AGREEMENT FOR DISPOSITION AND DEVELOPMENT OF PROPERTY

IN THE DOWNTOWN WATERFRONT URBAN RENEWAL AREA

BETWEEN

THE PORTLAND DEVELOPMENT COMMISSION

AND

GLOBE HOTEL, LLC

DATED

_____________________
THIS AGREEMENT FOR DISPOSITION AND DEVELOPMENT OF PROPERTY IN THE DOWNTOWN WATERFRONT URBAN RENEWAL AREA (this “Agreement”) is entered into as of ______________, 2010 between the CITY OF PORTLAND, a municipal corporation of the State of Oregon (the “City”), acting by and through the PORTLAND DEVELOPMENT COMMISSION, the duly designated urban renewal agency of the City of Portland (which, together with any successor public agency designated by or pursuant to law, is herein called “PDC”), GLOBE HOTEL, LLC, an Oregon limited liability company (“Developer”), and Globe Building, LLC, an Oregon limited liability company (“QALICB”). PDC, Developer, and QALICB are referred to jointly in this Agreement as “Parties” and individually as a “Party”.

RECITALS

A. In furtherance of the objectives of Oregon Revised Statutes, Chapter 457, and Chapter XV of the Charter of the City of Portland, PDC has undertaken a program for the development and redevelopment of blighted areas in the City and in connection therewith prepared and approved an Urban Renewal Plan for the Downtown Waterfront Urban Renewal Area, which was approved by the City Council of the City on April 28, 1974 (as amended from time to time, the “Urban Renewal Plan” or the “Plan”).

B. A copy of the Urban Renewal Plan, as amended, as constituted on the date hereof has been recorded in the real property records of Multnomah County, Oregon, and is by this reference made a part hereof.

C. PDC, finding it necessary and in the public interest to implement the Plan, acquired the property located at 88 NW Davis, Portland, Oregon (as further described in the Definitions section below, the “Property”) in the Downtown Waterfront Urban Renewal Area for redevelopment as a fire station.

D. In July 2006, PDC and the City of Portland, Bureau of Fire and Rescue, decided not to proceed with redevelopment of the Property as a fire station.

E. PDC now desires to sell the Property to a developer or a single purpose limited liability company of which a developer is the manager and majority member who will, among other things, rehabilitate the historic Globe Hotel, located on the Property, to be used as the headquarters for the Oregon College of Oriental Medicine, with a ground floor clinic for patient visits, as well as educational and training facilities on upper floors including a new penthouse addition with a rooftop garden, and including at least 50% active ground floor use, along 1st Avenue and Couch Street (as further described in the Definitions section below, the “Project”).

F. PDC believes that completion of the Project will serve as a catalyst for further redevelopment in the Downtown Waterfront Urban Renewal Area, consistent with Goals A, B, C, and E of the Plan.

G. In furtherance of that redevelopment objective, PDC entered into negotiations with Developer for conveyance of the Property to Developer and for Developer’s completion of the Project on the Property.

H. The Parties are now prepared to enter into a definitive agreement for Developer or QALICB to acquire the Property and undertake development and operation of the Project.
I. The completion of the Project according to the terms of this Agreement, including the Scope of Development (defined below) and the Schedule of Performance (defined below), is a material inducement to PDC to enter into this Agreement.

J. PDC finds that the fulfillment, generally, of this Agreement, and the intentions set forth herein, are in the vital and best interest of the City and the health, safety, and welfare of its residents, and are in accord with the public purposes and provisions of the applicable state and federal laws and requirements under which the Urban Renewal Plan was adopted.

The conditions for closing the PDC financing described in this Section 3.1 will be determined by the PDC Executive Director upon review and recommendation by the PDC Loan Review Committee. At a minimum, however, the PDC financing will not close unless and until:

(a) The Investment Fund has been organized and PDC, in its reasonable discretion, has approved the form and substance of the Operating Agreement;

(b) A Qualified CDE has been organized and PDC, in its reasonable discretion, has approved the form and substance of the Operating Agreement;

3.8.2. **Meaning and Effect of the Certificates of Completion.** The Certificate of Completion shall provide for termination of obligations under this Agreement and limitation of remedies of PDC as expressly provided for in the Certificate of Completion. Upon issuance of a Certificate of Completion for the Project, PDC will return the Performance Guaranty Fee, together with interest earned thereon, to Developer.

3.8.3. **Form of Certificate of Completion; Procedure Where PDC Refuses to Issue.** A Certificate of Completion shall be in a form that can be recorded in the real property records of Multnomah County. At Developer’s or QALICB’s request, the Certificate of Completion for the Project shall state which terms and conditions of this Agreement are of no further force and effect. If PDC refuses or fails to provide a Certificate of Completion in accordance with this section, then PDC, within fifteen (15) days after written request by Developer or QALICB for such Certificate of Completion, shall provide Developer or QALICB with a written statement indicating in detail in what respects Developer has failed to complete the Project in accordance with the provisions of this Agreement or is otherwise in default and what measures or acts Developer must take or perform to obtain such Certificate of Completion. PDC’s failure to furnish Developer and QALICB with such detailed written statement within such fifteen (15) day period shall be deemed PDC’s approval of Developer’s request for the Certificate of Completion.

4. **ENVIRONMENTAL CONDITIONS AND DEVELOPER INDEMNITY**

4.1. **Environmental Condition of the Property and Parties’ Responsibilities.**

4.1.1. **Environmental Due Diligence Reports.** Developer acknowledges receipt of copies of all Environmental Due Diligence Reports other than the Phase 1 Environmental Assessment described in Section 4.1.2 below, a copy of which PDC will provide to Developer promptly after PDC’s receipt thereof.
4.1.2. **Phase I Environmental Assessment.** Within 180 days prior to the date scheduled for Closing as set forth in the Schedule of Performance, PDC shall undertake a Phase I Environmental Assessment of the Property in conformance with the ASTM E 1527-05 process in compliance with the United States Environmental Protection Agency All Appropriate Inquiries (40 CFR Part 312). PDC shall provide a copy of the Phase I Environmental Assessment promptly after PDC’s receipt thereof.

4.1.3. **Environmental Cleanup.** Except for any environmental cleanup necessary to be performed by the Developer to abate existing hazardous building materials, to the best of PDC’s knowledge there are no Recognized Environmental Conditions existing on the Property as described in the Environmental Due Diligence Reports.

4.1.4. **Unforeseen Environmental Conditions.** If Developer encounters, after Closing and prior to issuance of the Certificate of Completion, an Unforeseen Environmental Condition on the Property that was not caused, directly or indirectly by Developer, Developer shall suspend all related construction activities pending PDC’s investigations under this Section 4.1.4. Developer shall also, promptly thereafter, notify DEQ (to the extent required by applicable law) and PDC of the Unforeseen Environmental Condition and provide PDC with any documentation regarding the circumstances of the discovery of the Unforeseen Environmental Condition, including but not limited to any documentation on the release of a Hazardous Substance on the Property. After discovery of an Unforeseen Environmental Condition on the Property, Developer shall allow PDC access to the Property to make such surveys and conduct such tests and investigations as PDC deems reasonably necessary or desirable to determine the nature and extent of the Unforeseen Environmental Condition. Developer hereby grants a license to PDC for PDC to enter on the Property to perform the foregoing surveys, tests and investigations which PDC shall conduct in accordance with applicable Environmental Laws. PDC will provide Developer with copies of any reports arising from such surveys, tests and investigations. Promptly after PDC’s completion of the surveys, tests and investigations, the Parties shall meet to agree upon a source and method for funding the remediation or abatement, as applicable, of the Unforeseen Environmental Condition, which Developer shall then complete as part of the Project, as a condition to issuance of the Certificate of Completion and in a manner necessary to obtain a No Further Action Letter or other approval as may be required from DEQ. Developer shall comply with all restrictions, limitations, conditions and obligations set forth in the No Further Action Letter or other approval once issued by DEQ. If the Parties are unable to agree on a source and method for funding the remediation or abatement, then PDC shall have the right, but not the obligation, in its sole discretion, to pursue other responsible parties of the Unforeseen Environmental Condition or perform remediation or abatement of the Unforeseen Environmental Condition itself, as it determines necessary or appropriate, and Developer shall permit PDC access to the Property to do so.

4.1.5. **Indemnification.** Developer shall be responsible for compliance with all Environmental Laws with respect to the Property, its business and the operation of the Project from and after Closing, including but not limited to compliance with all restrictions, limitations, conditions and obligations imposed by DEQ pursuant to a No Further Action Letter, Underground Storage Tank Closure letter or Easement and Equitable Servitude applicable to the Property, if any. In addition Developer shall be responsible for all environmental remediation and abatement of Recognized Environmental Conditions and Unforeseen Environmental Conditions on the Property as and to the extent such obligations are imposed on Developer under Sections 4.1.3 or 4.1.4 above. Developer shall defend (at PDC’s request), indemnify and hold harmless PDC, its successors and assigns, from and against all claims, costs, expenses, losses, damages, and liabilities, including, without limitation, reasonable legal, accounting, consulting, engineering and other expenses which may be imposed on or incurred by
PDC, its successors or assigns, or asserted against PDC, its successors or assigns, by any other person or entity, including, without limitation, a governmental entity, arising out of or in connection with any violation of Environmental Laws by Developer, Developer’s failure to comply with a restriction, limitation, condition or obligation imposed by DEQ pursuant to a No Further Action Letter, Underground Storage Tank Closure Letter or Easement and Equitable Servitude applicable to the Property, if any, or Developer’s failure to complete any environmental remediation or abatement of Recognized Environmental Conditions or Unforeseen Environmental Conditions on the Property required of Developer by Sections 4.1.3 or 4.1.4 above. The indemnity set forth in this Section 4.1.4 shall survive the issuance of the Certificate of Completion and any termination of this Agreement.

4.1.6. Contribution. The foregoing indemnity does not limit any rights of contribution that the parties may have against others under applicable law or agreement. The indemnity is intended only as an allocation of responsibility between the parties to this Agreement.

5. ASSIGNMENT AND TRANSFER PROVISIONS

5.1. Restrictions on Transfer of the Property and Assignment of the Agreement Prior to Issuance of Certificate of Completion. Because it is a municipal entity, PDC is uniquely benefited by completion of the Project. Developer and QALICB are uniquely qualified to finance, construct and manage the Project. The anti-assignment provisions of this Section 5 are reasonable and necessary to provide to each Party the benefit of the transaction implemented through this Agreement.

5.1.1. Except as provided in Section 5.2, Developer shall not partially or wholly transfer or dispose of or agree to transfer or dispose of the Property, the Project, or Developer's interest in this Agreement without the prior written approval of the PDC, which may be withheld in PDC’s sole discretion. Without limiting PDC’s discretion to withhold its approval in any event, PDC is unlikely to approve a transfer or disposition if (a) the transfer or disposition violates another provision of this Agreement, (b) the proposed transferee does not possess qualifications and financial capacity equal to or superior to that of Developer, or (c) the transfer or disposition will cause a material delay in completion of the Project.

5.1.2. BEAM and OCOM (“Developer’s Principals”) shall retain a controlling ownership interest in the Developer and retain control of the operations of the Developer.

5.2. Approved Transfers Prior to Issuance of Certificate of Completion. Notwithstanding Section 5.1 above, and provided that Developer provides PDC with copies of all agreements related to the transfer at least fifteen (15) days prior to the effective date of the proposed transfer, and any other information reasonably necessary for PDC to determine whether such transfer complies with the requirements of this Agreement, PDC hereby consents to:

5.2.1. Any and all transfers, assignments, or leases with respect to an interest in the Property or the Project necessary or appropriate to effect the financing transactions described in Section 3.1 above, including, without limitation, the master lease between QALICB and Master Tenant, the subleases between Master Tenant and OCOM and any other tenants with respect to the occupation and use of the Project, and a Mortgage; and
5.2.2. Any assignment by Developer, or other agreement between Developer and QALICB with Beam or any affiliate of Beam with respect to the development and construction of the Project, including, without limitation, the Development Services Agreement.

5.2.3. Notwithstanding an assignment under this Section 5.2, Developer and QALICB shall remain fully responsible to PDC for performance of this Agreement.

5.3. Transfers After Issuance of Certificate of Completion. After PDC’s issuance of a Certificate of Completion for the Project, Developer or QALICB may transfer or dispose of the Property, the Project, or Developer’s or QALICB’s interest in this Agreement with the consent or approval of PDC, which consent may not be unreasonably withheld, conditioned, or delayed.

6. COMPLIANCE WITH CONSTRUCTION WAGE POLICY, BUSINESS AND WORKFORCE EQUITY POLICY, GREEN BUILDING POLICY AND EEO CERTIFICATION PROGRAM

6.1. Construction Wage Policy. PDC’s Construction Wage Policy is not applicable to the Project.

6.2. Business and Workforce Equity Policy. PDC adopted the Business and Workforce Equity Policy attached hereto as Exhibit H to ensure fair and equitable opportunities to Portland’s diverse populations, promote prosperity in all segments of Portland’s diverse communities, foster economic growth, and expand competition in the market. Developer shall acquire the specifications for the Business and Workforce Equity Policy from PDC’s Contract Compliance Coordinator prior to executing a construction contract with the General Contractor. The Business and Workforce Equity Policy is comprised of two (2) separate and distinct programs:

- The Business Equity Program; and
- The Workforce Equity Program

PDC has determined that the Project is subject to both the Business Equity Program and the Workforce Equity Program as follows:

6.2.1. Business Equity Program. The purpose of the Business Equity Program is to ensure that PDC provides professional, supplier and construction contracting opportunities to State certified minority-owned, women-owned and emerging small businesses (collectively, “Certified Firms”) and to encourage the participation of businesses owned by veterans in connection with PDC projects. The utilization goal for Certified Firms in connection with the Project is twenty percent (20%) of the Project’s hard construction costs. The Developer shall comply with the Business Equity Program by: (i) including provisions in its contract with its General Contractor that require the General Contractor to comply with the Business Equity Program and otherwise causing its General Contractor, and the subcontractors thereof, to comply with the Business Equity Program in connection with the Project; and (ii) complying with all portions of the Business Equity Program applicable directly to Developer. The failure of Developer or Developer’s General Contractor, or the subcontractors thereof, to comply with the procedural requirements of the Business Equity Program shall constitute a breach of a material provision of this Agreement. Provided that the procedural requirements of the Business Equity Program are followed, failure to meet the specific...
utilization goal for Certified Firms shall not constitute a breach of a material provision of this Agreement.

6.2.2. **Workforce Equity Program.** The purpose of the Workforce Equity Program is to maximize apprenticeship opportunities in the construction trades and ensure employment opportunities for People of Color and women and encourage the employment of people with disabilities and veterans in connection with PDC projects. In connection with the Project, Developer shall comply with the Workforce Equity Program by: (i) including provisions in its contract with its General Contractor that require the General Contractor to comply with the Workforce Equity Program and otherwise causing its General Contractor, and the subcontractors thereof, to comply with the Workforce Equity Program in connection with the Project; and (ii) complying with all portions of the Workforce Equity Program applicable directly to Developer. Projects subject to the Workforce Equity Program require contractors to ensure that a minimum of 20% of labor hours in each apprenticeable trade performed by the General Contractor and subcontractors are worked by state-registered apprentices. The failure of Developer or Developer’s General Contractor, or the subcontractors thereof, to comply with the procedural requirements of the Workforce Equity Program or to meet the required percentage of apprentice hours (not the specific goals for participation by People of Color or women on the Project) of the Workforce Equity Program shall constitute a breach of a material provision of this Agreement.

6.3. **Green Building Policy.** In connection with the Project, Developer shall comply with the Green Building Policy. Among other things, this policy requires Developer to construct the Project in the manner necessary to meet the applicable Green Building standard set forth in the Green Building Policy. Within ten (10) days after the Effective Date, Developer shall provide PDC with the initial Green Building Progress Report, and Developer shall submit subsequent Green Building Progress Reports to PDC every thirty (30) days thereafter until PDC has issued a Certificate of Completion for the Project. If the applicable Green Building standard is some level of LEED certification, then Developer shall submit all materials necessary to obtain the applicable level of LEED certification for the Project to the USGBC prior to PDC’s issuance of a Certificate of Completion for the Project and submission of such materials is a condition precedent to PDC’s obligation to issue the Certificate of Completion. Developer will cooperate with PDC staff in the follow-up and monitoring of the effectiveness of the green building standards, including for example, providing information on the installation and operating of the measures and practices, and will provide PDC access to the building utility bills.

6.4. **EEO Certification.** Developer shall comply with the City’s EEO Certification Program by including provisions in its contract with its General Contractor that require the General Contractor to comply with the EEO Certification Program and otherwise causing its General Contractor, and the subcontractors thereof, to comply with the EEO Certification Program. Developer shall also comply with all portions of the EEO Certification Program applicable directly to Developer and with all applicable provisions of Federal or state statutes and regulations and City ordinances concerning equal employment opportunities for persons engaged in the Project. The failure of Developer or Developer’s General Contractor, or the subcontractors thereof, to comply with the EEO Certification Program or other applicable equal employment opportunity law shall constitute a breach of a material provision of this Agreement. The EEO Certification Program is set forth in Attachment C of the Fair Contracting and Hiring Guideline Index, and made a part hereof.

7. **COMPLIANCE WITH OTHER PDC POLICIES**
7.1. **Approval of Building Tenants.** It is PDC’s intent to ensure that the commercial portion of the Project provides products and services to meet unmet demand in the Old Town/Chinatown community and serve as a catalyst to stimulate adjacent and nearby businesses. A tenant mix is sought that will be compatible with adjacent residential uses, not unreasonably contributing to negative immediate-neighbor impacts, such as traffic, outdoor activities, garbage and noise.

7.1.1. The Developer and QALICB shall make, and Developer in its capacity as Non-Member Manager of Master Tenant shall make, a good faith attempt to attract locally owned commercial tenants to the project following execution of this Agreement and until all initial spaces are leased. A “good faith attempt” means that the Developer will:

(a) Hold at least two (2) informational meetings to describe the leasing opportunities for interested persons before construction begins;

(b) Advertise the leasing opportunities and the informational meetings in *The Skanner, The Portland Observer, El Hispanic News, the Asian Reporter,* and other emerging community and immigrant media publications;

(c) Send written notice of the leasing opportunities and informational meetings to the Oregon Association of Minority Entrepreneurs, the Urban League, the Old Town / Chinatown Neighborhood Association, the Old Town / Chinatown Business Association, and the Portland Minority Chambers of Commerce; and

(d) Provide documentation to PDC to verify the above attempts and any additional attempts to meet the goals.

7.1.2. The Developer shall notify and allow comment from the University of Oregon and the Old Town / Chinatown Business Association or both, regarding commercial tenants, the ownership mix of commercial tenants, and the good faith attempts made to attract locally owned commercial tenants, beginning on the Effective Date. If changes are made to the above, Developer shall notify and allow comment until five years after completion of construction of the Project.

7.1.3. For the term of any outstanding PDC financing, the following user types are specifically prohibited: commercial parking, vehicle servicing or repair, self-service storage, heavy industrial uses, drive-throughs, and businesses that exclude minors. PDC, as third party beneficiary of this section 7.1.3 only, may institute legal action to void any lease entered into contrary to these provisions.

7.2. **Public Participation Plan.** PDC and Developer shall formulate and implement a Public Participation Plan consistent with PDC’s Public Participation Policy. The Public Participation Plan will serve to create a communication protocol, establish a list interested parties within the neighborhood, and provide opportunities for neighborhood and city wide stakeholder groups to get periodic updates on the project and provide input at key decision points.

7.3. **Transportation Management Plan.** Developer agrees to formulate a Transportation Management Plan acceptable to PDC that addresses the transportation impacts of the Project, including a description of anticipated building tenant and public parking. The Transportation Management Plan should encourage the use of mass transit and will explore the use of methods including, without limitation, the implementation of TriMet’s PassPort program, providing bike lockers and showers for bike commuters, encouraging carpooling and use of Zipcar or other similar short term rental service. The Transportation Management Plan shall require OCOM to monitor the parking utilization on an annual basis and provide annual reports to PDC; name a Transportation Demand Management Coordinator who will be the contact for PDC in these
matters; and provide PDC with a certificate of compliance with the Transportation Management Plan on the first three anniversaries of OCOM’s occupancy of the Project.

8. CONTINUING COVENANTS SURVIVING TERMINATION OF AGREEMENT OR COMPLETION OF CONSTRUCTION; COVENANTS RUNNING WITH THE LAND

8.1. Surviving Sections. The following Sections of this Agreement (the “Surviving Sections”) shall survive and remain in effect for the periods identified in this Agreement notwithstanding issuance of the Certificate of Completion: Section 3.6.2 (LIABILITY CLAIMS), Section 3.6.3 (INDEMNITY FROM LIENS), Section 4.1.5 (INDEMNIFICATION), Section 7.1 (APPROVAL OF BUILDING TENANTS), and Section 6 (COMPLIANCE WITH CONSTRUCTION WAGE POLICY, BUSINESS AND WORKFORCE EQUITY POLICY, GREEN BUILDING POLICY AND EEO CERTIFICATION PROGRAM).

8.2. Covenants Running with the Land.

8.2.1. Developer and QALICB covenant and agree that for a period of 10 years from the date of the Certificate of Completion it will use the Property only for purposes substantially consistent with this Agreement, including the Scope of Development and the Final Construction Plans and Specifications.

8.2.2. Developer and QALICB covenant and agree that prior to the issuance of the Certificate of Completion the Design Review and Comment provisions contained in section 3.2 of this Agreement shall survive any foreclosure or transfer of the Property by a deed in lieu of foreclosure or any other transfer of the Property.

8.2.3. Consistent with that certain Settlement Agreement dated January 19, 2005, between PDC, Developer, Mary Naito Building, LLC, an Oregon limited liability company, and Bill Naito Lot, LLC, an Oregon limited liability company, Developer and QALICB covenant and agree that prior to January 19, 2015, neither Developer nor QALICB shall locate or operate Single Residential Occupancy Housing or Low Income Housing (Low Income Housing means housing for those whose income is at or below 30% of median family income) on the Property.

8.2.4. Developer, QALICB, and PDC hereby declare and agree that the covenants set forth in this section 8.2 shall be deemed covenants running with the land and shall pass to and be binding upon the Developer’s or QALICB’s successors in title, including, without limitation, any Mortgagee, purchaser, grantee, or lessee of any portion of the Property and any other person or entity having any right, title, or interest in the Property and upon the respective heirs, executors, administrators, devisees, designees, successors, and assigns of any Mortgagee, purchaser, grantee, or lessee of any portion of the Property and any other person or entity having any right, title, or interest in the Property.

9. PERMITTED MORTGAGES

9.1.1. Effect of Revesting on Mortgages. Any reversion and revesting of the Property or any portion thereof in PDC pursuant to this Agreement shall always be subject to and
limited by, and shall not defeat, render invalid, or limit in any way any Mortgage approved in writing by PDC and authorized by this Agreement.

9.1.2. **Mortgagee Not Obligated To Construct.** Notwithstanding any of the provisions of the Agreement, except those that are covenants running with the Property, a Mortgagee or its designee for purposes of acquiring title at foreclosure shall in no way be obligated by the provisions of this Agreement to construct or complete the improvements in the Property or to guarantee such construction or completion; provided, however that nothing in this Agreement shall be deemed or construed to permit or authorize any such Mortgagee to devote the Property or any part thereof to any uses, or to construct any improvements thereon other than those uses or improvements provided or permitted in this Agreement.

9.1.3. **Copy of Notice of Default to Mortgagee.** If PDC delivers a notice or demand to Developer and QALICB with respect to Developer’s or QALICB’s breach of this Agreement, PDC shall at the same time send a copy of such notice or demand to each Mortgagee approved by PDC, at the last address of such holder shown in the records of PDC.

9.1.4. **Mortgagee's Options to Cure Defaults.** After Developer’s or QALICB’s breach of this Agreement and if Developer or QALICB fails to cure or remedy said breach within the required time period (or commence the cure or remedy if such default cannot be completely cured or remedied within the required time period), then each Mortgagee shall have thirty (30) days after passage of the latest date for Developer’s or QALICB’s cure or remedy of the breach, to cure or remedy the breach itself (or cause the cure or remedy of the breach), if cure or remedy thereof is permitted by this Agreement. If a Mortgagee does cure or remedy the breach within said thirty (30) day period, the Mortgagee may add the cost thereof to the Mortgage debt and the lien of its Mortgage, if permitted by its loan documents. If the breach is with respect to construction of the improvements, nothing contained in this Agreement shall be deemed to prohibit such Mortgagee, or any person who acquires the Property either before or after foreclosure or action in lieu thereof, from undertaking or continuing the construction or completion of the improvements, provided that the Mortgagee notifies PDC in writing of its intention to complete the Project according to the approved Final Construction Plans and Specifications. Any Mortgagee or other person who acquires the Property and who properly completes the Project shall be entitled to issuance of a Certificate of Completion, upon written request made to PDC following the procedures set forth in Section 3.8 above.

9.1.5. **Amendments Requested by Mortgagee.** PDC shall execute amendments to this Agreement or separate agreements to the extent reasonably requested by a Mortgagee proposing to make a loan to Developer or QALICB secured by a security interest in all or any part of the Property or the Project, provided that such proposed amendments or other agreements do not materially and adversely affect the rights of PDC or its interest in the Property.

10. **DEFAULT AND REMEDIES**

10.1. **Default and Cure.**

10.1.1. **Default by Developer.**

(a) Developer and QALICB shall be in default under this Agreement if Developer or
QALICB breaches any material provision of this Agreement, whether by action or inaction, and such breach continues and is not remedied within thirty (30) days after Developer and QALICB receive written notice from PDC specifying the breach. In the case of a breach that cannot with due diligence be cured within a period of thirty (30) days, Developer and QALICB shall be in default under this Agreement if Developer or QALICB does not commence the cure of the breach within thirty (30) days after Developer and QALICB receive written notice from PDC and thereafter diligently prosecute to completion such cure within sixty (60) days after the written notice from PDC. Failure of conditions precedent not caused by the Developer or QALICB shall not constitute a default but any such failure shall be subject to Sections 1.7.2, 1.7.3 and 1.7.4 above.

(b) Developer and QALICB shall also be in default under this Agreement if Developer or QALICB makes any assignment for the benefit of creditors, or is adjudicated a bankrupt, or has a receiver, trustee or creditor's committee appointed over it that is not removed within one hundred eighty (180) days after appointment.

(c) Developer and QALICB shall also be in default under this Agreement, and PDC shall be irreparably harmed by such default, if Developer or QALICB constructs or operates any portion of the Project in a manner materially inconsistent with Final Construction Plans and Specifications.

10.1.2. Default by PDC. PDC shall be in default under this Agreement if PDC breaches any material provision of this Agreement, whether by action or inaction, and such breach continues and is not remedied within thirty (30) days after PDC receives written notice from Developer or QALICB specifying the breach. In the case of a breach that cannot with due diligence be cured within a period of thirty (30) days, PDC shall be in default under this Agreement if PDC does not commence cure of the breach within thirty (30) days after PDC receives written notice from Developer or QALICB and thereafter diligently prosecute to completion such cure within sixty (60) days after the written notice from Developer. Failure of conditions precedent not caused by the PDC shall not constitute a default but any such failure shall be subject to Sections 1.7.2, 1.7.3 and 1.7.4 above.

10.2. PDC's Pre-Conveyance Remedies. If a Developer default (as described in Section 10.1.1) occurs before the Property is conveyed to Developer, PDC may, at its option: (i) terminate this Agreement by written notice to Developer and retain the Performance Guaranty Fee and any interest earned thereon as liquidated damages, (ii) seek monetary damages against Developer, or (iii) specifically enforce the obligations of Developer under this Agreement. If PDC terminates this Agreement as provided in this Section 10.2, then Developer shall deliver to PDC within thirty (30) days after such termination, copies of all Project market research, design documents, engineering documents, proformas and financial projections prepared for Developer by unrelated third parties, and which Developer is authorized to release. PDC may use any of the foregoing documents in any manner that PDC deems appropriate with the consent of any party having approval rights thereunder. PDC shall pay no compensation to Developer for the foregoing Project documents. If, prior to Closing, Developer performs any construction activities on the Property and Developer fails to acquire the Property, Developer agrees to restore the Property to substantially the condition that existed prior to the time that Developer performed any activities thereon, or to such condition as PDC shall reasonably approve.

10.3. PDC's Post-Conveyance Remedies. If a Developer or QALICB default (as described in Section 10.1.1) occurs after the Property is conveyed to Developer, including but not limited to Developer’s and QALICB’s failure to complete the Project as required by Section 3.3, then PDC shall have the following remedies:
10.3.1. Subject to the Mortgagee protections specified in Section 9.1, PDC shall have the right to re-enter and take possession of the Property and to terminate (and revest in PDC) the estate conveyed by the Deed, terminate Developer’s right to develop the Project, and resell the Property pursuant to Section 10.4 hereof. It is the intent of this provision together with other provisions of this Agreement, that the conveyance of the Property to Developer shall be made upon, and that the Deed to the Property shall provide for, a condition subsequent to the effect that, in the event of a Developer default (as described in 10.1.1), subject to the Mortgagee protections specified in Section 9.1, PDC, at its option, may upon 30 days written notice (hereinafter “Notice of Termination”) to Developer and the Escrow Agent, declare a termination in favor of PDC of the title, and of all the rights and interest in the Property. After delivery of such Notice of Termination, and in the event Developer fails to remedy, end or abrogate such default within the 30-day period in the manner stated in the Notice of Termination, all the title and rights and interest in the Property conveyed to Developer by Deed, or to any successors or permitted assigns of Developer, shall be reconveyed to PDC by quitclaim deed and pursuant to the escrow instructions, each as set forth in Exhibit G. Any delay by PDC in instituting or prosecuting any such actions or proceedings or otherwise asserting its rights under this section 10.3 shall not operate as a waiver of such rights or to deprive it of or limit such rights in any way (it being the intent of this provision that PDC should not be constrained because of concepts of waiver, laches or estoppel so as to avoid the risk of being deprived of or limited in the exercise of the remedy provided in this section or otherwise to exercise such remedy at a time when it may still hope otherwise to resolve the problems created by the default involved); nor shall any waiver in fact made by PDC with respect to any specific default by the Developer be considered or treated as a waiver of the rights of PDC with respect to any other defaults by the Developer or with respect to any particular default except to the extent specifically waived.

10.3.2. Developer shall deliver to PDC within thirty (30) days after reconveyance of the Property pursuant to Section 10.3.1, copies of all Project market research, design documents, engineering documents, proformas and financial projections prepared for Developer by unrelated third parties, and which Developer is authorized to release. PDC may use any of the foregoing documents in any manner that PDC deems appropriate with the consent of any party having approval rights thereunder. PDC shall pay no compensation to Developer for the foregoing Project documents.

10.3.3. PDC shall retain the Performance Guaranty Fee, plus any interest accrued thereon, as liquidated damages.

10.4. PDC Resale. If title to the Property shall revest in PDC in accordance with the provisions of Section 10.3, PDC may, at its option, bring the improvements to a state of completion deemed by PDC as reasonably necessary to protect the improvements from the elements or other dangers, and shall, pursuant to its responsibilities under Oregon Revised Statutes, Chapter 457, and Chapter XV of the Charter of the City of Portland, use its best efforts consistent with prudent business practices and generally in accordance with the terms of this Agreement to resell at a reasonable price, the Property and such improvements (subject to any Mortgages permitted by this Agreement) as soon and in such a manner as PDC shall find feasible and consistent with the objectives of such laws and the Urban Renewal Plan, to a qualified and responsible party or parties (as determined by PDC in its sole discretion) who will assume the obligation of making or completing the improvements or such other improvements in their stead as shall be satisfactory to PDC. Upon such resale, the proceeds thereof shall be applied as follows:

10.4.1. PDC Reimbursement. First, to PDC on its own behalf to reimburse PDC for all costs and expenses reasonably incurred by it in retaking, completing and selling the Property and its improvements, including, but not limited to, the following: (a) salaries of
personnel in connection with the recapture, management and resale of the Property, (b) any expenditures made or costs incurred in completing the construction of the Project improvements that were Developer’s or QALICB’s responsibility to construct but were done by or on behalf of PDC, (c) any payments made or necessary to be made to discharge any encumbrances or liens existing on the Property or the Project at the time of revesting of title thereto in PDC or to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of the Developer or QALICB, their successors or transferees excluding any Mortgage if the Property or improvements are sold subject to such Mortgage, (d) all taxes, assessments and water and sewer charges with respect to the Property or part thereof (or, in the event the Property is exempt from taxation or assessment of such charges during the period of ownership thereof by PDC or Developer or QALICB, an amount equal to such taxes, assessment, or charges (as determined by the County assessing official) as would have been payable if the Property were not so exempt), and (e) any amounts owed to the City as lease or license fees, and any amounts otherwise owing PDC by Developer or its successor or transferee;

10.4.2. **Developer Reimbursement.** Second, to reimburse Developer or QALICB, up to the amount equal to the sum of (a) any portion of the Purchase Price of the Property that Developer or QALICB has paid to PDC and (b) the PDC-approved development costs for the Project paid by Developer or QALICB, or for which Developer or QALICB remains liable, that were not funded by the PDC (if PDC provided financing for the Project), less any gains or income withdrawn or made as to the Project; and

10.4.3. **Balance to PDC.** Third, any balance remaining after the reimbursements described above shall be retained by PDC.

10.5. **Developer’s Pre-Conveyance Remedies.** If a PDC default (as described in Section 10.1.2) occurs before PDC conveys the Property to Developer or QALICB, Developer or QALICB may, at its option: (i) terminate this Agreement by written notice to PDC and receive a refund of the Performance Guaranty Fee (including interest earned thereon) without waiving any cause of action Developer may have against PDC, (ii) specifically enforce the obligations of PDC under this Agreement, or (iii) seek monetary damages against PDC. Notwithstanding the preceding sentence, Developer and QALICB shall not seek consequential damages from PDC in connection with PDC’s default.

10.6. **Developer’s Post-Conveyance Remedies.** If a PDC default (as described in Section 10.1.2) occurs after PDC conveys the Property to Developer or QALICB, Developer or QALICB may specifically enforce the obligations of PDC under this Agreement, or seek monetary damages against PDC. Notwithstanding the preceding sentence, neither Developer nor QALICB shall seek consequential damages from PDC in connection with PDC’s default.

10.7. **Nonexclusive Remedies.** The rights and remedies provided by this Agreement shall not be deemed exclusive, except where otherwise indicated, and shall be in addition to any and all rights and remedies otherwise available at law or in equity. The exercise by either Party of one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other such remedies for the same default or of any of its remedies for any other default by the other Party, including, without limitation, the right to compel specific performance. Any limitation of remedies set forth herein shall not limit or affect the obligations of a Party under any contractual indemnities set forth herein.

10.8. **Unavoidable Delay**

10.8.1. Neither a Party nor a Party’s successor in interest shall, to the extent described in Section 10.8.2 below, be considered in breach of any obligation created hereunder or progress in respect thereto if the delay in performance of such obligation (the

SCOPE OF DEVELOPMENT

Developer shall perform a historic rehabilitation of the Globe Hotel, located on the Property for use as the academic headquarters for the Oregon College of Oriental Medicine. The rehabilitation must result in active use for at least 50% of the ground floor space, including retail or food service along NW Couch and NW 1st Avenues. Developer must consider designs for the rehabilitation that include elements that provide an interface and link to the Japanese American Historical Plaza, and are compatible with the Skidmore Old Town Historic Design Guidelines.

The project will involve the purchase and renovation of the Historic Globe Hotel building, originally built in 1911. Over the last 3 decades, the Old Town/Chinatown district has witnessed a severe out-migration of jobs and businesses as employers left the largely un-restored older building stock in search of less expensive or more modern facilities. The Portland Development Commission has spent several million dollars over the last 5 years in an effort to recruit new business and activity in the district. The building will have approximately 39,000 SF when complete. OCOM has committed to leasing 30,000 SF immediately with an option to lease an additional 4,500 SF. The Developers have 1 letter of interest from a regional quick-service restaurant chain for an additional 2,400 SF. Renovation of the Globe Hotel for OCOM will have a significant beneficial impact on the Old Town/Chinatown neighborhood. The high intensity use of a graduate-level educational institution will spur economic activity throughout the district and will bring a “24-hour” presence to the district, greatly benefiting this historically high-crime district that has desperately needed more eyes on the street.

Business and Workforce Equity Policy (Amended April 28, 2010)

A. OBJECTIVES OF THE POLICY

The objective of the Business and Workforce Equity Policy (the “Policy”) is to:

• Ensure that the Portland Development Commission’s (“PDC’s) work provides professional, supplier and construction contracting opportunities to small businesses that have been historically under utilized including businesses owned by People of Color, Women and Emerging Small Businesses (collectively, “M/W/ESBs”) and to encourage the participation of businesses owned by veterans on Direct Contracting, Land Transactions and on work utilizing PDC Resources including Interagency and Intergovernmental Agreements; and

• Maximize apprenticeship opportunities in the construction trades and ensure employment opportunities for People of Color and Women and encourage the employment of people with disabilities and veterans on Direct Contracting, Land Transactions and on work utilizing PDC Resources.

In this way, it is PDC’s aim to ensure fair and equitable opportunities to Portland’s diverse populations, promote prosperity in all segments of Portland’s diverse communities, foster economic growth, and expand competition in the market.

The Policy replaces the existing policy adopted by the Board on December 18, 1997 (Resolution No. 5066) that authorized implementation of the Disparity Study Implementation Plan and policies concerning fair contracting and workforce training, including the Good Faith Effort Program and Workforce Training and Hiring Program.

The Policy objectives are pursued through the establishment of two separate and distinct programs.

• The Business Equity Program; and

• The Workforce Equity Program.

B. DEFINITIONS

1. “Board” means the PDC Board of Commissioners.

2. “Business Financial Resource Tools” means certain PDC business financial assistance programs including, but not limited to, the Quality Jobs Program, the Economic Opportunity Fund, the Direct Tax Increment Loan, and the EDA Revolving Loan and Real Estate Fund.

3. “Certified Firms” include M/W/ESB firms that have been certified by the State of Oregon as a Minority-owned business, a Women-owned business or an emerging small business.

4. “DA” or “DDA” means, respectively, a Development Agreement or a Disposition and Development Agreement that is typically entered into by and between a developer and PDC that sets forth the terms and conditions of property conveyance, if any, and the requirements for redevelopment of the property.

5. “Direct Contracting” included all professional, supplier and construction services purchased directly by PDC.

6. “Enterprise Zone” is a 5-year, 100% tax abatement program designed to encourage existing and new industrial firms to invest in new capital outlays in certain designated areas. Participating firms are required to create or retain quality jobs while maximizing the
economic benefits for residents of Portland who are currently earning at or below 80% Median Family Income.

7. “Flexible Service Contract” is a contract for services that has repetitive requirements on an as-needed basis and may include Personal Services Contracts that have such repetitive requirements.

8. “Hard Construction Costs” is the cost to build improvements on a property, including all related construction labor and materials, including fixed and built-in equipment costs. Costs not directly related to the construction of an improvement, such as entity overhead, administration or taxes, or other professional services including architectural or engineering, shall not be considered a part of the Hard Construction Costs.

9. “Intergovernmental Agreement” is an agreement between PDC and another government entity, including the City of Portland.

10. “Land Transactions” is the sale of real property by PDC at any price for the purpose of a private or public project through a DDA.

11. “PDC-Owned Construction Contracts” include contracts where PDC has a direct contractual relationship with the contractor and where PDC is the owner of the project.

12. “PDC Resources” include:

   (i) PDC funds in the form of grants, loans or payments. For purposes of calculating PDC Resources, any PDC funds used by a single entity for a single project in the form of grants, loans or payments shall be combined to determine the total amount of PDC Resources; and

   (ii) The value of a Land Transaction. For purposes of calculating the value of a Land Transaction the value shall be that specified in the DDA.

13. “PDC Sponsored Projects” include all projects that are privately owned and constructed involving a Disposition and Development Agreement, Development Agreement, loan agreement, or other type of financial assistance agreement with PDC.

14. “People of Color” as used in this Policy includes persons who self identify as being other than Caucasian.

15. “Personal Services Contract” is a contract for specialized skills, knowledge or unique resources in the application of highly-technical or scientific expertise, or the exercise of professional, artistic or management discretion or judgment. Such services include, but are not limited to the services of architects, engineers, surveyors, attorneys, auditors and other licensed professionals, artists, designers, computer programmers, performers, consultants and property managers.

16. “Utilization Goal” shall mean the percentage goals set for Certified Firms and workforce utilization on contracts and projects subject to the Policy.

17. “Workforce Goals” means the goals covering construction trades to utilize People of Color and Women as a percentage of total construction hours worked in a PDC Project.

18. “Workforce Training and Hiring Program” means the Workforce Training and Hiring Program originally authorized by the Board on December 18, 1997 (Resolution No. 5066) and further amended on September 16, 1998 (Resolution No. 5171) and reauthorized on February 27, 2008 (Resolution No. 6561) that pertains to apprentice utilization.

C. THE BUSINESS EQUITY PROGRAM

1. Purpose of the Business Equity Program. To ensure PDC provides professional, supplier and construction contracting opportunities to Certified Firms and to encourage the participation of businesses owned by veterans on Direct Contracting, Land Transactions
and on work utilizing PDC Resources.

2. Applicability. Direct Contracting entities, entities involved in a Land Transaction or entities receiving PDC Resources shall be obligated to comply with the Business Equity Program, upon meeting any one of the following criteria:

a) A PDC Personal Services Contract for any amount;

b) A PDC-Owned Construction Contract greater than $200,000;

c) A PDC Sponsored Project receiving more than $300,000 of PDC Resources to finance a project with Hard Construction Costs greater than $300,000; or

d) Intergovernmental Agreement with Hard Construction Costs greater than $200,000 and more than $100,000 in PDC Resources, whether performed by PDC or another agency. The Executive Director or the Executive Director’s designee may defer to the other agency’s program if its program is similar to PDC’s program. If PDC defers to the other agency’s program, utilization reports shall be provided to PDC by the other agency on a monthly basis.

3. Utilization Goals for Certified Firms. The following Utilization Goals are established upon the initial adoption of the Policy. The Executive Director is responsible thereafter for annually reviewing the Utilization Goals, and is authorized to modify them based on such annual analysis:

a) Personal Services Contracts: 25 percent of the payments made under such contracts;

b) PDC-Owned Construction Contracts: 20 percent of Hard Construction Costs;

c) PDC Sponsored Projects: 20 percent of Hard Construction Costs for residential low-rise construction and 20 percent of the Hard Construction Costs for commercial high-rise construction as calculated by an analysis of availability and capacity of Certified Firms for the specific project;

d) Interagency and Intergovernmental Agreements: the PDC program shall apply. However, PDC may defer to the other agency’s program if their program is similar to PDC’s program with monthly reporting provided to PDC; and

e) Flexible Service Contracts:

   (i) 30 percent of the total number of contracts in any fiscal year; AND

   (ii) 25 percent of the payments made under such contracts.

4. Notice and Timing. Should a party receive PDC Resources after it has expended funds on a project, started construction, or taken other action that would impair its ability to comply with the Business Equity Program, PDC (the project manager, with assistance from the M/W/ESB Coordinator) may negotiate a Certified Firm participation level that is reasonable and may provide technical assistance to achieve that negotiated Utilization Goal.

5. Prompt Payment. The Contractor and/or Developer shall pay all subcontractors and suppliers within ten calendar days after receiving payment from PDC on all PDC-owned and sponsored construction projects.

D. THE PDC WORKFORCE EQUITY PROGRAM

1. Purpose of the Workforce Equity Program.

a) To maximize apprenticeship opportunities in the construction trades and ensure employment opportunities for People of Color and Women on Direct Contracting, Land Transactions and on work utilizing PDC Resources; and
b) To encourage the employment of people with disabilities and veterans on Direct Contracting, Land Transactions and on work utilizing PDC Resources.

2. **Applicability.** Direct Contracting entities, entities entering into a DA or DDA or entities receiving PDC Resources shall be obligated to comply with the Workforce Equity Program upon meeting any one of the following criteria:

(i) The prime contract; and

(ii) Any subcontract greater than $100,000.

(iii) The Executive Director or the Executive Director’s designee may defer to the other agency’s program if its program is similar to PDC’s program. If PDC defers to the other agency’s program, utilization reports shall be provided to PDC by the other agency on a monthly basis.

b) On a PDC Sponsored Project the Workforce Equity Program shall apply if the project receives $300,000 or more of PDC Resources to finance a project with a Hard Construction Cost greater than $1,000,000 and shall apply to:

(i) The prime contract; and

(ii) Any subcontract greater than $100,000.

3. **Requirements.**

a) Projects subject to the Workforce Equity Program shall:

(i) Comply with the Workforce Training and Hiring Program to, among other things, ensure that a minimum of twenty percent (20%) of labor hours in each apprenticeable trade performed by the contractor and subcontractors are worked by state-registered apprentices, as such requirements are further described therein; and

(ii) Work toward achieving the Workforce Goals phased over a ten-year period as outlined in the table below. The percentage of hours set forth below includes both apprenticeship hours and journey level hours.

</tr>
<tr>
<td>People of Color</td>
</tr>
</tbody>
</table>

(iii) Make all reasonable and necessary efforts to employ a workforce that reflects the diversity of the City of Portland, including recruitment of a diverse workforce through the unions, the apprenticeship programs and other community resources.

b) Projects subject to the Workforce Equity Program are encouraged to employ people with disabilities and veterans.

4. **Notice and Timing.** Should a party receive PDC Resources after it has expended funds on a project, started construction, or taken other action that would impair its ability to comply with the Workforce Equity Program, PDC (the Project Manager, with assistance from the M/W/ESB Coordinator) may negotiate a level of compliance that is reasonable and may provide technical assistance to achieve that negotiated Workforce Goal.
E. **Equal Employment Opportunity Certification.** Contractors and subcontractors subject to the Policy must be certified by the City of Portland as an Equal Employment Opportunity Employer.

F. **Damages.** The procedural requirements of the Policy are contractual obligations. In the event that PDC determines, in its sole and absolute discretion, that the procedural requirements of the Policy have not been complied with, then PDC’s finding may result in one or more of the following:

   2. Disqualification of the developer, contractor or subcontractor to receive future PDC Resources or bid on future PDC solicitations.
   3. A claim for liquidated damages.
   4. Withholding of progress payments.

G. **Administration.** The Executive Director shall develop and administer administrative procedures and/or guidelines, and make any determinations necessary, to implement and manage the Policy.

H. **Exemptions.**
   1. The Policy shall not apply to projects within an Enterprise Zone or PDC Resources derived from Business Financial Resource Tools that are intended to be used for working capital or property acquisition.
   2. Any exemption or waiver of requirements of the Policy other than those stated in the Policy shall require approval of the Board.
