

Williams & Russell Project Working Group Update - May 5th 2021

RFP Respondents

The Williams & Russell request for proposals (RFP) closed on April 8th, 2021. We received three great responses to our solicitation. Below you will find the lead developer and lead contractor for each of the proposals in the order they were received.

Adre PCRI / Colas
HMS / Anderson
CMC / Bratton

The Project Working Group is reviewing the proposals to determine the best development partner for the next phase of this work. There will be opportunities to engage and learn more about these great development teams during our May and June meetings.

PWG Open House

Thank you to all of the community members who attended our open house on March 31st 2021. Over fifty community members joined the space and thank you for your presence. We will continue to ensure that the community is seen, heard, and that the input we receive informs our decisions. In addition we want to thank Mayor Wheeler, Commissioner Ryan, and Legacy Health Board Chair Charles Willhoite for their contributions to the event.

Williams Russell CDC Board Member Announcement

The Williams Russell CDC is the new non-profit organization that will be taking over the work of the PWG in the next phase of this development. The Williams Russell CDC is seeking additional community members to serve on its board. Please see the attached Williams Russell CDC Board Opportunity document for details.

The following Project Working Group members will be staying on to serve on the Williams Russell CDC board of directors:

Bryson Davis	Joy Alise Davis	Anthony Deloney
James Faison	Tony Hopson	Justice Rajee
Walter Robinson III		

Upcoming Meetings

The Williams & Russell Project Working Group's meetings are open for public attendance. Our meetings are working meetings for the working group, but we always leave time for public comment and welcome the concerned community members to attend. We meet twice per month via Zoom and our meetings alternate between evening and afternoon.

5/5/21 @ 12PM
5/19/21 @ 530PM
6/2/21 @ 530PM
