PUBLIC PARTICIPATION AND FEEDBACK

The public is continually advised of the opportunity to serve on a URAC, and encouraged to apply for appointment.

COMPLIANCE WITH ADOPTED PLANS AND POLICIES

This action complies with the URAC Policy as revised by the Board of Commissioners on July 9, 2008 (Resolution No. 6614) that requires the Board to identify and appoint regular at-Large resident and business members to URACs that the Board has created.

This action complies with and helps implement the Public Participation Policy adopted by the Board on June 22, 2005 (Resolution No. 6266) which established that “public participation is required and will be an integral component of project schedules, budgets, and board decision-making processes for developing and implementing urban renewal area plans and implementing urban renewal projects.”

FINANCIAL IMPACT

There is no significant financial impact as a result of this action.

RISK ASSESSMENT

There are no significant legal, financial or operational risks resulting from this action.

WORK LOAD IMPACT

The major workload associated with the appointment of new URAC members is communicating the decisions to the URAC and providing new members with an orientation session and related material specific to their URACs. These activities are coordinated by Public Participation staff, and included in existing work plans.

ALTERNATIVE ACTIONS

Per Board established policy, there is no alternative process for creating this position and making this appointment.

CONCURRENCE

The FABA through its Chair, Ms. April Courtney, nominated Mr. Richardson to fill the FABA representative seat in the LTC URAC, which is open due to the previous holder’s appointment vacation.

BACKGROUND

On September 14, 2005, the Board adopted Resolution No. 6293 which established a formal policy regarding the composition and operations of URACs. This policy was adopted in response to the Board’s desire to ensure consistency in the procedures for creating and operating URACs and to emphasize the agency’s commitment to public participation and involvement. This Policy was most recently revised by the Board on July 9, 2008 (Resolution No. 6614).

Pursuant to that Policy, the Board has established the following URACs:

1. Lents Town Center
2. Central Eastside
3. Interstate Corridor
4. Gateway Regional Center
5. Oregon Convention Center
6. North Macadam
7. River District

The Board retains sole authority to establish, recompose or disband a URAC. Among the elements under the discretion of the Board is the identification of URAC organization members and their representatives.

Mr. Richardson resigned on March 15, 2011, from his previous position on the LTC URAC as an At-Large Business Representative. At present there is one open seat for the FABA on the LTC URAC.
