TO: Board of Commissioners

FROM: Kimberly Branam, Executive Director

SUBJECT: Report Number 23-36

Authorizing Grant of an Access Easement to Multnomah County for Maintenance and Operations under the Broadway Bridge

BOARD ACTION REQUESTED AND BRIEF DESCRIPTION

Adopt Resolution No. 7507

This action by the Prosper Portland Board of Commissioners (Board) will authorize the grant of an Access Easement to Multnomah County for the maintenance and operations of the Broadway Bridge located above Prosper Portland's owned property located at 1111 NW Naito Parkway and the adjacent parcel, together commonly referred to as the Broadway Bridge Site, in the River District and Downtown Waterfront Tax Increment Finance Districts, respectively (see an Aerial Map in Attachment A). A portion of the Broadway Bridge Site is currently used by the City of Portland, Office of Management and Finance for use as a houseless Navigation Center.

STRATEGIC ALIGNMENT AND OUTCOMES

The Broadway Bridge Site has been mostly vacant since acquisition in 1987, with occasional temporary uses for film production base camp, and construction-related parking. Due to the property's vacancy in the past, access onto the lot to access the Broadway Bridge was without hardship to Multnomah County. However, a portion of the site is currently being used by the City of Portland, Office of Management and Finance for the Navigation Center. As Prosper Portland continues to make available the Broadway Bridge Site to the City of Portland and to discuss future development plans with the Portland Housing Bureau for affordable housing, Multnomah County requested a recorded easement to ensure it has adequate future access and the means to maintain and operate the Broadway Bridge, located above the Broadway Bridge Site.

BACKGROUND AND CONTEXT

The Broadway Bridge Site was acquired in 1987 as part of the 12th Amendment of the Downtown Waterfront Urban Renewal Plan for redevelopment of 31-acres in the River District and Downtown Waterfront TIF Districts. While at one time the property was under a memorandum of understanding for development of market rate housing, that project was deemed infeasible and did not move forward.

There have been no major uses on either lot until February 2019 when Prosper Portland leased the site to the City of Portland Office of Management and Finance to operate the Navigation Center serving individuals experiencing houselessness.

EQUITY IMPACT

The Broadway Bridge is a major transportation hub for travel across the Willamette River for bus, streetcar, automobile, bicycle, and pedestrian traffic. Multhomah County maintains the Broadway Bridge to ensure equitable access to all Portlanders, and access is necessary to continue providing regular maintenance and inspections. The easement has been determined to be unlikely to negatively affect the possible future use of the Broadway Bridge Site for affordable housing.

COMMUNITY PARTICIPATION AND FEEDBACK

Staff did not conduct community participation specific to this action.

BUDGET AND FINANCIAL INFORMATION

There are no budgetary impacts related to this action, as the Access Easement is being provided at no cost to Multhomah County, which is responsible for all bridge maintenance and operations expenses.

RISK ASSESSMENT

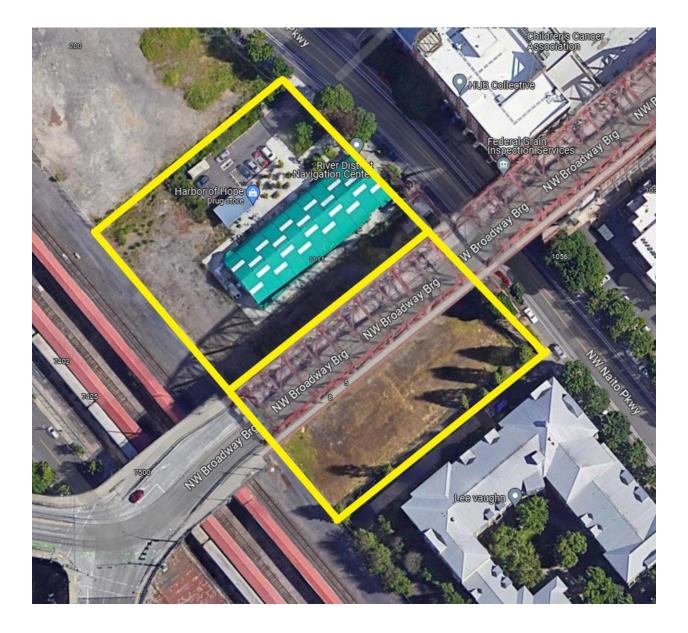

There is no risk associated with this action, as there is already a no-building requirement under the bridge. Longer term, both Prosper Portland and Portland Housing Bureau are aware of the need for a setback to accommodate Multhomah County's easement as part of future development.
