I. SCOPE OF WORK

Subject to the terms and conditions of this Contract and as described in greater detail below, PDC will, during the term of this Contract operate the Economic Opportunity Initiative. The Economic Opportunity Initiative is a City-wide economic prosperity program designed to significantly increase the incomes of very low-income residents. Multiple providers will deliver intensive, holistic support, and customized workforce or micro enterprise development services to each participant for up to three years. Income or business revenue growth is tracked quarterly. PDC has operated the Economic Opportunity Initiative for the City of Portland since July 2009.

A. PDC will be responsible for all Economic Opportunity Initiative program activities, including: outreach; planning; negotiating, preparing and administering all related contracts and agreements, including disbursement of funds, compliance monitoring, accounting and reporting; and annual reporting to the City Council. In addition, PDC's EOI staff will provide ongoing technical assistance on program issues, facilitate collaborative needs identification, solve problems, train staff and develop resources to benefit all participants in the Initiative.

B. PHB agrees and acknowledges that PDC intends to implement the Economic Opportunity Initiative principally through the further subgrant of funds made available under this Contract to other subrecipients, as permitted by, and in accordance with, the federal law governing the Community Development Block Grant Program.

C. PHB and PDC understand that PDC intends to develop a new request for proposals for adult workforce projects during FY 2012-13. The request for proposals will bring the Economic Opportunity Initiative projects into alignment with the Neighborhood Economic Development Strategy that was adopted by City Council in May 2011. PHB shall include PDC in discussions and other internal processes involving the City's update of its 5-year Consolidated Plan for the use of Community Development Block Grant Funds and allow PDC to comment on the proposed use of the portion of the CDBG funds currently allocated to the Economic Opportunity Initiative programs.

Notwithstanding the naming of additional insureds, the insurance shall protect each insured in the same manner as though a separate policy had been issued to each, but nothing herein shall operate to increase the insurer's liability as set forth elsewhere in the policy beyond the amount or amounts for which the insurer would have been liable if only one person or interest had been named as insured. The insurance shall provide that it shall not terminate or be canceled without 30 days written notice first being given to the City Auditor. Contractors and subrecipients are responsible for checking the Federal publications that list debarred, suspended and ineligible contractors to assure compliance.
- LL. **SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES AND LABOR SURPLUS AREA FIRMS.** PDC must comply with the requirements of Executive Orders 11625, 12432 and 12138 and 24 CFR 85.36(e), which require that contractors and subrecipients take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible. Such affirmative steps would include: (i) placing qualified small and women's business enterprises on solicitation lists; (ii) assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources; (iii) dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; (iv) establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises; (v) using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and (vi) requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed above.
