PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (this "Agreement") is made and entered into this 12th day of November 2008 (the "Effective Date"), by and between the Tri-County Metropolitan Transportation District of Oregon, a mass transit district of the State of Oregon ("Seller" or "TriMet") and the CITY OF PORTLAND, a municipal corporation of the State of Oregon, acting by and through the PORTLAND DEVELOPMENT COMMISSION, the duly designated urban renewal agency of the City of Portland ("Buyer" or "PDC"). PDC and TriMet may be referred to jointly in this Agreement as the “Parties” and individually as a “Party.”

RECITALS

A. In furtherance of the objectives of Oregon Revised Statutes, Chapter 457, and Chapter XV of the Charter of the City of Portland, PDC has undertaken a program for the development and redevelopment of blighted areas in the City and in connection therewith prepared and approved an Urban Renewal Plan for the Interstate Corridor Urban Renewal Area (the “URA”), which was approved by the City Council of the City on August 23, 2000 (as amended from time to time, the “Urban Renewal Plan”);

B. TriMet is the owner of certain real property located at the northwest corner of NE Interstate Ave. and N. Church Ave. in the URA as more particularly described in Exhibit A attached hereto (the “Parcel”);

C. PDC has found it necessary and in the public interest to implement the Urban Renewal Plan by acquiring a portion of the Parcel in order to maximize the development potential of the PDC funded project planned on the adjacent PDC-owned parcels which will serve as a catalyst for further redevelopment in the URA;

D. Therefore, PDC desires to purchase from TriMet and TriMet desires to sell to PDC, a portion of the Parcel, together with any and all rights appurtenant thereto, as more particularly described in Exhibit B attached hereto (the “Property”);

E. PDC finds that the fulfillment, generally, of this Agreement, and the intentions set forth herein, are in the vital and best interest of the City and the health, safety, and welfare of its residents, and are in accord with the public purposes and provisions of the applicable state and federal laws and requirements under which the Urban Renewal Plan was adopted; and

F. Accordingly, the Parties desire to enter into this Agreement setting forth the terms and conditions under which PDC will acquire the Property.

NOW, THEREFORE, for and in consideration of the premises set forth above and the conditions, covenants and agreements set forth below, the Parties hereby agree as follows:
AGREEMENT

1. **Purchase and Sale.** Seller agrees to sell and convey to Buyer and Buyer agrees to purchase from the Seller the Property upon the terms and conditions set forth in this Agreement.

2. **Purchase Price.** Buyer agrees to pay to Seller the total sum of THIRTY-FIVE THOUSAND TWO HUNDRED FORTY-FOUR DOLLARS ($35,244.00) (the “Purchase Price”) for the Property.

3. **Conveyance of Title.** Seller shall convey title to the Property by Bargain and Sale Deed in the form attached hereto as Exhibit C (the “Deed”).

4. **Closing.** This transaction contemplated by this Agreement shall close in escrow at the Portland offices of Security Title Guaranty Company on or before December 1, 2008 (the "Closing Date" or "Closing") unless otherwise agreed in writing by the Parties. In the event that this escrow agent cannot, or refuses to, handle this transaction, the Parties shall appoint an escrow company mutually satisfactory to the Parties, which is licensed in the State of Oregon. The Parties agree to execute the necessary escrow instructions to allow the escrow agent to close this transaction in accordance with the terms of this Agreement. Closing shall be effectuated upon satisfaction or waiver of all conditions precedent and delivery by Seller of all documents required herein, including the Deed.

5. **Conditions Precedent to Closing.**

These conditions are intended solely for Buyer's benefit and Buyer shall have the sole right and discretion to waive, by written notice, any of the conditions. In the event any condition is not satisfied or waived on or before Closing, or other date as set forth herein, Buyer shall have the right to terminate this Agreement.

Title insurance shall be subject only to the standard exceptions of such policy, current taxes not yet delinquent and the Permitted Exceptions, as hereinafter defined. Buyer shall have the right, if Buyer so elects, to cause the title policy to be issued as an ALTA extended coverage policy, provided Buyer pays the additional premiums and survey costs associated therewith.
5.1.2 Preliminary Title Report. Within five (5) days of the Effective Date, Seller, at Buyer’s expense, shall cause the Title Company to deliver to Buyer a Preliminary Title Report covering the Property, together with legible copies of all plats and exceptions to title referenced in the Preliminary Title Report. Within five (5) days of its receipt of the Preliminary Title Report, Buyer shall give written notice to Seller of the exceptions that Buyer shall require Seller to remove of record at or before Closing (the “Unacceptable Exceptions”). Exceptions to which Buyer makes no objection are deemed “Permitted Exceptions”. Seller shall thereafter have ten (10) days to use its best efforts to remove such Unacceptable Exceptions at Seller's sole cost or inform Buyer in writing that it is unable to remove any such exception. All new exceptions appearing on subsequent title reports shall be considered unacceptable, unless accepted in writing by Buyer. If for any reason Seller cannot remove any of the Unacceptable Exceptions before Closing, then Buyer may elect to either:

5.1.2.1 accept title to the Property subject to such exceptions;

5.1.2.2 waive its objection in writing to Seller and elect to have any monetary lien or encumbrance removed at Closing to the extent that it can be satisfied and removed by application of all or a portion of the Purchase Price payable to Seller at Closing; or

5.1.2.3 refuse to accept the Property and terminate this Agreement.

5.1.3 Representations, Warranties, and Covenants of Seller. 5.1.7 Taxes. Seller agrees that any taxes, assessments and encumbrances that will be a lien against the Property at Closing, whether or not those charges would constitute a lien against the Property at settlement, shall be satisfied of record by Seller. If Seller shall fail to do so, Buyer may pay any such tax, assessment, encumbrance or other charge and deduct an amount equal to any such payment from the Purchase Price of the Property. Regular real
property taxes payable during the year in which Closing occurs and any rents or income applicable to the Property shall be prorated as of Closing.

5.2 Failure of Conditions to Closing. In the event any of the conditions set forth in Section 5.1 are not timely satisfied or waived, for a reason other than the default of Buyer or the Seller, this Agreement, and the rights and obligations of Buyer and Seller, shall terminate.

5.3 Prorates. Except as otherwise provided herein, all items to be prorated, including rents, operating expenses, revenues, and other income, if any, shall be prorated as of the Closing Date. For the purpose of calculating prorations, the Buyer shall be deemed to be entitled to the Property and, therefore, entitled to the income and responsibility for the expenses for the entire day following the Closing Date.

6. Deliveries at Closing.

6.1 By Seller. On or before the Closing Date, the Seller shall deliver the following to Buyer.

Buyer shall pay any and all costs associated with its request for the title policy to be issued as an ALTA extended coverage policy. Buyer and the Seller shall each pay its own legal and professional fees of other consultants incurred by Buyer and Seller, respectively. Buyer shall pay all escrow fees. Buyer shall pay all other costs and expenses.

9. Seller's Representations and Warranties. After reasonable inquiry and to the best of Seller’s knowledge, Seller hereby warrants and represents to Buyer the following matters, and acknowledges that they are material inducements to Buyer to enter into this Agreement.

9.1 Representation Regarding Seller's Authority.
9.1.1 Seller has the legal power, right, and authority to enter into this Agreement and the instruments referred to herein and to consummate the transactions contemplated herein.

9.1.2 All requisite action (corporate, trust, partnership, membership or otherwise) has been taken by Seller in connection with entering into this Agreement, the instruments referred to herein, and the consummation of the transactions contemplated herein. No further consent of any partner, shareholder, creditor, investor, judicial or administrative body, governmental authority or other party is required.

Seller has not sold, transferred, conveyed, or entered into any agreement regarding timber rights, mineral rights, water rights, "air rights," or any other development or other rights or restrictions relating to the Property, and to Seller's knowledge, no such rights encumber the Property, and will not, through Closing. This Paragraph in no way limits Seller’s ownership interest in the remainder of the Parcel not conveyed to Buyer, or its ability to transfer its interest or a portion thereof in such remaining Parcel.

9.3.1 Intended public improvements or private rights, which will result in the creation of any liens upon the Property or any portion thereof.

9.4 Changed Conditions. If Seller discovers any information or facts that would materially change the foregoing warranties and representations, Seller shall immediately give notice to Buyer of those facts and information. If any of the foregoing warranties and representations ceases to be true before Closing, Seller shall work with the Buyer using commercially reasonable efforts to remedy the problem prior to Closing. If the problem is not remedied before Closing, Buyer may elect to either: 1) terminate this Agreement in which case Buyer shall have no obligation to purchase the Property and any payments shall be refunded to Buyer; or 2) defer the Closing Date for a period not to exceed thirty (30) days or until such problem has been remedied, whichever occurs first.

10. Condition of Property. Buyer acknowledges and agrees that Buyer will be concluding the purchase of the Property based upon Buyer's inspection and investigation of the Property, and is purchasing the Property subject to the representations and warranties set forth herein. Buyer specifically acknowledges that Seller makes no representations or warranties regarding environmental matters. No part of this Section 10 shall, however, be deemed to invalidate or waive any claim or rights of contribution that may arise under environmental laws.

11. Seller's Representations, Warranties and Covenants Regarding the Property through Closing. Seller further represents, warrants, and covenants that, until this transaction is closed or terminated, whichever comes earlier, it shall:

11.1 Maintain the Property in its present state, with no alteration of the Property in any way; and

11.2 Comply with all government regulations.

12. General Representation. Seller's representations and warranties contained herein are true and accurate, and are not misleading. Seller's representations and warranties contained herein shall be continuing and shall be true and correct as of the Closing Date with the same force and effect as if remade by Seller in a separate certificate at the time.

18.1 **Default by the Seller.** In the event Closing and the consummation of the transaction herein contemplated do not occur by reason of any default by Seller, Buyer shall be entitled to the refund of the Purchase Price, and shall be entitled to seek specific performance of Seller's obligations.

18.2 **Default by Buyer.** In the event Closing and the consummation of the transactions herein contemplated do not occur by reason of any default by Buyer, Buyer and Seller agree that it would be impractical and extremely difficult to estimate the damages that the Seller may suffer. Accordingly, Buyer and Seller agree that a reasonable estimate of the total net detriment that Seller would suffer in the event of any such default by Buyer and under this Agreement is and shall be, and Seller's sole and exclusive remedy (whether at law or in equity), is and shall be an amount equal to the sum of $5,000. The payment of such amount as liquidated damages is not intended as a forfeiture or penalty, but is intended to represent liquidated damages to Seller. Upon such default by Buyer, this Agreement shall be terminated and neither Party shall have any further rights or obligations hereunder.

19. **Miscellaneous.**

19.1 **Partial Invalidity.** If any term or provision of this Agreement or the application to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each such term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

19.2 **Mediation.** If any dispute should arise between the parties concerning the Parties' obligations or activities under this Agreement, the dispute shall be submitted to mediation before a mediator agreed to and compensated equally by both parties, prior to commencement of arbitration or litigation.

19.3 **Waivers.** No waiver of any breach of any covenant or provision contained herein shall be deemed a waiver of any preceding or succeeding breach thereof, or of any other covenant or provision herein contained. No extension of time for performance of any obligation or act shall be deemed an extension of the time for performance of any other obligation or act.
19.4 Successors and Assigns. Buyer may not assign its interest in this Agreement and the Property to any other person or entity without the express, written consent of Seller, which shall not be unreasonably withheld. In the event that an assignee assumes the obligations of Buyer hereunder, then Buyer shall have no further liability with respect to this Agreement, and this Agreement shall be binding on and shall inure to the benefit of the successors and assigns of the Parties.

19.5 Headings. Any titles of the sections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

19.6 Interpretation of Agreement. This Agreement shall not be construed for or against any Party by reason of the authorship or alleged authorship of any provision. The paragraph headings contained in this Agreement are for ease of reference only and shall not be used in constructing or interpreting this Agreement.

19.7 Entire Agreement. This Agreement (including any exhibits attached to it) is the final expression of, and contains the entire agreement between, the Parties with respect to the subject matter of the Agreement and supersedes all prior understandings with respect to it. This Agreement may not be modified or terminated, nor may any obligations under it be waived, except by written instrument signed by the Party to be charged or by its agent duly authorized in writing or as otherwise expressly permitted here.

19.8 Time of Essence. Seller and Buyer hereby acknowledge and agree that time is strictly of the essence with respect to every term, condition, obligation, and provision.

20. Governing Law. The parties acknowledge that this Agreement has been negotiated and entered into in the State of Oregon. The parties expressly agree that this Agreement shall be governed by and interpreted in accordance with the laws of the State of Oregon.

Recitals

1. TriMet is the owner of the parcel of property that is described and shown as Lot 1 on Exhibit A, which is attached hereto and incorporated by this reference herein. TriMet maintains a substation on Lot 1, which serves its Interstate MAX light rail alignment. TriMet requires vehicular access to its substation.

2. PDC is the owner of the parcel of property that is described and shown as Lot 8 on Exhibit A, which it intends to transfer to a development company (“Developer”) that plans to construct a mixed-use development consisting of housing and retail services.

3. Developer plans to build a driveway (“Driveway”) for ingress and egress to Lots 1 and 8 that is partially upon Lot 1 (owned by TriMet) and partially upon Lot 8 (owned by PDC). The Driveway will be built at the location shown on Exhibit A. TriMet consents to the construction of the Driveway on this portion of TriMet’s property.

4. The Parties each desire to use the Driveway for purposes of ingress and egress to their property, and to grant to the other and receive from the other an Easement for Ingress and Egress purposes, as set forth herein.
Therefore, in consideration of the payment of $13,600 from PDC to TriMet and the mutual promises set forth herein, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

**Agreement**

1. TriMet grants to PDC, its successors and assigns, a non-exclusive, perpetual easement for ingress and egress purposes over Lot 1, in the location set forth in Exhibit A, for the use and benefit of Lot 8.

2. PDC grants to TriMet, its successors and assigns, a non-exclusive, perpetual easement for ingress and egress purposes over Lot 8, in the location set forth in Exhibit A, for the use and benefit of Lot 1.

3. Grantee shall be solely responsible for all repair and maintenance of the Driveway, unless damaged by the fault or negligence of TriMet. The Parties agree that normal wear and tear on the Driveway caused by TriMet’s access is not damage caused by the fault or negligence of TriMet.

4. Subject to the limitations and conditions of the Oregon Constitution and the Oregon Tort Claims Act, Grantor agrees to indemnify, defend and hold Grantee harmless for, from and against any loss, damage, claim, cost or expense (including attorney fees) caused by the negligence of TriMet, its agents, employees, contractors or invitees during the use of the Easement.

5. Grantee agrees to indemnify, defend and hold TriMet harmless for, from and against any loss, damage, claim, cost or expense (including attorney fees) caused by the negligence of Grantee, its agents, employees, contractors or invitees during the use of the Easement.

6. It is understood that the Reciprocal Easement herein granted over and across Lots 1 and 8 does not convey any right or interest in the above-described lots except as stated herein, nor prevent either Party from the use of its property, as long as such use is not inconsistent with the use of the Easement by the other party.

7. Each party’s rights and obligations under this Reciprocal Easement bind and benefit its successors and assigns.

INTERGOVERNMENTAL AGREEMENT
BETWEEN THE PORTLAND DEVELOPMENT COMMISSION
AND TRIMET FOR
REDEVELOPMENT OF KILLINGSWORTH BLOCK

THIS INTERGOVERNMENTAL AGREEMENT (this “Agreement”) between the Portland Development Commission (“PDC”) and the Tri-County Metropolitan Transportation District of Oregon (“TriMet”) is effective the ___ day of __________, 2008 (the “Effective Date”). PDC and TriMet may collectively be referred to herein as the “Parties.”

RECITALS

A. TriMet and PDC are authorized to enter into this Agreement pursuant to the provisions of ORS 190.010.

B. The Interstate MAX project began operation on May 1, 2004.

C. The Parties have placed transit-oriented development as a high priority around MAX station areas.

D. PDC purchased property at the northeast corner of the intersection of N. Interstate Avenue and N. Killingsworth Street (the “Killingsworth Block”). The property is adjacent to the Killingsworth Street MAX Station and the Line #72-Killingsworth bus.

E. PDC has managed a process to select a developer and is now proceeding with the development of the Killingsworth Block. The current development proposal entails approximately 54 for-sale residential units serving a mix of incomes, and 9,000 square feet of ground floor commercial space (collectively, the “Project”)

H. The Project will enhance the effectiveness of the adjacent Interstate MAX and bus by increasing the population near the Killingsworth Street MAX Station area. Achieving the proposed density will require public subsidy to offset such costs as elevators, steel or concrete frame construction and structured parking.

I. TriMet has an interest in having successful transit-oriented development projects along the Interstate MAX alignment and is willing to provide funds to assist PDC in the development of the Project.

J. The Parties desire to enter into this Agreement to provide for environmental analyses; real estate packaging including design and engineering; estimates of operating income and expenses and capital costs and negotiations to secure financing and tenants, and pedestrian connections and access links between transit services and the Project.

K. The Parties are willing to cooperate in the redevelopment of the Project in accordance with this Agreement.
NOW THEREFORE, the Parties agree that:
