For the
Foster-Woodstock Streetscape Enhancement Project: Construction Phase(s)

This Intergovernmental Agreement (this “Agreement”), dated this ____ day of ____________, 20__, (“Effective Date”) is made and entered into by and between the City of Portland, Bureau of Transportation (the “Bureau” or “PBOT”) and the Portland Development Commission (“PDC”).

RECITALS

1. PDC, as the duly-designated Urban Renewal agency of the City of Portland, is granted broad powers under ORS 457.170 for the planning and implementation of urban renewal projects.

2. The Bureau is responsible for transportation operations and improvements within the City public rights of way.

3. A cooperative partnership between PDC and the Bureau will be beneficial to the implementation of urban renewal plans and the development of other public policies, plans and capital projects.

4. Both parties desire to enter into an agreement that will establish terms and conditions by which one party will engage and compensate the other party for performing specific services.

Now therefore, the parties agree as follows:
AGREEMENT

I. The Project
   A. Background

1. In 1999, Council adopted the Lents Town Center Business District Transportation Plan (the “Plan”) which was developed in partnership between the Bureau, PDC, the Lents Town Center Urban Renewal Advisory Committee and the Lents Town Center Business District Transportation Plan Citizen Advisory Committee. The Plan identifies transportation system improvements that support the Plan’s goal of revitalizing the area.

2. In 2006, PBOT and PDC collaborated on an application to METRO for Metropolitan Transportation Improvement Program (“MTIP”) funding to implement the Plan.

3. In March 2007, PBOT was notified of funding award for $1,900,000 to construct the Foster-Woodstock Streetscape Enhancement Project (the “Project”), to implement the Plan.

4. In September 2008, PDC approved an IGA (#508013) to PBOT for project matching fund requirements of $200,000.

5. After extensive public input to define project area priorities, the PDC Board approved amending the IGA increasing it to $1,815,000 for pre-design, design, and engineering work with the recognition of additional funding of approximately $787,000 for non-MTIP participatory construction costs, based on PBOT’s cost estimate. The $1.9M MTIP grant would be maximized for all MTIP-participatory construction costs.

6. Included in the IGA were funds to acquire a critical parcel necessary for aligning SE 91st Avenue for increased pedestrian safety and improved vehicular movement.

7. Design and engineering for the Project is expected to be complete March 2012 with the Bid and Award phase of the Project, coordinated by the Bureau, to begin April 2012 with a projected completion date of December 2012.

8. The total estimated cost for the construction of the Project is $2,514,044.00. Funding sources include PDC and MTIP. PDC’s total contribution to this Project is approximately $2,617,740.00 ($1,815,000 for design and engineering and $797,640.00 for construction).

9. Construction of the Project by the Bureau requires right-of-way dedications and a Temporary Construction Easement (“TCE”) for certain PDC-owned property in the Project area from PDC. Accordingly, the parties shall enter into that certain Deed for Right-of-Way Purposes of even date herewith and that certain Temporary Construction Easement of even date herewith (collectively, the “ROW Documents”).

10. The Bureau shall manage the construction contract according to City standards, except as provided herein and keep PDC informed of significant construction issues associated with the property identified in the ROW Documents.
Documents. The Bureau anticipates the Project to be substantially complete by December 2012.

II. This Agreement is the final Construction Phase of the Project. No future phases and/or additional work are anticipated.

B. Summary of Work and Budget

1. The following is a summary of the scope of work:

Payments to RACC will be calculated based on the Eligible Costs of an Improvement Project and will be made according to one of three options: payment in full upon signing of this Agreement; payment in full upon issuance of the construction contract; or installation payments upon signing of this Agreement and the construction contract. The parties elect to make a payment in full upon issuance of the construction contract. The RACC amount listed in Exhibit A is an estimate for budget purposes. The Business Equity Program of PDC’s Business and Workforce Equity Policy (the “Policy”) shall apply if the Project is anticipated to have hard construction costs greater than $200,000 and PDC’s compensation under this Agreement is more than $100,000. If the Business Equity Program applies, PDC’s utilization goal for Emerging Small Businesses and Women and Minority owned-businesses (collectively, “M/W/ESBs”) is twenty percent (20%) of the hard construction costs (“PDC’s Goal”) of the Project (the “Utilization Goal”). The Workforce Equity Program of the Policy shall apply if the Project is anticipated to have hard construction costs greater than $200,000. If the Workforce Equity Program applies, all subcontracts greater than $100,000 must comply with the Policy’s Workforce Training and Hiring Program to, among other things, ensure that a minimum of twenty percent (20%) of labor hours in each apprenticeable trade performed by the contractor and subcontractors on the Project are worked by state-registered apprentices and to work toward achieving certain Workforce Goals, as such terms and requirements are further described in the Policy attached hereto as Exhibit B. The Utilization and Workforce Goals described in the Policy are aspirational only. There will be no legal consequence, including but not limited to termination, damages or liquidated damages, on account of the Performing Agency's failure to realize the goals described in the Policy. Nothing in this
Agreement shall require the Performing Agency to discriminate in the award of contracts on the basis of race, sex or other impermissible criterion, or otherwise to violate the law. If the Policy applies, the Bureau shall contact the PDC Contracts Coordinator to obtain the Business Equity Program Specifications and the Workforce Equity Program Specifications that outline the procedural requirements of the respective programs, including the information on utilization will be included in monthly Project Status Reports, as described in Section II.I.4 above.

P. Special Contract Management Provisions

B. The funding is from Lents Town Center URA.

C. The full amount of funds is not authorized in the current fiscal year’s budget. If the Project funding spans multiple fiscal years, the PDC will encumber the funds as the funds are approved through budget appropriation. All funding is subject to budget appropriation. If the full amount of funds is not authorized in the current fiscal year’s budget, it is acknowledged that contract amounts identified for expenditure in future fiscal years have not been appropriated in the current year budget. If funding has been identified in the Portland Development Commission Five-Year Budget Forecast, PDC staff agrees to recommend to the PDC Budget Workgroup that the funds identified in the Five-Year Budget Forecast be appropriated in subsequent budgets.

D. An additional $1,930,000 is provided through federal funding program (MTIP) for the Project as a whole (approximately $213,596 for soft costs and $1,716,404 hard costs).

E. PDC funds shall only be expended on Tax Increment Financing eligible uses, for example, planning for improvements, design and engineering for improvements, and construction of improvements. Costs for operations, maintenance, and moving transit stock are not typically eligible for Tax Increment Financing.

F. The Performing Agency may seek reimbursement from the Funding Agency for the following costs, subject to the expenditure of these funds for performance of the Work and within the authorized budget. In certain circumstances, such as advance payment to RACC, the Funding Agency Project Manager may authorize a prepayment of future expense obligations.
   1. Direct Costs

b) Benefit Costs. Covers reimbursement for the fully loaded benefit costs associated with direct wages, which represents the actual benefit load attributable to the respective employees.

c) Materials & Services. Covers actual costs for the purchase of materials, supplies, and services, or reimbursement of incidental expenses and the Bureau or PDC support staff personal services where the expenditure is for performance of the Work and within the authorized budget.

d) Contracted Services. Covers reimbursement for contracted professional or construction services in carrying out the Work and within the authorized budget.

2. Indirect Costs. Covers reimbursement for overhead costs at the rate established annually, for the Bureau in accordance with City Code Section 5.48 and for PDC in accordance with Cost Recovery Policy through Resolution 6560.

   a) This Agreement was originated in Fiscal Year 2011-12. For that Fiscal Year, the Bureau’s rate is 71.56% (Seventy-One and Fifty-Six One Hundredths Percent) of Personal Services and Benefit Costs. The Bureau Indirect costs pay for generally fixed costs related to the administration and operation, as well as program management costs including Council charges, executive management staff, rent, telephone, power, insurance, office supplies, and equipment.

   b) If this Agreement extends to a new Fiscal Year, the Performing Agency Contract Manager shall provide written notification to the Funding Agency Contract Manager of the new Fiscal Year rate.

3. The Funding Agency Project Manager shall be immediately notified of any actual or anticipated variance between the authorized budget and the estimated cost or expenditures described in the Scope of Work and Budget. The parties shall then make a good faith effort to negotiate for a successful modification to this Agreement. Unless this Agreement is modified, the Funding Agency shall not be obligated to make payments for costs that exceed the authorized budget.

G. Expense Costs. Expenses, including personal services, incurred for out of town travel, training, educational expenses and equipment purchase are not reimbursable under this Agreement unless mutually agreed to in advance.

H. Change Management Controlled by Performing Agency. “Change management” is the process by which the impact of changes is controlled or mitigated and alterations are evaluated, approved, and incorporated into the Scope of Work and Budget. It is required that funds for change management be identified in the Scope of Work and Budget. These funds are intended to be used to accommodate such changes within
the specific task or fiscal year. The funds shall be managed by the Performing Agency, which shall notify the project manager and contract manager of the Funding Agency in writing of their use.

I. Contingency Controlled by Funding Agency. It is required that an amount for project contingency be identified in the Scope of Work and Budget. Communications regarding events that may lead to the usage of the contingency are described in Section V. B. Use of all or part of the contingency must be approved in writing by the Funding Agency, including underlying change orders.

IV. BILLING AND PAYMENT PROCEDURE

A. The Performing Agency shall submit to the Funding Agency Project Manager a separate itemized billing for work performed as described in the Scope of Work and Budget for review and approval at least quarterly.

1. In order to receive timely payment, interim billings must be received no later than thirty (30) days following the end of a billing period.

2. Final billings upon termination or early termination of this Agreement need to be received within sixty (60) days of the date of termination. If no bill or interim Project Status Report is received within this time period, the Funding Agency will have no obligation to honor late billings.

B. Each billing shall include a Billing Detail Report in a format created and/or approved by the Funding Agency. At a minimum, each billing shall include:

1. a description of the nature and cost of work accomplished;
2. the names, rates and hours worked of personnel;
3. disbursements to consultants, contractors and outside vendors for materials and services; and
4. any other specific detail or documentation as desired by the Funding Agency Contract Manager, which can be reasonably provided by the Performing Agency.

C. If billings are received with incomplete information or disputed items, the Funding Agency will advise the Performing Agency in writing what specific information is missing or disputed. The Funding Agency will proceed to process payment for items not in dispute.

V. GENERAL

A. Termination.

1. The Termination Date of this Agreement is August 30, 2013.

2. Early Termination of Agreement.
a) This Agreement may be terminated at any time by mutual written consent.

b) Upon thirty (30) days written notice, either party may terminate this Agreement where the public interest requires work to cease.

c) In the event of early termination of this Agreement, the work shall cease promptly and a final billing request submitted within sixty (60) days of the effective date of termination. In the event of early termination, eligible costs incurred through the date of the Agreement’s termination will be reimbursed.

B. Change and Conflict Resolution.

1. Every effort has been made to accurately identify the scope, schedule and budget for the Work. The Performing Agency and the Funding Agency recognize that events and conditions may arise that significantly impact the Project. A “significant” impact is one that may require expenditure of the Funding Agency controlled contingency, increase the budget beyond the total authorized budget amount shown in the Scope of Work and Budget, or delay completion of this phase of the Project more than one year. Should either party identify or foresee such a circumstance, both parties agree to the following:

a) As soon as practicable, notify both the project manager and contract manager of the other party in writing of the circumstance, its origin and anticipated or confirmed impact.

b) Both project managers shall make reasonable efforts to meet within 14 days to identify anticipated or confirmed affects to the Project’s scope, schedule and budget.

c) Both parties shall seek to reach agreement on any necessary revisions to this IGA as described below in Section V. B. 2.

2. If a dispute arises regarding performance, cost, schedule, scope, quality or other terms and conditions of this Agreement, all parties agree to exercise good faith in expeditiously resolving said conflict in the following manner.

a) All conflicts should first be discussed and resolved if at all possible by the project managers specified in Section II.

b) If the conflict cannot be resolved by the project managers, or involves one of the project managers, then the conflict should be elevated to the contract managers specified in Section II for discussion and resolution.

c) Any conflicts not resolved by the contract managers shall be elevated to the contract signatories for discussion and resolution.

C. Compliance with Laws. In connection with its activities under this Agreement, the parties shall comply with all applicable federal, state and local laws and regulations.

D. Indemnification.
Subject to the limits of the Oregon Tort Claims Act and Oregon Constitution, City agrees to indemnify, hold harmless and defend, PDC, its directors, officers, employees and agents from and against all claims, suits, actions of whatsoever nature, damages or losses, and all expenses and costs incidental to the investigation and defense thereof including reasonable attorneys fees, resulting from or arising out of the activities of City, its officers, employees or agents under this Agreement.

Subject to the limits of the Oregon Tort Claims Act and Oregon Constitution, PDC agrees to indemnify, hold harmless and defend, City, its officers, employees and agents from and against all claims, suits, actions of whatsoever nature, damages or losses, and all expenses and costs incidental to the investigation and defense thereof including reasonable attorneys fees, resulting from or arising out of the activities of PDC, its directors, employees or agents under this Agreement.

E. Subcontracting. Work under this Agreement shall not be subcontracted in whole or in part to other than City agencies, without the prior written approval of the Funding Agency Project Manager. The Funding Agency will not unreasonably delay or withhold subsequent authorization for contractors identified by the Performing Agency to perform the Work under the Agreement, and its failure to notify the Performing Agency in writing of denial of authorization within 10 business days after the Funding Agency Project Manager's receipt of a written request for authorization from the Performing Agency shall be deemed as authorizing those identified contractors to perform the Work. The Performing Agency shall require any approved subcontractor to agree, as to the portion subcontracted, to fulfill all obligations of the Performing Agency as specified in this Agreement. Notwithstanding approval by the Funding Agency Project Manager of a subcontractor, the Performing Agency shall remain obligated for full performance hereunder, and the Funding Agency shall incur no obligation to the subcontractor hereunder. The Performing Agency shall have the sole authority to direct the work of any authorized and approved subcontractors.

F. Ownership of Work Product.

Ownership of any and all plan sets, technical data, documents, plans, designs, drawings, technical data reports, specifications, working papers and other materials produced in connection with this Agreement (the “Work Product”) will be handled as described below. Ownership of the Work Product includes all rights, title and interest, including but not limited to copyright rights of specified Work Products. Notwithstanding anything to the contrary contained herein, the parties acknowledge that section 17.24.085 of the City Code may require that all or part of the Work Product will become the property of the City and be transferred to the City Engineer upon completion of the Project.

1. Except as described in paragraph 2 below, the Performing Agency shall own all Work Product.

2. If the parties determine that the Performing Agency is unable or unwilling to complete the Project, and the Funding Agency determines that a transfer of
ownership of the Work Product is necessary in order to effect completion of
the Project, upon the Funding Agency’s written request the Performing
Agency shall assign ownership of the Work Product to the Funding Agency.

3. Regardless of ownership of the Work Product, both parties shall have
reasonable access to the Work Product.

G. Delivery / Maintenance of Records. The Performing Agency shall maintain records
on a current basis to support its billings to the Funding Agency. The Funding Agency
or its authorized representative shall have the authority to inspect, audit and copy, on
reasonable notice and from time to time, any records of the Performing Agency
regarding its billings or its work hereunder, for a period of 3 years after completion or
termination of this Agreement.

H. Funding Acknowledgement / Signage.

1. Any oral reports made to neighborhood, business, or other civic organizations,
as well as to any members of the press shall acknowledge work being done is
based on a partnership between the Bureau and the Portland Development
Commission and, if appropriate, financed by “the Lents Town Center Urban
Renewal Project”.

2. For projects involving construction activities funded by PDC, the Bureau shall
display a sign near the construction site and readily visible to the public,
specifying that the Project is being "funded by the Portland Development
Commission’s Lents Town Center Urban Renewal Project". The sign shall
remain in place until construction is complete.

VI. Amendments

1. Except as otherwise provided for in this Agreement, the Bureau or PDC may
amend this Agreement only in writing signed by the contract signatories.

2. Changes to the Scope of Work and Budget:

   a) Changes to the Scope of Work and Budget, including changes to scope,
schedule, and budget identified in Section I, which do not increase the
total compensation under this Agreement, may be made upon written
agreement by the project managers identified in Section II of this
Agreement.

   b) Changes will not take effect or be binding on either party until agreed to in
writing.

VII. Merger Clause

This Agreement contains the entire agreement between PDC and the Bureau. It
supersedes all prior written or oral discussions or agreements concerning work to be
performed by either party.
IN WITNESS WHEREOF, the Bureau and PDC have executed this Agreement as of the Effective Date.

RESOLUTION NO. 6787
ADOPTING AN AMENDED BUSINESS AND WORKFORCE EQUITY POLICY

WHEREAS, the PDC Board of Commissioners (the "Board") adopted the Business and Workforce Equity Policy (the "Policy") on February 27, 2008 (Resolution No. 6561), with the objective of ensuring fair and equitable opportunities to Portland's diverse populations, promoting prosperity in all segments of Portland's diverse communities, fostering economic growth, and expanding competition in the market;

WHEREAS, the Policy was subsequently amended on January 29, 2009 (Resolution 6667) to add language from the Construction Wage Policy and incorporate workforce goals recommended by the Workforce Diversity Strategy Committee;

WHEREAS, the Policy objectives are pursued through the establishment of two separate and distinct programs: (1) the Business Equity Program (formerly the Good Faith Effort Program); (2) the Workforce Equity Program (principally, the Workforce Training and Hiring Program);

WHEREAS, it has subsequently been determined that small businesses are often negatively impacted by late payment on invoices and the addition of a "Prompt Payment" requirement to the Policy would be beneficial for small businesses;

WHEREAS, the applicability of the Workforce Equity Program for Intergovernmental Agreements ("IGAs") and a definition for IGAs was inadvertently left out of the Policy and should be added;

WHEREAS, to better facilitate implementation, the majority of the requirements established in the Project Apprenticeship and Equity Agreement ("PAEA") outlined in the Policy will be incorporated into the guidelines that will be distributed to developers and contractors and, therefore, the PAEA section should be removed from the Policy;

NOW, THEREFORE, BE IT RESOLVED that the Board hereby adopts an amended Business and Workforce Equity Policy, in the form attached hereto as Exhibit A; and

BE IT FURTHER RESOLVED that this Resolution shall become effective immediately after its adoption.
A. OBJECTIVES OF THE POLICY

The objective of the Business and Workforce Equity Policy (the "Policy") is to:

- Ensure that the Portland Development Commission's ("PDC's") work provides professional, supplier and construction contracting opportunities to small businesses that have been historically under utilized including businesses owned by People of Color, Women and Emerging Small Businesses (collectively, "M/W/ESBs") and to encourage the participation of businesses owned by veterans on Direct Contracting, Land Transactions and on work utilizing PDC Resources including Interagency and Intergovernmental Agreements; and

- Maximize apprenticeship opportunities in the construction trades and ensure employment opportunities for People of Color and Women and encourage the employment of people with disabilities and veterans on Direct Contracting, Land Transactions and on work utilizing PDC Resources.

In this way, it is PDC's aim to ensure fair and equitable opportunities to Portland's diverse populations, promote prosperity in all segments of Portland's diverse communities, foster economic growth, and expand competition in the market.

The Policy replaces the existing policy adopted by the Board on December 18, 1997 (Resolution No. 5066) that authorized implementation of the Disparity Study Implementation Plan and policies concerning fair contracting and workforce training, including the Good Faith Effort Program and Workforce Training and Hiring Program.

The Policy objectives are pursued through the establishment of two separate and distinct programs.

- The Business Equity Program; and
- The Workforce Equity Program.

C. THE BUSINESS EQUITY PROGRAM

1. Purpose of the Business Equity Program. To ensure PDC provides professional, supplier and construction contracting opportunities to Certified Firms and to encourage the participation of businesses owned by veterans on Direct Contracting, Land Transactions and on work utilizing PDC Resources.

2. Applicability. Direct Contracting entities, entities involved in a Land Transaction or entities receiving PDC Resources shall be obligated to comply with the Business Equity Program, upon meeting any one of the following criteria:

If PDC defers to the other agency's program, utilization reports shall be provided to PDC by the other agency on a monthly basis.

3. Utilization Goals for Certified Firms. The following Utilization Goals are established upon the initial adoption of the Policy. The Executive Director is responsible thereafter for annually reviewing the Utilization Goals, and is authorized to modify them based on such annual analysis:
   a) Personal Services Contracts: 25 percent of the payments made under such contracts;
   b) PDC-Owned Construction Contracts: 20 percent of Hard Construction Costs;
   c) PDC Sponsored Projects: 20 percent of Hard Construction Costs for residential low-rise construction and 20 percent of the Hard Construction Costs for commercial high-rise construction as calculated by an analysis of availability and capacity of Certified Firms for the specific project;
d) Interagency and Intergovernmental Agreements: The PDC program shall apply. However, PDC may defer to the other agency’s program if their program is similar to PDC’s program, with monthly reporting provided to PDC, and

e) Flexible Service Contracts:
   (i) 30 percent of the total number of contracts in any fiscal year; AND
   (ii) 25 percent of the payments made under such contracts.

4. Notice and Timing. 5. Prompt Payment. The Contractor and/or Developer shall pay all subcontractors and suppliers within ten calendar days after receiving payment from PDC on all PDC-owned and sponsored construction projects.

Q. THE PDC WORKFORCE EQUITY PROGRAM

       (ii) Any subcontract greater than $100,000.

   b) The Executive Director or the Executive Director’s designee may defer to the other agency’s program if its program is similar to PDC’s program. If PDC defers to the other agency’s program, utilization reports shall be provided to PDC by the other agency on a monthly basis.

   b) On a PDC Sponsored Project the Workforce Equity Program shall apply if the project receives $300,000 or more of PDC Resources to finance a project with a Hard Construction Cost greater than $1,000,000 and shall apply to:
(i) The prime contract; and

(ii) Any subcontract greater than $100,000.

3. Requirements.

a) Projects subject to the Workforce Equity Program shall:

E. Equal Employment Opportunity Certification. Contractors and subcontractors subject to the Policy must be certified by the City of Portland as an Equal Employment Opportunity Employer.
