resources increases the job creation prospects for start-up firms and the pipeline of viable companies for later stage investors.

| Description: | | | | | | | | |

This program focuses on six economically challenged business areas outside of existing urban renewal areas that are either not yet ready for a full scale Main Street approach or that are not a good fit for this model. Funds for district identified improvements will be created through the establishment of small urban renewal districts focused on commercial corridor investments. Funding for such improvements using tax increment financing (TIF) are estimated to be available to districts in February 2014. City General Funds will also be used to expand the capacity of community-based organizations to become active partners in neighborhood economic development through a district administration grant and by the provision of training in business development, revitalization and organizational development.

| Description: | | | | | | | | |

This program provides for citywide small business technical assistance. In FY 2011-12, a competitive request for proposals process was used to select five non-profit entities to deliver small business development. Businesses eligible for services have 50 or less employees and meet one of the following criteria: 1) Owned by a person of color; 2) Owned by a person with limited English proficiency; 3) Owned by a person with modest income (120% of the median family income); or 4) Located in targeted areas of North, Northeast, and East Portland.

In FY 2011-12, this program delivered technical assistance and training to approximately 155 businesses; eighty (80) businesses also received business legal services.

These funds support the goals of increasing Portland business exports and foreign direct investment activity in Portland. During FY 11-12, the City was selected by the Brookings Metro Export Initiative to develop an export strategy, which will be unveiled in spring 2012 with an organizational structure to support and sustain the initiative. Funds also supported trade missions to Canada and Asia and The International Awards dinner and road show, held in Portland in May 2011 [FY 10-11?].

| Description: | | | | | | | | |

As part of entrepreneurship month, PDC sponsored the first statewide roundtable of incubators and accelerators to better understand opportunities and challenges with the goal of enhancinc the entrepreneurial strategy is to leverage the programs and work of higher education institutions. As such, PDC continues to expand work with Oregon Health & Science University (OHSU), Portland State University (PSU) and other Oregon University System (OUS) schools Entrepreneurial Development funding is focused on growing new businesses and jobs with a supportive ecosystem of programs and resources. The strategy focuses on the resources needed to help scalable companies launch and succeed through mentorship, access to capital and programs such as the Portland Seed Fund, and to make connections to higher education.

Decision Package Summary

Description:

This package reduces ongoing funding to programs that these dollars support. Cluster Development, Business Recruitment and Catalytic Initiatives: -\$37,922 (out of \$948,060 ongoing). Venture Portland (formerly APNBA): -\$11,111 (out of \$277,783). Economic Opportunities Initiative -\$58,614 (out of \$1,465,349).

Expected Results:
 • Cluster Development, Business Recruitment and Catalytic Initiatives: This cut would be the equivalent of 0.3 FTE and/or a decrease in program funds available to implement one of the following priority job creation strategies: industry cluster, entrepreneurship & innovation, or export.
 • Venture Portland:
 • Economic Opportunities Initiative:

Established in 2004, the Economic Opportunity Initiative (EOI) provides workforce and microenterprise development and other support services to vulnerable individuals the majority of whom have incomes at 0% to 50% of the median family income (MFI). Individuals enrolled in EOI receive long-term (three years) microenterprise or workforce development services. During enrollment, wrap-around supports are given to participants, as needed, to address specific barriers to success including language, drug and alcohol addictions, and criminal histories. The program is supported by ongoing General Fund and federal Community Development Block Grant dollars.

Resource Summary

Bureau Overview and Significant Issues

PDC's FY 2012-13 Requested Budget totals \$186 million (\$143 million in expenditures). This budget marks a significant point in PDC's history. The agency has never been more poised to deliver on its 2010-2014 Strategic Plan which directly reflects City Council's adoption of the 2009 City Economic Development Strategy and 2011 Neighborhood Economic Development Strategy, yet PDC is also facing a decline in resources unmatched by any City Bureau. Just two years after the current FY 2012-13 Requested Budget, the agency is forecasted to see a decline in resources which could result in a Requested Budget of under \$90 million for FY 2014-15.

Therefore, the business lines and priorities within this budget reflect intentional and careful investing in the pursuit of the following PDC Strategic Goals: Strong Economic Growth and Competitiveness; Healthy Neighborhoods; A Vibrant Central City; Social Equity; and Effective Stewardship over Resources & Operations, and Employee Investment. In order to achieve the outcomes for job creation and economic development in the PDC Strategic Plan the agency is making efforts to shift more resources into Business Development and Property Redevelopment and de-prioritized to Infrastructure. This will more trend more aggressively in future budget years.

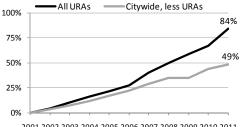

The agency is also aggressively addressing the reduction in resources two-fold:

1) The transition to direct cost accounting of business lines has provided the opportunity to determine costs of delivering services. PDC is beginning to prepare now for the inevitable reduction in materials and services anticipated in 2014-2015 and beyond.

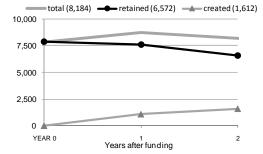

2) The PDC Board has prioritized resource development as one of its top priorities for the agency. Therefore over the course of the 2011-12 and 2012-13 fiscal years, staff will provide the City Council and Board with options for how to scale and secure predictable and opportunistic sources of revenue. The Board firmly believes the role PDC plays in job creation and economic development is essential and important, now and in the future. This will include a strategy for adopting best practices for revenue generating investments and assets used by other cities across the country.

Overview of Major Projects and Initiatives

Neighborhood Economic Development: The goal of this strategy is to improve prosperity throughout Portland by growing vibrant commercial areas, promoting healthy businesses, and stimulating job growth, through partnerships between the community, public entities, community-based organizations and the private sector. The Strategy focuses on the first five years of a ten-year initiative to address the gaps identified in Portland's NED system through focus on: Business Development, Neighborhood Business District Management, and Commercial Real Estate Revitalization and Development, and the Neighborhood Prosperity Initiative (micro URAs).

Cluster Industry Development: PDC's core economic development function focusing on creation of 10,000 net new jobs by raising national and international profile and competitiveness of Portland's target cluster industry: Clean Tech, Advanced Manufacturing, Athletic & Outdoor, Software, and Research and Commercialization.

Notes: Note 1: Staffing allocation based on Requested Budget program allocations. Includes reductions and estimated changes by Program (to be updated in Proposed Budget). Administration includes an allocation from Program and Project FTE for time spent on general administrative activities.

Note 2: GF expenditures - note portion of indirect overhead charges paid by General Fund included in Fund Level Expenses based on PDC's Chart of Accounts - totals do not include Commissioner's Decision Package Request

Note 3: Community Rankings not included - Individual URA advisory letters available for program priorities within specific URAs.

Portland Development Commission

Mission/Goals/Strategic Plans – The 2011 PDC Strategic Plan calls out Social Equity and the importance of Community Partnerships as an integral part of how the agency delivers its services. Implicit within this goal is determining how to enable community involvement, governance and mutual accountability as a core value in how PDC works with the community.

PDC has also continued to ambitiously inform the community through our use of social media via YouTube, Twitter and Facebook. Additionally, PDC will be launching a new external website in 2011/12 which is more user-friendly.

Survey – In June 2011, the PDC Board amended the Urban Renewal Advisory Committee policy to provide the agency the flexibility to appoint and reappoint members to terms of 1, 2 or 3 three years. The current policy only allows 3 year terms. For terms expiring/beginning in 2011 we fully expect the Board to select the 1 year term option.

The Board also directed staff to examine the agency's Urban Renewal Advisory Committee Policy in light of PDC's shift from a focus on redevelopment to economic development, and the resulting changes to the 2010-2014 PDC Strategic Plan. This examination will result in staff recommendations to the PDC Board intended to upgrade and broaden PDC's citizen involvement efforts.

The recommendations will be based on three bodies of research:

- 1) Surveys of current URAC members, PDC staff, and external partners.
- 2) A national scan of how similar entities incorporate public involvement into their decision making.
- 3) A review of the effectiveness of a range of PDC advisory groups, including single use committees, target industry committees, and broader advisory groups, including the Neighborhood Economic Development Leadership Group.

PDC will provide opportunities for stakeholders, including URACs and the broader public to comment on staff recommendations after initial board endorsement in March and prior to final Board approval in summer 2012.

This includes a recently completed survey of URAC members, staff and external parties on PDC's use of advisory committees. This survey, and the more than 250 responses, will effect what upgrades are made to PDC's URAC Policy going forward into the 2012-13 Fiscal Year.

Also in late 2011, after a public solicitation for nominations, PDC will also be appointing a new body known as the Neighborhood Leadership Group operates and interacts. This group shall essentially be stewards for guiding the implementation of the Neighborhood Economic Development Strategy.

Workforce Development – PDC 2011/12 Strategic Plan also includes creating a work environment which values diversity and fosters productivity, learning and growth, and PDC recognizes its employees as the foundation of success.

Key Actions to achieve this outcome:

- Retain, support and cultivate employees by providing creative opportunities in training and career development throughout every employee's tenure, and addressing the need to develop managers into well-trained, informed leaders.

- Cultivate a culture of transparency through open and consistent communication between leadership and staff.

- Maintain a positive, productive and collaborative relationship between Labor and Management.

- Create a strategy and internal structure for succession planning that supports the long term success of the organization and its employees.

- Compete as an employer of choice by promoting an environment that attracts and retains a diverse, highly qualified and motivated workforce.

PDC's governance structure maintains a clear strategic direction and policy guidance as a foundation for creative and efficient program and project implementation. Key Actions include:

- Create a clear agency direction, align employee work priorities and inform decision making by using strategic planning, agency and employee work plans, program and performance metrics, periodic reporting, public participation and the budget process.

- Support an organizational culture of collaboration and accountability through role clarity and teamwork.

- Promote an organizational culture characterized by high ethical and moral behavior and the avoidance central focus of PDC's workforce training in customer service has been to ensure that staff has a good understanding of diversity. PDC's Diversity Council was formed in 2006, and it continues to provide ongoing opportunities for staff to engage diversity development activities.

- Performance appraisals will include an evaluation of customer service.

Central Eastside - Line of Credit borrowing of \$1.5 million in FY 2015-16 currently exceeds City Debt Policy. Actual debt capacity (increased Assessed Value growth) will need to improve in the district or the borrowing will need Council exception to policy.

Central Eastside URA Project Descriptions

Project Outputs/Outcomes

| Administration | | | |
|-----------------------------------|--------------------------------|--|---|
| Administration A45101355 | Debt Management | IGA with City Debt Management Group related to short and long-term | |
| | | financing requirements and other Administrative Activities. | |
| Business Developmen B15100355 | t Cluster Development | Planning and implementation of projects to support and grow Portland's target clusters (Clean Tech, Athletic & Outdoor, Software, Advanced Manufacturing) within the urban renewal area. Business Plan developed through a collaborative process with University of Oregon and industry leaders in design, activewear, architecture and interior design. | Growth of target cluster firms within the CES URA. |
| B15102355 | Site Recruitment | Funding to pursue a more intensive recruitment model to attract potential tenants to PDC redevelopment sites with a focus on target industry clusters and high growth firms. Strategy includes target industry lead generation, list of strategic sites within URAs, and will contribute to regional and statewide coordinated recruitment strategy. | Generate external business leads that would locate in PDC owned or sponsored strategic sites. Tenants confirmed for BBH. |
| B55606355 | CES Entrepreneurial District | Support and develop entrepreneurial activities in specific nodes in CES. Leverage business and real estate to support. Meets Portland Economic Development Strategy action items for attracting and nurturing entrepreneuria companies, creating high-wage jobs, and investments in rehabilitating existing building stock. | Implement entrepreneurship strategy. Open Convention Plaza. Work with partners to attract tenants to create software digital hub focus in CES. Proceed with Phase 2 of Burnside Bridgehead. Refine entrepreneurial firm support programs; expand brand strategy. |
| L02100355 | BIF-General | Business loans to help firms identified as having potential for significant revenue and job growth. Incentives for additional investment leverage PDC dollars with private or other public funds. | 3:1 leverage. |
| T01205355 | OMEP-Lean Manufacturing | Matching funds to retain the Oregon Manufacturing Extension Partnership (OMEP) and the Zero Waste Alliance (ZWA) to develop process and material improvements for businesses that will increase their operational efficiencies and reduce waste thereby improving their bottom line. | N/A for FY 12-13. |
| Housing | | | |
| H15430355 | Affordable Rental Hsg | Predevelopment and/or financial assistance for the preservation and new development of affordable rental housing focused on 0-50% MFI. | Meets Implementation Strategy goals for extremely low income housing. |
| Infrastructure N35514815 | Eastbank/Asset Trsfr | Funds property management costs of PDC-owned parcels of Eastbank Esplanade (including, but not limited to, the Festival Parking Lots, the Fire Dock and the Light Watercraft Dock) until PPR assumes ownership. | Transfer the PDC-owned portions of the Eastbank Esplanade to PPR. |
| N35525215 | Community Center | Funds PPR through an IGA for development of a full-service community center at the former Washington Monroe High School campus. | PDC agreement to support potential community center in CES. |
| N35534115 | Eastside Streetcar | Funds PBOT through an IGA to construct the Portland Streetcar through the Central Eastside terminating at the Oregon Museum of Science & Industry. | Funding to provide local match for federal funds 1:4 leverage |
| N35534215 | East Streetcar LID | Payment of Eastside Streetcar LID tax related to PDC-owned properties. | Legal obligation of PDC owned sites. |
| N35534315 | New Water Ave | Funding for PBOT through an IGA for reconstructing the portion of Water Avenue disrupted by light rail construction. | Access to developable sties. |
| Property Redevelopme A35401355 | Central City 2035 | Funds BPS and PBOT through IGA for Central City 2035 planning project. | Complete Central City 2035 Plan |
| G02100355 | DOS Grants | Development Opportunity Services grants of up to \$12,000 to reimburse applicants for up to 80% of the cost of predevelopment services for potential projects on properties with commercial, industrial and/or mixed-use zoning. | Stimulate private investment which will lead to increase in future assessed value. |
| G03100355 | SIP Grants (Storefront Grants) | Storefront improvement grants to businesses and building owners that leverage PDC dollars with private or public funds and support the Economic Development Strategy. Grants up to \$32,000; not to exceed 75% of total improvement costs, including grant funding for signage, lighting, and awnings. | Assist small businesses and Increase ground floor activity. Leverage is at least 1:1. |
| | | | |

Central Eastside URA Project Descriptions (continued)

Project Outputs/Outcomes

| P35557215 | Burnside Bridgehd Rdv | Provides funds for pre-development activities and potential gap funding for redevelopment of the site. | Implement Burnside Bridgehead Framework Plan. Open Phase 1 (Convention Plaza), assist developer with tenants. Proceed with Phase 2. Contribute to CESA Entrepreneurship District Explore models for new construction creative flex space. |
|-----------|-----------------------|--|---|
| P35557315 | Burnside Bridgehd Mgt | Provides necessary funding for maintaining Burnside Bridgehead site and buildings until disposition. | Property management. |
| P35591015 | Public Outreach | Provides funds to maintain involvement and participation of Kerns, Buckman & HAND neighborhoods and Central Eastside Industrial Council in long-term capital and program planning activities. | Engage property owners and business in development and customer service. |
| P35592015 | Real Estate Mgmt | Site maintenance, security and fees for PDC-owned properties. | Property management. |
| R01100355 | CPRL | Commerical Property Redevelopment Loan Program. Provide gap financing to building owners and developers wishing to bring more commercial and industrial space into productive use. Required additional investment leverages PDC dollars with private or other public funds. Focus is on maximizing job creation in cluster industries. | The leverage goal is 1:5. Stimulate private investment to implement cluster, high growth and entrepreneurship strategies. Goal is to achieve leverage of 1:5 and increase assessed value. |

Convention Center - FY 2012-13 Short Term Debt of \$4.5 million will remain in contingency in FY 2012-13 pending final bond sale. The \$4.5 million may need to be held by the City as bond reserve, thereby decreasing future budgeted expenditures by \$4.5 million.

Convention Center URA Project Descriptions

Project Outputs/Outcomes

| Financial Ac | Administration Financial Administration A45101350 Debt Management IGA with City Debt Management Group related to short and long-term financing requirements and other Administrative Activities. | | | | | | |
|---------------------------|--|--|---|--|--|--|--|
| Business Development | | | | | | | |
| | Istry Development Cluster Development | Planning and implementation of projects to support and grow Portland's target clusters (Clean Tech, Athletic & Outdoor, Software, Advanced Manufacturing) within the urban renewal area. Business Plan developed through a collaborative process with University of Oregon and industry leaders in design, activewear, architecture, and interior design. | | | | | |
| B15102350 | Site Recruitment | Funding to pursue a more intensive recruitment model to attract potential tenants to PDC redevelopment sites. | Attract cluster firms to strategic sites. | | | | |
| Business Le L02100350 | ending BIF-General | Business Incentive Fund. Business loans to help firms identified as having potential for significant revenue and job growth. Incentives for additional investment leverage PDC dollars with private or other public funds. | | | | | |
| | ess & Entrepreneurship Business Development | Financial and technical assistance and other incentive programs to support commercial corridor revitalization, development of catalytic commercial projects, historical preservation, and other opportunities to increase economic activity. Particular emphasis on small business development; local retail and service firms; and Minority, Women and Emerging Small Businesses (MWESB). Note that EcDev Strategy development & Innovative/Special Business Development Projects may fall within NED as well. | | | | | |
| Infrastructure | | | | | | | |
| Transportati N35033115 | Rose Quarter Connection | Improve pedestrian conection between Rose Garden, OCC and possible Headquarters Hotel. | Increase in future assesed value. Likely route for district energy. | | | | |
| Portland Hou | sing Bureau | | | | | | |
| PHB Housin | g Affordable Rental Housing | Prodevelopment and/or financial assistance for the preservation and new | | | | | |
| H15430350 | Projects | Predevelopment and/or financial assistance for the preservation and new development of affordable rental housing focused on 0-60% MFI. | | | | | |
| | MFH - 2nd and Wasco Lloyd Cascadian Phase II evelopment | Planning and property management for disposition of property. Planning and property management for disposition of property. | | | | | |
| | Property Redevelopment Central City 2035 | Funds BPS and PBOT through IGA for Central City 2035 planning project. | Complete Central City 2035 Plan and N/NE Quadrant implementation. | | | | |
| P35050515 | Eco District | A public/private partnership to identify and implement district-wide solutions for energy, carbon use, water and urban design. Provides funding assistance to the Portland Oregon Sustainability Institute and PDC-BES Holladay Street Green Street Master Plan. | Implement 1st pilot project in Lloyd Eco-district in conjunction with the Lloyd Sustainability Association. | | | | |
| P35050715 | Lloyd Commercial Development | Support commercial redevelopment and implement the Lloyd District Development Strategy and the OCC Vision Plan. Includes property maintenance of PDC-owned property. | Increase assesed value, leverage private investment, implement Eco-district. | | | | |
| P35050717 | Convention Center Hotel | Support Metro, County and City in development of a Convention Center Hotel to increase convention business. | Development of Convention Center Hotel. | | | | |
| P35051315 | Rose Quarter Revitalization | Supports catalytic mixed-use development for job creation at the Rose Quarter. Funds outreach, District Plan preparation, and activities related to the anticipated renovation of the Veterans Memorial Coliseum. | Redevelop Rose Quarter: Begin renovation of VMC, Determine implementation of RQ District Plan based on A&O Cluster interest | | | | |
| P35057915 | Eco District Commercial Retro | Analyze feasibility of retrofitting commercial buildings for optimum resource efficiency in the Lloyd pilot EcoDistrict, in coordination with BPS Clean Energy Works activities. Working with green building cluster firms and partners to identify opportunities to pursue retrofits and to commercialize new technologies and processes for retrofitting the commercial building stock more effectively. | Implement 2nd pilot project in Lloyd EcoDistrict. | | | | |
| P35091015 | Public Outreach | Conduct outreach and respond to citizen, property owner, business, and developer inquiries and issues. | | | | | |
| R01100350 | CPRL | Commercial Property Redevelopment Loan Program. Provide gap financing to building owners and developers wishing to bring more commercial and industrial space into productive use. Also leverages PDC dollars with private and public funds, and supports neighbhorhood livability/quality of life. Required additional investment leverages PDC dollars with private or public funds. Focus on maximizing job creation for cluster industries. | | | | | |
| | | | | | | | |

| B15701325 | Bio-Tech Build-Out | Funds projects to grow bioscience infrastructure within the urban renewal area, including recruitment of and business assistance to bioscience firms. Implements Central District Development Agreement. | Develop program to assist high-growth bioscience firms in Accelerator; Build out of lab, production, or other facilities to assist with bioscience research |
| L02100325 | BIF-General | Business Incentive Fund. Business loans to help firms identified as having potential for significant revenue and job growth. Incentives for additional investment leverage PDC dollars with private or other public funds. | commercialization and firm attraction 3:1 leverage |
| Housing H15430325 | Affordable Rental Hsg | Predevelopment and/or financial assistance for the preservation and new | Meets Implementation Strategy goals for |
| H15943325 | Affordable Veterans Hsg | development of affordable rental housing focused on 0-50% MFI. Development of new South Waterfront affordable rental housing to households at 0-60% MFI. Implements Central District Development Agreement. | extremely low income housing. 209 housing units, new construction, affordable to households earning 50% MFI; 42 units targeted to veterans earning less than 30% MFI |
| Infrastructure N32511815 | Central Dist Greenway | Oversee and coordinate design and construction of the 1300-foot Phase I design project in the Central District through IGA with PPR. Implements Central District Development Agreement. | Construction complete by Oct, 2012. Completes requirement of Central District Development Agreement. |
| N32512615 | Caruthers Park | Design & construction of Central District Neighborhood Park through IGA with PPR. Implements Central District Development Agreement. | N/A for FY 2012-13; final close-out complete in FY 2011-12 |
| N32514015 | New Init - Parks & Gr | Planning, design & construction of future park, greenway or open space - opportunities include additional greenway segment, Ross Island Bridge Park Gibbs Pedestrian Plaza, or open space in Harbor Naito or North of Kelly areas. | N/A for FY 2012-13; resources not available until forecast years. Why does this mean we do not have to create a outcome? |
| N32520115 | Life Science Parking | Implements Central District Development Agreement. Supports new collaborative OHSU-OUS research and education building, including Knight | PSU program complete by fall 2013; full project complete by spring 2014 |
| N32530215 | Light Rail | Cancer Institute and specifically funds public parking per the DA. Funds a portion of the cost of the Portland-Milwaukie Light Rail through an IGA with PBOT. | Light rail alignment from PSU to riverfront and two light rail stations. Construction scheduled to be complete in 2015. |
| N32530315 | South Portal Design | Partial funding for design and engineering of transportation portal at URA south end to coordinate with future streetcar extension and potential redevelopment opportunities. | Coordinate transportation and redevelopment plans with Portland to Lake Oswego Streetcar plan |
| N32530415 | N Dist Infra Conduit | Funding for construction of under-street infrastructure conduit. | Utility infrastructure improvements required for North District redevelopment with commercial/jobs focus; component of Eco-district. |
| N32530515 | EcoDistrict Conduit | Funding for construction of under-street Eco District conduit. Scope and implement integrated district infrastructure opprtunities. | Utility infrastructure improvements required for North District redevelopment and to support green development cluster |
| N32530615 | Central District Infra | Reimbursements for design and construction of sidewalks on certain blocks newly developed by NMI and partners. Implements Central District Development Agreement. | activities N/A for FY 2012-13; 200' of sidewalk improvements on remaining block faces concurrent to adjacent private |
| N32530715 | Trans Strategy Dev | Funding for studies to determine best pedestrian and bike transportation plans to connect South Waterfront with the Central City. | construction Completion of study |
| N32533715 | Gibbs St Ped Bridge Bridge | Design and construction of pedestrian bridge across I-5, linking Corbett- Terwilliger-Lair Hill neighborhood to South Waterfront District, through funding agreement with PBOT (IGA). Implements Central District Development Agreement. | Spent in FY 2011-12; construction complete by March 2012. Completes Central District Development Agreement requirement. |
| N32534115 | Trans Initiatives | Planning, design & construction of future transportation improvements identified in the North Macadam Transportation Development Strategy - opportunities include South Portal, North District infrastructure, or improvements in the Harbor Naito or North of Kelly development areas. | N/A for FY 2012-13; resources not available until forecast years. Why does this mean we do not have to create a outcome? |

North Macadam URA Project Descriptions (continued)

Project Output/Outcomes

| Property Redevelo | pment | | |
|-------------------|--|---|---|
| A35401325 | Central City 2035 | Funds BPS and PBOT through IGA for Central City 2035 planning project. | Complete Central City 2035 Plan |
| G02100325 | DOS Grants | Development Opportunity Services Grants of up to \$12,000 to reimburse applicants for 80% of the cost of predevelopment services associated with potential projects on properties with commercial, industiral and mixed use zoning. | Future assessed value increase |
| G03100325 | SIP Grants (Storefront Grants) | Grants up to \$20,000 not to exceed more than 50% of the improvement costs are available to businesses and building owners on a first-come, first-serve basis. Leverages PDC dollars with private or public funds and supports neighborhood livability. | 1:3 leverage |
| P32550215 | Eco District | A public/private partnership to identify and implement district-wide solutions for energy, water, waste, carbon use, and urban design | Complete pilot project in SWF EcoDistrict. |
| P32556215 | RiverPlace Lot 8 Rdv Parcel Development | Predevelopment, disposition and development of RiverPlace Parcel 8. | Execute disposition and sale agreement in FY 2012-13 |
| P32556315 | RiverPlace Lot 3 Rdv Redevelopment | | Execute disposition and sale agreement in FY 2012-13 |
| P32558015 | RiverPlace Prop Mgmt | Management and maintenance of 3 acres of PDC-owned properties at RiverPlace being held for future development. | Property management |
| P32590015 | Project Development | Assist property owners and businesses with predevelopment costs; respond to new project activities and policy development/analysis. | New projects to implement cluster, entrepreneurship, strategic site and eco- district strategies. |
| R01100325 | CPRL | Provide gap financing to building owners and developers wishing to bring more commercial and industrial space into productive use. Also leverages PDC dollars with private and public funds, and supports neighborhood livability/quality of life. Required additional investment leverages PDC dollars with private funds. | * 1:10+ leverage target |

| River District URA | Project Descrip | tions | Project Outputs/Outcomes |
|-------------------------------------|------------------------|--|--|
| Administration | | | |
| A45101330 | Debt Management | IGA with City Debt Management Group related to short and long- term financing requirements and other Administrative Activities. | |
| Business Development | | | |
| B15100330 | Cluster Development | Planning and implementation of projects to support and grow Portland's target clusters (Clean Tech, Athletic & Outdoor, Software, Advanced Manufacturing) within the urban renewal area. Business Plan developed through a collaborative process with University of Oregon and industry leaders in design, activewear, architcture and interior design. | Retain Iberdrola HQ, Retain KEEN in the Central City; Execute "Creative Corridor" within OT/CT. Growth of target cluster firms, jobs within the RD URA |
| B15401330 | Design Forum/PDX | Business Plan developed through a collaborative process with University of Oregon and industry leaders in design, activewear, architcture and interior design. There a several sites that are identified in the River District as the location for siting the Material Lab. | The Design Forum will leverage PDC investement to implement a critical componet of the Economic Development Strategy. The outcome is to further establish Portland as a design center and to develop the west coast Material Lab |
| B15102330 | Site Recruitment | Funding to pursue a more intensive recruitment model to attract potential tenants to PDC redevelopment sites with a focus on targe industry clusters and high growth firms. Strategy includes target industry lead generation, list of strategic sites within URAs, and will contribute to regional and statewide coordinated recruitment strategy. | Generate external business leads that would locate in PDC owned or sponsored strategic sites. Identify prospective/confirmed developers/tenants for: Centennial Mills (RD • OCC Block 49 (OCC) • North Pearl (RD) • Block 8L (RD) • USPS (if continued) (RD) • Block 8L (if proceeds) (RD) |
| L02100330 | BIF-General | Business Incentive Fund. Business loans to help firms identified as having potential for significant revenue and job growth. Incentives for additional investment leverage PDC dollars with private or other public funds. | |
| Housing H15430330 | Affordable Rental Hsg | Funding for development of Hoyt Street Properties DA obligated project in future years; at least 200 affordable housing units. | Meets obligations of the Development Agreement with Hoyt Street Properties to build affordable housing. Development of these units will help meet the affordable housing goals of the River District Housing Implementation Strategy. |
| Infrastructure N33011915 | Nbrhd Prk (The Fields) | Funds to Parks through an IGA for the design and construction of the Neighborhood Park at NW 9th & Naito Parkway. | Construction documents completed out for bid by end of 2010 calender year |
| N33012015 | Nbrhd Prk SDC Credit | Agreement with Hoyt Street Properties to reimburse SDC credits associated with future building (in return for donated land - Fields | Component of Fields Park financing. |
| N33022015 | Union Station | park) Plan to renovate Union Station, including the fund State Transportation Enhancement Grant matches for Union Station property improvements and property management agreement with BGS. Execute agreement to transfer Union Station. | Repairs the roof of the PDC asset an leverages significant federal resources. |
| N33033715 | Streetcar Loop Project | PDC share of LID to expand the Streetcar Loop in the River District beyond the initial alignment. Provides greater service into the district. | Complete portion of Streetcar loop. |
| N34630015 | Dtwn Retail Infra | | Implement Downtown Retail Strategy. |
| Property Redevelopment A45997330 | Portland Harbor | Funds due dillegence for PDC properties subject to Portland Harbor Superfund. | |
| A45997330 | Central City 2035 | Funds BPS and PBOT through IGA for Central City 2035 planning project. | Complete Central City 2035 Plan |
| N33024015 | Multnomah County | Funds Multnomah County property development per River District amended URA plan. | |
| P33013715 | Grove Hotel | Redevelopment of Grove Hotel to a speciality hostel | Future assessed value increase. Supports the development of the properties that have moved nto the amended RDURA. Contributes to Creative Corridor strategy. |

River District URA Project Descriptions (continued)

Project Outputs/Outcomes

| P33050015 | Post Office | Provide for due diligence and predevelopment activities associated with relocation and acquisition strategies for the United States Post Office at 10th and Hoyt Street. Negotiating through the Purchase and Leaseback with USPS. | |
|-----------|-----------------------|--|--|
| P33050115 | Dtwn Retail Strat | Financial assistance to attract and retain key retailers in the downtown core in support of the Downtown Retail Strategy, the URA Plan, and the Central City Plan. | Implement the Downtown Retail Strategy |
| P33050415 | Centennial Mills Rdv | Disposition and redevelopment of the Centennial Mills site. | Execute DDA or undertake necessary predevelopment work. Preparation of strategic site for redevelopment. |
| P33051215 | N Pearl Distr Plan | Provide due diligence and predeveleopment activities on the vacant and underdeveloped parcels North of Lovejoy for development as cluster job site. | |
| P33051515 | Station Place Garage | Management of 420-space parking garage at NW 9th & Lovejoy supporting area retail and Union Station; complete redevelopment work. | Property management expense that is offset against increased income |
| P33052115 | 10th & Yamhill Redev | Renovation or redevelopment of City-owned 10th & Yamhill Garage to improve retail, transit, and the pedestrian environment, and potentially add housing or other uses; to be implemented through a development agreement with PDC, PBOT, OMF, and the Developer. | investment and achieve a 1:15 leverage. |
| P33052715 | PNCA | Predevelopment loan to PNCA to get to 25-50% construction documents on the 511 Building | Supports the development of the properties that have moved nto the amended RDURA. This would be a 1:1 match of PDC and PNCA predevelopment funds |
| P33053219 | Horse Barn Relocation | Provide resources for eventual relocation of the Police Horse Barn located at Centennial Mills pending redevelopment of the site. | Preparation fo strategic site for redevelopment. |
| P33054315 | RD Enviro | Level I & II environmental work and remediation work. | Worknecessary to prepare properties acquired as a part of Union Station acquisition for development. |
| P33054415 | One Waterfront | Provide for ongoing property management expense. | Property management |
| P33054515 | Blocks A&N | Property Mgt Expense | Property Mangement |
| R01100330 | CPRL | Commerical Property Redevelopment Loan Program. Provide gap financing to building owners and developers wishing to bring more commercial and industrial space into productive use. Also leverages PDC dollars with private and public funds, and supports neighborhood livability/quality of life. While focus of these funds is opportunisiticc, primarly fcus is to support development of properties that have moved in to the River District from Old Town- Chinatown. Required additional investment leverages PDC dollars with private or other public funds. Focus on maximize job creation for in cluster industries. | Leverage estimate 1:9; Supports the development of the properties that have moved nto the amended RDURA. |
| G02100330 | DOS Grants | Development Opportunity Services grants of up to \$12,000 to reimburse applicants for up to 80% of the cost of predevelopment services for potential projects on properties with commercial, industrial and/or mixed-use zoning. | Future assessed value increase. |
| G03100330 | Storefront Grants | Storefront improvement grants to businesses and building owners that leverage PDC dollars with private or public funds and support the Economic Development Strategy. Grants up to \$32,000; not to exceed 75% of total improvement costs, including grant funding for signage, lighting, and awnings. | 2:1 + leverage |

| Parks N37017315 | Bridgeton | Funds to Parks Bureau through IGAs for Bridgeton trail. | Parnership with Metro (property acquisition) and PPR (SDC and other funding). |
| N37017415 Transportat | Dawson Park ion | Funds to Parks Bureau through IGAs for Dawson Park improvements. | Community Partnership |
| N37032115 | Interstate Transportation Improvements | Funds to PDOT through an IGA to construct priority neighborhood traffic calming, pedestrian safety and bicycle access improvements in commercial corridors. | Pedestrian and safety enhancements for commercial districts. |
| N37037615 | Denver Streetscape | Funds future maintenance of PDC-funded streetscape improvements. | |
| N37037715 | Killingsworth Streetscape | Funds to PDOT through an IGA to plan, design, engineer and construct Phase II streetscape improvements from PCC to Martin Luther King Jr. Blvd. | Leverages \$400,000 MTIP design funding; commercial district enhancement. |
| N37037815 | Lombard Streetscape | Funds to PDOT through an IGA to plan, design, engineer and construct streetscape improvements as part of an overall Lombard corridor economic development investment strategy. | Infrastructure investment for commercial district enhancement on high traffic street and truck route. |
| Portland Hou PHB Housin | • | | |
| | Home Repair Projects | Provides loans to homeowners for needed home repairs to households at or below 80% MFI. | |
| H15420370 | Homebuyer Assistance | Financial assistance to first time homebuyers at 50-80% MFI and families at 50-100% MFI. Includes interest buydown and downpayment assistance. | |
| H15430370 | Affordable Rental Housing | Predevelopment and/or financial assistance for the preservation and new development of affordable rental housing focused on 0-60% MFI. | |

Interstate Corridor URA Project Descriptions (continued)

Project Outputs/Outcomes

| | - | | |
|-------------------------|----------------------------------|---|--|
| | Property Redevelopment | | |
| A35401370 | Central City 2035 | Funds BPS and PBOT through IGA for Central City 2035 planning project. | Central City 2035 Plan |
| | Jefferson Plaza | Improvements to the NE Killingsworth Street frontage at Jefferson High School. | Community Partnership; commercial district enhancement |
| P37051815 | Interstate Redevelopment | Revitalization projects at station area and strategic areas, including loans, predevelopment, and acquisitions. | Funding for Vanport Commercial site (potential Grocery RFI site); 6931 MLK disposition |
| P37054815 | Kenton Redevelopment Downtown | Redevelopment activities for Downtown Kenton partnering with TriMet and other property owners on redevelopment strategic sites in Kenton. Includes Nelson property acquisition. | Commercial district enhancement; funding for Nelson site environmental, retenanting and future disposition |
| P37091015 | Public Outreach | Funding for ICURAC and other outreach activities. | |
| Commercial R01100370 | Real Estate Lending CPRL | Commercial Property Redevelopment Loan Program. Provide gap financing to building owners and developers wishing to bring more commercial and industrial space into productive use. Also leverages PDC dollars with private and public funds, and supports neighbhorhood livability/quality of life. Required additional investment leverages PDC dollars with private or public funds. Focus on maximizing job creation for cluster industries. | |
| | | | |
| | Redevelopment Grants | | |
| G01100370 | CLG (Community Livability) | Competitive grant program open to community-based organizations for real property improvements that promote livable and healthy neighborhoods. The typical grant award is less than \$50,000 | Community Partnership |
| G02100370 | DOS Grants | Development Opportunity Services Grants of up to \$12,000 to reimburse applicants for up to 80% of the cost of predevelopment services for potential projects with commercia, industiral and/or mixed use zoning. | Stimulate private investment which will lead to increases in future assessed value. |
| G03100370 | SIP Grants (Storefront Grants) | | Assist small businesses. Leverage is 3:1 |
| | GFGP (Green Features) | Matching grant to businesses for innovative, green improvements. Grants awarded on a competitive basis and for a maximum of \$50,000. | Leverage is 1:3 |
| G05100370 | CEWP (Clean Energy Works) | The Clean Energy Works Program provides financing for energy efficiency retrofits for neighborhood single-family residential properties. | |

| Lents row | n Center URA Project I | | Project Outputs/Outcomes |
|------------------------|--|---|--|
| Administration | | IGA with City Debt Management Group related to short and long-term | |
| A45101360 | Debt Management | financing requirements and other administrative activities. | |
| Business Devel | | | |
| B15100360 | Cluster Development | Planning and implementation of projects to support and grow Portland's target clusters (Clean Tech, Athletic & Outdoor, Software, Advanced Manufacturing) within the urban renewal area. | Growth of target cluster firms, jobs within the Lents URA |
| B15102360 | Site Recruitment | Funding to pursue a more intensive recruitment model to attract potential tenants to PDC redevelopment sites with a focus on target industry clusters and high growth firms. Strategy includes target industry lead generation, list of strategic sites within URAs, and will contribute to regional and statewide coordinated recruitment strategy. | Generate external business leads that would locate in PDC owned or sponsored strategic sites. Complete DA/DDA subject to outcome of 2011-12 Grocery RFI process; asses community-level proposals/support where appropriate. |
| B15202360 | Green Innovation Park | Green Innovation Park that will showcase innovative residential buildings, namely net zero energy and low carbon homes, built by local, regional and international firms. The Green Innovation Park is envisioned to become a test-bed for cutting edge residential green building techniques and technologies and the first demonstration project of its kind in the United States. | Development agreement |
| T01069360 | Lean Manufacturing | Matching funds to retain the Oregon Manufacturing Extension Partnership (OMEP) and the Zero Waste Alliance (ZWA) to develop process and material improvements for businesses that will increase operational efficiencies and reduce waste, thereby improving their bottom line. | |
| L02100360 | BIF-General | Business Incentive Fund. Business loans to help firms identified as having potential for significant revenue and job growth. Incentives for additional investment leverage PDC dollars with private or other public funds. Resources will be aligned with Cluster, NED and CC strategies. | 3:1 Leverage |
| B55900360 | Community Development | Implementation of the citywide neighborhood Economic Development Strategy supporting small businesses and economic opportunities for low- and moderate-income residents. | NED work plan implementation |
| Infrastructure | | | |
| N36012515 N36031415 | Parks Public Impr Street/Sidewalks LID | Funds to help leverage parks, open spaces and recreation activities. Funds to PBOT through an IGA to pave unimproved residential streets as part of a larger program. Complete construction of Phase IV in FY 12 13. Program is expected to be phased out after FY 12-13. | Design work for Leach Botanical Garden Phase IV constructed, as approved by City Council |
| N36031515 | Neigh Transportation Safety Impr | Funds to PBOT thru IGA for traffic safety related improvements identified in approved plans. | Projects are now listed by name below this line item |
| N36031525 | Foster-Woodstock Streetscape | Funds to PBOT through an IGA to improve streets, sidewalks, and traffic safety features in LTC. Includes rebuilding of Ramona Street. Matches MTIP grant (2009) | Commercial corridor enhancement; leverage \$1.9M MTIP funding |
| N36031535 | 122nd Ave Revitalization | Fund construction of 122nd Ave (Holgate - Ramona) thru IGA. Matches ODOT grant (2011), PBOT funds, and BES capital funds | Commercial corridor enhancement; leverages \$800,000 ODOT funding |
| N36031545 | Foster Streetscape Plan | Fund construction of key nodes along SE Foster (50th - 82nd Ave) in 2014/15. Crosswalks, streetscape amenities, and improvements to create business-friendly environment | Commercial corridor enhyancement; leverage \$2M MTIP funding. |
| N36032015 | Lents Entryway | Referred to as the "Triangles" project, this will create an east and west gateway into LTC. PDC will manage the construction. | Commercial corridor enhancement |
| Housing | | | |
| H15031360 | The Glen Apartments | | |
| H15410360 H15420360 | Home Repair Projects Home Buyer Assistance | Loan program for low-income homeowners to do needed home repairs. PHB offers programs to help make buying a home more affordable, | |
| | | including a down payment assistance loan , mortgage credit certificate, and limited tax exemption programs. | |
| H15430360 | Affordable Rental Hsg | Pre-development and/or financial assistance for the preservation of existing rental housing or new housing development for 0-60% MFI, | |
| H15923360 | Holgate House | especially as part of mixed-use, mixed-income developments. Funds for construction of modular multi-family affordable housing by Native American Youth and Family Center (NAYA) and Guardian Real Estate Services; 9 Units. | |

Willamette Industrial URA Project Descriptions

Project Outputs/Outcomes

| Administration | n | | |
|--------------------------------|------------------------------|---|--|
| Financial Adı | ministration | | |
| A45101390 | Debt Management | IGA with City Debt Management Group related to short and long-term financing requirements and other Administrative Activities. | |
| Business Deve Cluster Indus | elopment try Development | | |
| B15100390 | Cluster Development | Planning and implementation of projects to support and grow Portland's target clusters (Clean Tech, Athletic & Outdoor, Software, Advanced Manufacturing) within the urban renewal area. Business Plan developed through a collaborative process with University of Oregon and industry leaders in design, activewear, architecture, and interior design. | Growth of target cluster firms, jobs within the WIURA. |
| B15102390 | Site Recruitment | Funding to pursue a more intensive recruitment model to attract potential tenants to PDC redevelopment sites with a focus on target industry clusters and high growth firms. Strategy includes target industry lead generation, list of strategic sites within URAs, and will contribute to regional and statewide coordinated recruitment strategy. | Generate external business leads that would locate in PDC owned or sponsored strategic sites |
| T01069390 | Lean Manufacturing | Matching funds to retain the Oregon Manufacturing Extension Partnership (OMEP) and the Zero Waste Alliance (ZWA) to develop process and material improvements for businesses that will increase their operational efficiencies and reduce waste thereby improving their bottom line. | Assist 3 companies; 1:1 match; increased efficiency/productivity of receiving firms |
| Business Ler | nding | | |
| L02100390 | BIF-General | Business Incentive Fund. Business loans to help firms identified as having potential for significant revenue and job growth. Incentives for additional investment leverage PDC dollars with private or other public funds. | |
| Property Rede | velopment | | |
| Commercial | Property Redevelopme | ent | |
| P39051215 | Brownfields Redevelopment | Funding to be used to partner with other public and private entities to implement the remediation of key sites in the district that will bring new jobs and industries in to the City and to undertake environmental mitigation and enhancements in the harbor. Funds can be used for property acquisition, feas. studies, design and construction. This is also the implementation phase of the Willamette Industrial Harbor Redevelopment Initiative. | |
| P39090015 | Project Development | Funding to cover community outreach to URA constituents such as the Columbia Corridor Assoc., the Swan Island Business Association and the Portland Freight Committee. Also includes predevelopment planning and budget development. | |
