REGULAR AGENDA

7. Action Item: Resolution 7630 - Accepting and Approving the Annual Comprehensive Financial Report for Fiscal Year 2024-25, Accepting the Communication with Those Charged with Governance, and Adopting a Corrective Plan of Action

Presenting this item:

Simone Rede, Auditor, City of Portland

Keith Simovic, Principal, Baker Tilley

Tony Barnes, Chief Financial Officer, Prosper Portland

With this action, the Board accepted and approved Prosper Portland's audited financial statements, prepared in accordance with governmental accounting standards.

Independent auditors (Baker Tilly) issued an unmodified/clean opinion, concluding the financial statements fairly present Prosper Portland's financial position.

The Board formally received the auditors' required governance letter summarizing audit scope, timing, results, and required disclosures.

A material weakness was noted related to the calculation and recording of the pollution remediation liability, resulting in a \$32.4 million audit adjustment (non-cash, estimate-based).

Auditors reported no instances of noncompliance with Oregon municipal standards, no scope limitations, no disagreements with management, and no opinion shopping.

The Board adopted a formal corrective action plan to strengthen controls over pollution liability estimates, including enhanced documentation, external review, cross-team coordination, and CFO sign-off.

Prosper Portland received (for the 37th year) the GFOA Certificate of Achievement for Excellence in Financial Reporting and resubmitted the current ACFR for review.

Chair Cruz called for a motion to approve Resolution No. 7630, Commissioner Alvarez moved, and Commissioner Stoudamire Wesley seconded the motion.

8. Action Item: Resolution 7631 - Adopting Budget Amendment No. 1 for the Fiscal Year Beginning July 1, 2025, and Ending June 30, 2026; and Making Appropriations

Prosper Portland staff presenting this item:

Tony Barnes, Chief Financial Officer

Courtney Cohn, Interim Principal Budget Analyst

The Board approved the first major budget revision for FY 2025–26, as required by law for changes that increase appropriations by fund.

The amendment recognized audited FY 2024–25 ending fund balances and appropriated those amounts into FY 2025–26, including housing set-aside funds and action plan commitments.

Program income and commitments were transferred from terminated or sunsetting TIF districts to new districts to consolidate spending and close old funds for financial reporting purposes (approximately \$30 million in resources and \$24 million in reappropriated expenditures).

Adjustments reflected lower-than-expected or delayed TIF revenues in most new districts due to certified frozen base variances, centrally assessed property valuation timing, and declining central city property values; one district (82nd Avenue) showed higher-than-expected first-year value.

Approximately \$1.4 million in prior-year savings was transferred to support ongoing action planning in new TIF districts during FY 2025–26.

\$1.2 million in one-time administrative carryover was approved to fund operational needs, including increased City overhead charges and implementation of a CRM system, avoiding increases to overhead rates.

Staff noted continued uncertainty around commercial property values and centrally assessed property data, with clearer projections expected in summer 2026.

Chair Cruz called for a motion to adopt Resolution No. 7631 approving Budget Amendment No. 1 for FY 2025–26. Commissioner Alvarez moved, and Commissioner Stoudamire Wesley seconded the motion.

AYES: Alvarez, Cruz, Stoudamire Wesley
