RE: Future of Peterson's on Morrison Convenience Store

Thank you for considering our testimony and the attached comments of support from the customers of Peterson's Convenience Store on Morrison. Peterson's has served downtown for over three decades and has established deep roots in the community. The comments by our customers demonstrate that Portlanders' have a strong desire for Peterson's to remain at our current Morrison location.

In addition, we hope to work with Prosper Portland to minimize any disruption to our employees. Many of them have worked with us for decades and come from diverse backgrounds, including women¹, minorities², LGBT³, people over 40⁴, the disabled⁵, and people with arrest records⁶. Displacing them for a year during the construction would cause unnecessary hardship and societal cost.

Please contact us as your earliest convenience to schedule a meeting to discuss this project and the future of Peterson's on Morrison in greater detail.

Sincerely,

Doug Peterson

Call me 503 475-0894
a registered VOTER! Figure out a creative way to do all the remodeling, construction, maintenance etc so the store can stay open during construction! say do 1/2 the store at a time... put on your thinking caps! as city employees who love their local businesses! Conscience question: when city hall is remodeled do you vacate building?
