Budget Message from Kimberly Branam

Executive Director

To the Members of the Prosper Portland Board of Commissioners (Board) and Portland City Council:

Portland continues to experience a thriving, post-recession economy with overall low unemployment and strong job growth. However, many Portlanders continue to experience wage stagnation and impediments to wealth creation. Portlanders of color are twice as likely to live beneath the poverty line as those who are white and have a fraction of the net worth as white households. Middle-wage job growth stagnates while low-wage and high-wage jobs increase and rising property values cause lower-income households to move further from the city's core.

Prosper Portland's FY 2018-19 Proposed Budget implements programs and projects that are critical to building an equitable economy. Driven by the desire to put people first, each project, program and partnership is developed to ensure that the growing economy benefits every geographic, demographic and cultural community. The Proposed Budget provides resources to expand the Inclusive Business Resource Network, execute updated industry cluster action plans, and continue to implement community based action plans in a number of districts including the North/Northeast Action Plan, Lents Action Plan, Old-Town/Chinatown Action Plan, and the Gateway Action Plan.

The year ahead will also be critical in implementing Prosper Portland's Ten Year Financial Sustainability Plan that guides the agency's financial and business practices through 2027 in support of its strategic priorities. This includes:

- Updating, streamlining and expanding investment products,
- Fully implementing investment and asset management approaches,
- Monitoring and adjusting administration and overhead,
- Exploring the expanded use of urban renewal to meet East Portland needs.

BUDGET OVERVIEW & HIGHLIGHTS

The enclosed FY 2018-19 Proposed Budget includes 79.9 full time positions, 6.2 limited term positions and updated estimates for project and program expenditures that were included in the Requested Budget. Affordable Housing Set Aside expenditures incorporate updated estimates on the timing of expenditures from the Portland Housing Bureau. The Proposed Budget is balanced using 1) the latest tax increment forecasts developed in conjunction with debt management staff at the City Office of Management and Finance, 2) the Mayor's Proposed Budget General Fund budget for economic development, and 3) updated estimates for loan portfolio and property income revenues.

Prosper Portland's total budget is divided across three business lines (Economic Development, Infrastructure, and Property Redevelopment) that include major redevelopment and economic development activities, lending programs, and grant programs that further Strategic Plan objectives. All Affordable Housing Set Aside resources are accounted for within the Housing category. These resources are programmed and invested by the Portland Housing Bureau.

Prosper Portland's General Fund Proposed Budget prioritizes resources essential to implement the Strategic Plan's focus on inclusive economic growth. The Proposed Budget includes relevant Proposed Budget decision packages, including an ongoing expansion of the Inclusive Business Resource Network (which includes funding for the Small Business Growth program, expansion of the Mercatus, and Small Business Technical Assistance) and one-time funding for the Portland Film Office and Traded Sector Inclusive Business Growth.

The FY 2018-19 Proposed Budget includes the implementation of the following urban renewal area (URA) strategies and plans:

- **North/Northeast Community Development Initiative:** Multiyear investment of \$32 million in remaining Interstate Corridor URA resources on small business and long-time property owner assistance, community livability grants, and a cultural business hub.
- **Gateway Action Plan:** Multiyear investment of \$35 million in the Gateway Regional Center URA including business investments in the Halsey/Weidler Corridor and mixed-use development in the Gateway Transit Center.
- **Lents Action Plan:** Multiyear investment of \$34 million in the Lents Town Center URA, including Lents Town Center redevelopment, SE Foster Road improvements, commercial affordability, and long-term property owner assistance.
- **Old Town/Chinatown Action Plan:** More than \$50 million in multiyear investment within River District and Downtown Waterfront URAs for small business vitality, district parking, and historic preservation.
- **Broadway Corridor Master Plan:** Development of a master plan that will guide phasing and future improvements in coordination with the selected master developer.
- **Oregon Convention Center:** Completion of the Convention Center Hotel Garage and design documents for air rights construction, and planning investment toward Rose Quarter/NE Broadway.
- **Central Eastside:** Investment in employment growth and industrial affordability at the recently purchased ODOT Blocks and City-owned Clinton Station.
- **North Macadam:** Implementation of the Zidell Yards Master plan and PSU partnership.
- **Housing Set Aside:** Ongoing implementation of the Revised Housing Set Aside Policy providing a total of 45 percent of all new TIF Debt Proceeds, totaling \$186 million in remaining set aside funds over the next ten years.

BUDGET PROCESS

The Prosper Portland FY 2018-19 Proposed Budget, totaling \$228 million in expenditures, was informed by the Prosper Portland Strategic Plan and draft FY 2018-19 Agency-Wide Work Plan. Prosper Portland reviewed the FY 2018-19 Draft Budget with its approximately 20-member Budget Advisory Committee (BAC), which met four times over the course of the budget cycle and whose members represent a diverse array of geographic, industry-sector and community stakeholders. The Prosper Portland Board of Commissioners held a work session on January 24, 2018 to review General Fund decision packages and URA spending plans that were incorporated into the Requested Budget. Staff also reviewed specific URA Requested Budgets with 12 community, business and neighborhood organizations to receive input. The Budget Committee and community organizations' input is reflected in the Proposed Budget.

As the sunset of specific urban renewal areas draws closer, underscoring TIF limitations to advance critical components of Prosper Portland's Strategic Plan, implementing the agency's Ten Year Financial Sustainability Plan begins in earnest. The plan establishes a framework that ensures public benefits and financial returns. Within the budget and forecast, Prosper Portland intends to generate new revenues and resources to sustain the agency's ability to deliver on its mission to create economic growth and opportunity for Portland.

About Prosper Portland

Prosper Portland creates economic growth and opportunity for Portland. Our vision is to make Portland one of the most globally competitive, healthy, and equitable cities in the world by investing in job creation, encouraging broad economic prosperity, and fostering great places throughout the city. We aspire to be a workplace of choice with passionate staff excelling in an open and empowering environment and sharing a commitment to our collective success.

Prosper Portland is committed to growing quality jobs, advancing opportunities for prosperity, creating vibrant neighborhoods and communities, and collaborating with partners to create an equitable city, with prosperity shared by Portlanders of all colors, incomes and neighborhoods.

Formally known as the Portland Development Commission, the agency uses its resources to focus public attention in specific areas of the city, which helps Portland realize capital projects, commercial growth, and small business expansion within eleven traditional urban renewal areas. It also carries out a comprehensive range of economic development programs that support small business, improve access to workforce training, and create jobs for all Portland residents across the city with particular focus on six neighborhood prosperity initiative districts.

The agency is headed by an executive director who reports to a five-member, volunteer Board of Commissioners appointed by the mayor and approved by City Council. The Board is authorized by City Charter to administer the business activities of the agency.

Description of Resources

Prosper Portland's operating and capital expenditures are supported by resources described below. Total resources, including Beginning Fund Balance for FY 2018-19, are budgeted at \$371.9 million, a decrease of \$49.7 million from the FY 2017-18 Revised Budget of \$421.6 million. Most of this decrease is due to a decline in property income resulting from some property sales that occurred in FY 2017-18, and a decline in beginning fund balance due to a decline in net resources from FY 2017-18 due to project spending.

Beginning Fund Balance - The FY 2018-19 Beginning Fund Balance budget is \$222.1 million, a decrease of \$15.4 million from FY 2017-18 Revised Budget of \$237.5 million.

The bulk of Prosper Portland's Beginning Fund Balance are in Capital Funds, which carry balances resulting from long-term and short-term tax increment bond proceeds, loan repayments, and other receipts. These beginning balances are programmed to fund economic development, housing, infrastructure, and property redevelopment projects sometimes over multiple years.

The net proceeds from tax increment financing are spent over multiple years on identified projects and programs. The balances are budgeted in Contingency and carried over to Beginning Fund Balance in the succeeding fiscal year. These balances are only spent on projects eligible for the bond proceeds.

City General Fund - Prosper Portland relies on the General Fund allocation from the City of Portland to fund economic development activities outside of urban renewal areas, and without the limitations that accompany TIF financing. These activities generally fall in two categories – Traded Sector and Community Economic Development. Prosper Portland is budgeted to receive \$5.9 million in FY 2018-19 to fund general economic development activities. This is a net decrease of \$254 thousand from the FY 2017-18 Revised Budget. As included in the Mayor's Proposed Budget, these figures include ongoing reductions of \$228 thousand, ongoing additional funding of \$375 thousand, and \$376 thousand in new, one-time funding.

Federal and Other Grants - This revenue category includes two funding sources – Federal HCD Contract and State and Local grants. The overall budget is \$2.7 million in FY 2018-19. The Federal HCD Contract is comprised of Community Development Block Grant funds for Economic Opportunity programs at \$2.1 million. Also included in this budget is the Tax Increment shared revenue that the Neighborhood Prosperity Initiative Districts receive from the State of Oregon and Multnomah County. The total for FY 2018-19 is \$658 thousand.

Program Income - Program income derives from the following sources: Fees and Charges, Interest on Investments, Loan Collections, Miscellaneous, Property Income, and Reimbursements. These funds are used to support development efforts, to provide loans for capital projects, to fund program management in urban renewal areas, and other activities. Program income received in urban renewal areas is retained within the corresponding urban renewal area and expended on projects in accordance with the City's

adopted urban renewal plans. Federal loan collection program income is restricted in expenditure by law.

The program income budget for FY 2018-19 is \$14.3 million, which is a decrease of \$28.0 million from the FY 2017-18 Revised Budget of \$42.3 million. This is largely due to a decrease in income from property sales of \$24.3 million from FY 2017-18. Major property sales budgeted for FY2017-18 include: 1) Parcel 3 in the North Macadam URA; 2) the Carpool Lot in the South Park Blocks URA; and 3) Block 49 in the Oregon Convention Center URA. There is also a decrease of \$3.1 million in revenue from Loan Collections – mostly due to budgeted loan principle payments in FY2017-18 from the Oregon College of Medicine.

Service Reimbursements - Includes recovery for administrative expenses for Prosper Portland's support departments: Executive, Social Equity, Policy and Communications, Legal and Human Resources and Finance and Business Operations. It also accounts for general administrative and paid time off charges for all Prosper Portland departments. The costs are allocated to operating department funds, which reimburse the General Fund for their share of the costs. Service reimbursements are budgeted at \$13.0 million in FY 2018-19, which is equivalent to the \$13.0 million budgeted for FY 2017-18.

Tax Increment Debt Proceeds – Oregon Revised Statutes (Chapter 457) requires that urban renewal property taxes be used to pay debt service on bonds and notes issued to fund projects in urban renewal areas. The City of Portland collects urban renewal property taxes to make debt service payments on long-term urban renewal bonds, lines of credit or other interim financing, and short-term urban renewal bonds (known as “du jour” bonds). Prosper Portland receives the net proceeds of these debt obligations, after payment of issuance costs and required reserves, to use on eligible projects within designated urban renewal areas.

The financing plan for FY 2018-19 was developed in conjunction with the City of Portland using conservative assumptions on tax increment revenue collections and debt service requirements. Prosper Portland's FY 2018-19 tax increment debt proceeds of \$102.0 million is estimated to be \$15.6 million lower than the FY 2017-18 Revised Budget of \$117.6 million.

Short Term (S-T) Debt – Short-term (“du jour”) debt is overnight borrowing used to make tax increment revenues available to Prosper Portland that are in excess of amounts necessary for debt service on outstanding urban renewal bonds or other indebtedness. The FY 2018-19 Budget includes \$94.0 million of du jour, a decrease of \$3.1 million from FY 2017-18.

Du jour was collected in 12 urban renewal areas in FY 2017-18 – Central Eastside, Gateway Regional Center, Interstate Corridor, Lents Town Center, Neighborhood Prosperity Initiative, North Macadam, River District and the six Neighborhood Prosperity Initiative Districts – du jour increases (or decreases) as the Assessed Values within the urban renewal area boundary change, and du jour revenues vary as a result. As more

long-term debt is issued for these districts, higher debt service payments will reduce amounts available from du jour.

Most of the decrease for FY2018-19 is related to adjustments made in River District in an effort to manage the remaining annual cash flow to the district as the district approaches the maximum amount of short-term debt that can be issued that was authorized by City Council in FY 2017-18.

Long Term (L-T) Debt – The FY 2018-19 Budget for long term debt is \$8.0 million, a decrease of \$12.5 million from FY 2017-18. This number represents line of credit draws that will ultimately be financed by bond sales. The amount of long-term debt issued each year is based on a number of factors including the urban renewal area's capacity to issue long-term debt, the demand for resources based on projected expenditures and the optimal economic timing for bond sales. Slightly lower net amounts of long-term debt will be issued in FY 2018-19 due to projects approaching completion in the Lents Town Center are offset by an increase in River District for funding of the Broadway Corridor, and development of the former U.S. Post Office site.

Prosper Portland does not have any debt service in its budget related to tax increment funding. This is because the City of Portland issues all urban renewal long-term bonds, tax increment-secured lines of credit, and short term financing per City Charter. The City of Portland maintains separate debt service funds for each Urban Renewal Area. These debt service funds can be found through the City of Portland's budget at <http://www.portlandonline.com/>.

Each urban renewal area has its own plan which details the area including the legal boundaries, goals and objectives, definitions, project activities, and expiration dates. Each plan provides details on the condition of the area, maximum indebtedness, and fiscal impacts. Key facts about each urban renewal area and its capacity for debt issuance are shown on the following table.

Urban Renewal Area	Maximum Indebtedness	Indebtedness Issued as of 12/31/17	Indebtedness Remaining as of 12/31/17	Projected Indebtedness to Be Issued	Last Date to Issue Long Term Debt	Acres

South Park Blocks	\$143.6	\$112.0	\$31.6	\$0.0	July 2008	156.3

An urban renewal area's maximum indebtedness represents the principal amount of indebtedness that may be issued for a given urban renewal area, and does not include debt service or refinancing costs. The maximum indebtedness limit is based on good faith estimates of project costs, including inflation, that are planned in each urban renewal area.

The plan expiration date is the stated date within each urban renewal area's Plan after which no additional new bonded indebtedness may be issued.

Description of Requirements

Prosper Portland's Requirements Budget for FY 2018-19 is \$371.9 million (including \$130.1 million in Contingency and \$13.2 million in interfund transfers), a decrease of \$49.7 million from the previous year.

Prosper Portland's Total Expenditure Budget (net of Contingency, Transfers, and Ending Fund Balance) is \$227.9 million, an increase of \$40.8 million from the prior fiscal year, mostly due to spending for the Old Town/China Town Action Plan being moved from the FY2017-18 to the FY2018-19 Budget. Prosper Portland's budget is appropriated by Program Area. The budget includes Non-Departmental requirements for Debt Service.

Expenditures by Program Area

The total budget for Prosper Portland's Program Areas in FY 2018-19 is \$227.9 million. Total expenditures are budgeted in the five program areas detailed below:

Economic Development – The Economic Development program budget is \$13.4 million. This category includes business lending, community economic development, traded sector business development, and entrepreneurship programs funded largely by City General Fund, Enterprise Zone and Community Development Block Grant funding. Total spending within program categories have been adjusted from FY 2017-18 based on General Fund reduction and add packages. General Fund add-packages include ongoing funding for the Inclusive Business Resource Network and one-time funding for the Portland Film Office, traded sector small business growth, expansion of the Mercatus Collective and Alberta Main Street.

Housing – The Housing program budget is \$60.6 million. These expenditures occur through an intergovernmental agreement with the Portland Housing Bureau and incorporate amendments to the Housing Set Aside policy adopted by City Council in 2015 that dedicates 45% of all new TIF Debt Proceeds to affordable housing. Year to year changes in budget are related to the timing of project expenditures as provided by the Portland Housing Bureau to Prosper Portland to incorporate into the annual budget and Five-Year Forecast.

Infrastructure – The Infrastructure program budget is \$11.7 million. This category includes all projects and programs that are public infrastructure improvements including parks, public facilities, and transportation. Current projects include transportation improvement projects such as Bond Ave. in North Macadam, the Clinton Triangle in Central Eastside, and Street Improvements in Gateway.

Property Redevelopment – The Property Redevelopment program budget is \$128.6 million. This category includes all projects and programs that relate to property redevelopment. It is comprised of commercial property redevelopment, commercial real estate lending, and community redevelopment grants. Amounts budgeted increase \$53.3 million from FY

2017-18 largely due to the reprogramming of funds for the Old Town/Chinatown Action Plan in Downtown Waterfront and River District from FY 2017-18 to FY 2018-19.

Administration – The Administration program budget is \$13.6 million. This represents a net increase of \$340 thousand from FY 2017-18 due to increased interest costs in River District on its City of Portland General Fund backed line of credit.

Non-Program Requirements

Non-Departmental requirements are Transfers and Contingency.

Transfers – This category accounts for transfers between funds. There are cash transfers totaling \$13.2 million budgeted for FY 2018-19. Transfers are comprised primarily of Internal Service Reimbursements from Capital and Special Revenue funds to the General Fund for administrative overhead. Transfers also include cash equity transfers or inter fund loans. Total operating transfers related to Interfund Loans total \$207 thousand for FY 2018-19. This is a decrease of \$679 thousand from FY 2017-18.

Contingency – A Contingency amount is budgeted to cover unanticipated requirements and reserve funds for projects planned in future fiscal years. The Contingency budget decreased from \$220.6 million in FY 2017-18 to \$130.8 million in FY 2018-19 largely due to the programming of existing URA cash resources to fund URA projects and programs.

Prosper Portland's Fund Structure

Prosper Portland has 5 Fund Types and
22 Budget Funds

Description of Prosper Portland's Fund Structure

Prosper Portland has 22 budget funds. Within each budget fund, Prosper Portland has sub-funds to account for specific programs that require separate tracking. A brief description of each of the legal appropriation fund types is below:

General Fund - This is Prosper Portland's operating fund. The General Fund accounts for administrative activities including indirect overhead costs and the project management office. In addition, economic development programs funded by the City General Fund are budgeted here.

Urban Renewal Funds - These funds are used to manage the finances of Prosper Portland's urban renewal areas. The primary source of revenue for these funds is tax increment debt proceeds and program income derived from the investment of tax increment proceeds.

Enterprise Fund - The Enterprise Fund accounts for economic development activities. Additionally it contains the Enterprise Management Fund, which provides for activity related to the operations and maintenance of Prosper Portland properties or City of Portland properties Prosper Portland has contracted to manage outside of Urban Renewal Areas. Currently, this fund includes operating revenues and expenses of the Headwaters Apartment.

Internal Service Fund - The Internal Service Fund, or Risk Management Fund, was created to make funds available for insurance claims and other unforeseen circumstances.

Special Revenue Funds - Prosper Portland's Special Revenue Funds include the following: Ambassador Program, Enterprise Zone, HCD (Housing and Community Development), Housing Acquisitions, and Other Federal Grants. The Special Revenue Funds account for the proceeds of specific revenue sources that are dedicated for specific purposes. These funds account for federal grants, local grants, and private activities.

FTE Position Changes – The following describes changes in FTE positions by fiscal year:

FY 2016-17 – The FY 2016-17 Revised Budget recognized a decrease of 7.5 FTE following implementation of the 2015 Early Retirement Incentive Program and reorganization of Prosper Portland Departments. Most functions within Urban Redevelopment and Real Estate and Lending Departments were reorganized into the Development and Investment Department and the Economic Development Department. Also, policy and research positions formally included in the Urban Development Department and Opportunities Collaborative Department were transferred to the Social Equity, Policy and Communications Department. The net decrease in positions is consistent with the anticipated reduction in positions that will occur over time through attrition in Prosper Portland’s long-term financial plan.

FY 2017-18 – The FY 2017-18 Revised Budget includes total budgeted positions of 80.9 FTE. Positions were further decreased as a result of vacancies and consolidation of duties in several departments.

FY 2018-19 – The FY 2018-19 Proposed Budget includes the same level of positions, recognizing reduction of several positions that occurred in FY 2017-18 with the exception of Economic Development, where a General Fund cut package eliminates the Healthcare Cluster Industry position.

Limited-Term Equivalents (LTE)

LTE positions are hired for assignments that are short-term in nature (one to three years). LTE are utilized by departments as shown in the table below. Prosper Portland's policy is to fill LTE positions for initiatives that have clear end-dates for specific work. This allows for flexibility in meeting workload demands while managing long-term staffing costs. The FY 2018-19 Proposed Budget includes 5.2 positions;

- Strategic Capital Improvement Consultant in Development and Investment to determine lending structures going forward.
- Human Resource Generalist in Human Resources to support short-term workload needs.
- Two Project Coordinators in Economic Development to support a one-year funding for the Film and Video program established by the City General Fund and the Entrepreneurship and Community Economic Development section,
- Social Equity, Policy and Communications to support implementing equity goals on the Broadway Corridor project.
- 1.2 positions in Finance and Business Operations (.6 LTE in Business Operations and .6 in Finance).

General Fund

The general fund is composed of sub-funds that do not have the geographic and program restrictions of the urban renewal funds. These sub-funds are the Indirect Fund, City General Fund, EOI General Fund, Grant Offset Fund, and the Predevelopment Fund.

General Fund Reduction Packages

Small Business Working Capital Micro Loans

The aim of the Small Business Working Capital program is to promote wealth creation for small-scale, low-income, immigrant, and/or minority-owned firms who aim to grow their businesses. As such, resources are prioritized for businesses that have historically faced barriers accessing financing from traditional lenders. These funds could be allocated to multiple programs including the Mini-Micro Loan Fund which has been administered by Micro Enterprise Services Organization since April 2016.

The reduction of \$52,838 means that 26 new micro loans will go unfunded by a program that has historically included 77% borrowers of color and 54% female borrowers.

Alberta Main Street

This reduction packages removes Alberta Main Street's ongoing funding of \$33,000 and adds \$25,500 back as one-time funding to assist Alberta Main Street during its transition into being a self-sustainable organization. Alberta Main Street is a community run organization that promotes and supports local businesses within its district.

Healthcare Cluster

This reduction package of \$142,240 eliminates funding for Prosper Portland's work in the new Healthcare cluster. Prosper Portland has not yet started work in this field; its intent was to connect residents and employers to job and supply-chain opportunities at local hospitals and medical institutions. This new cluster would serve as Prosper Portland's focal point for strategic work with OHSU related to the Knight Cancer Institute and emerging sectors such as Medical Devices and Health Sciences.

While the healthcare sector brings in hundreds of millions of dollars to the Greater Portland region on an annual basis, most of these funds come through research grants and transfer payments, rather than the commercial transactions that define a traditional traded cluster. As a result, not all approaches that benefit traded sectors are applicable to healthcare. The ones that do include extensive retention and expansion work, financial assistance to underrepresented businesses, coalition-building between private, public and nonprofit sector partners, and connecting larger employers to smaller ones for supply chain and mentoring opportunities.

The Portland healthcare sector suffers from a significant talent shortage and offers strong career opportunities for traditionally marginalized communities. Additionally, the city's major healthcare institutions represent excellent business opportunities for MWESBs through the development of anchor strategies – a model that has worked well in several major U.S. healthcare markets. Prosper Portland's work would focus on creating pathways for historically disadvantaged populations and businesses within the sector.

General Fund Add Packages

Small Business Growth Program (Increase & Xxcelerate)

In order to truly focus on wealth creation for entrepreneurs, a multi-tiered approach is needed. Historically, Prosper Portland has invested in startup development without a focus on the next phase of business growth, in which an entrepreneur can take advantage of wealth creation opportunities like opening multiple locations, hiring additional employees, launching new products, entering new markets, exporting, and more. Prosper Portland successfully piloted the Increase Project in 2016, supporting 10 business owners of color to create growth plans. In 2017, the PSU Business Outreach Program took over administration of the program. Also in 2017, Xxcelerate was founded by a group of female entrepreneurs as a way to educate other women founders and help them access non-debt capital. Both programs include peer to peer learning, a curriculum focused on growth, and connection to experts and mentors. These small business growth programs are a critical part of the Inclusive Business Resource Network in order for businesses to grow and scale.

With \$275,000 in ongoing funds, Prosper Portland expects 45 to 60 growth-oriented entrepreneurs to be served through growth programs, with a focus on business owners of color and women. Both programs have an equity focus. Xxcelerate's program was developed for women founders and 40% to 50% of participants are women of color. The Increase Project focuses on supporting business owners of color. In 2017, half of the first cohort's participants were people of color and it is anticipated that 75% to 100% of participants in the second cohort will be people of color.

Small Business Technical Assistance (Tax & Financial Support)

The Inclusive Business Resource Network (IBRN) provides general business support and relies on supplemental service providers with expertise in financial and credit counseling, tax preparation, market research and bookkeeping to ensure their client's success. This program provides a suite of financial services for businesses in IBRN including professional tax preparation, one-on-one support for individuals with more complex tax situations, assistance with market research for business planning and accounting support year-round.

The ongoing funding of \$100,000 will provide support for approximately 100 small businesses. Many of the clients supported by IBRN face additional barriers around taxes and bookkeeping including language barriers, limited understanding of business regulations and past due taxes. This funding package will support some of the more vulnerable clients who need one-on-one support.

Alberta Main Street

Alberta Main Street's ongoing funding cut of \$33,000 is slightly offset by this \$25,500 add package.

Expansion of Mercatus - My People's Market

Mercatus is a storytelling platform and directory initiative designed to elevate and connect entrepreneurs of color. The Mercatus Directory provides the opportunity for entrepreneurs of color to

connect with new clients. Businesses listed in the directory receive invitations to networking events, trade shows and connections to Prosper Portland industry clusters including athletic and outdoor, manufacturing, healthcare, technology, and green cities. The Mercatus Collective celebrates the determination, work and resiliency that go into running a business. It is a collective effort to reframe the business landscape of Portland to include entrepreneurs of color.

This year's My People's Market featured more than 80 businesses, provided a launch pad for emerging businesses in the Mercatus collective and drew more than 1,000 people. \$100,000 in one-time funding will allow Mercatus to convene Portland entrepreneurs through six community storytelling events and two community driven marketplaces. In FY 2018-19 Prosper Portland anticipates growing the Directory to 400 businesses and building out robust distribution channels for the Mercatus Mini Mag to further elevate entrepreneurs of color in Portland.

Portland Film Office

The Portland Film Office is a one FTE entity supporting an industry that generated \$162 million in economic activity in FY 2016-17. The Film Office serves as the liaison between film productions working within the city - helping them navigate the regulations and relationships needed to conduct business, while minimizing the negative impact such work has on residents and businesses. This economic activity increased Portland's national and international presence, specifically through shows on HBO, Netflix, IFC and NBC. The Film Office sets local policy, removes barriers, and works to ensure film production increases economic and cultural benefits for the local workforce and local businesses. It works to attract film production and to represent Portland globally.

In collaboration with the City Budget Office and in response to the FY 2017-18 Adopted Budget, Prosper Portland is extending the Film Office's General Fund request of \$142,240 for one year. Over FY 2018-19, Prosper Portland will work with permitting bureaus to develop a process for the successful long-term funding of the Portland Film Office.

Traded Sector Inclusive Business Growth

\$50,000 one-time funding is dedicated for the Traded Sector Inclusive Innovation Fund. This will be a grant program modelled after the community livability grants in which small, traded-sector employers can obtain financing for growth initiatives (exporting, marketing, equipment) in exchange for Public Benefit Agreements (PBAs). These PBAs will match the requirements for Enterprise Zone funding of similar size.

The remaining \$58,500 in one-time funding will go toward the Traded Sector Inclusive Internship Fund. This grant program will fund part-time internships and full-time apprenticeships at small traded sector businesses for youth from underrepresented backgrounds. Small businesses are often unable to fund these types of positions on their own due to the risk involved in committing scarce cash resources to temporary, part-time labor. At the same time, underrepresented youth often lack the financial stability to take unpaid internship work, leaving them crucially short on relevant work experience for building a traded sector career.

Special Revenue Funds

These comprise a governmental fund type used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally restricted to expenditures for specified purposes such as funds that account for federal and state grant activities.

- Other Federal Grants -
Accounts for revenues and expenditures under the Economic Development Administration Revolving Loan program and historical grants including the Clean Tech Economic Development Administration grant and Market Development Cooperator Program grant.
- HCD (Housing Community & Development) Contract Fund -
Accounts for the Community Development Block Grant funds administered through the City of Portland's Bureau of Housing & Community Development.
- Enterprise Zone -
Accounts for monies received from participating Enterprise Zone companies to provide the North/Northeast Portland community with workforce and business development opportunities.
- Ambassador Fund -
Accounts for monies donated by private business for outreach activities and special events.
