Grantee has (a) full power and authority to carry on its business as now being conducted and as Grantee contemplates it to be conducted with respect to the Project, and (b) full power, authority, and legal right to execute and deliver this Grant Agreement and all other agreements, documents and instruments contemplated hereby or thereby (collectively, the “**Grant Documents**”) and to incur and perform its obligations hereunder and thereunder. Promptly after the Project Completion Deadline or any termination of this Grant Agreement, Grantee shall repay to Grantor any Grant funds remaining in Grantee’s possession that are not needed to cover allowable Project costs incurred prior to the Project Completion Deadline or the termination of this Grant Agreement. The foregoing repayment obligation shall survive any termination of this Grant Agreement.

Grantee will permit Grantor and/or its duly authorized representatives to inspect, review and make excerpts and transcripts of its books of account and records with respect to the receipt and disbursement of funds received from Grantor. Access to these records is not limited to the required retention period. The authorized representatives shall have access to the records at any reasonable time for as long as the records are maintained. This Section 3.5 shall survive completion of the Project and any termination of this Grant Agreement.
