**B. HUD 108 Program 2017 Refinance Authorization**

1. The City was awarded a U.S. Department of Housing and Urban Development (“HUD”) Economic Development Initiatives (“EDI”) Section 108 loan of \$8,000,000 and a corresponding \$2,250,000 in Economic Development grant funds. Prosper Portland has performed certain roles and responsibilities related to these awards in accordance with Agreement No 32101, passed by Council on January 20, 1999.

2. Agreement No 32101 terminated on June 30, 2001 and there were no subsequent renewals agreed upon in writing between the Parties. In spite of the termination, Prosper Portland continued to provide services in accordance with the original agreement in good faith in conjunction with the City, with regard to Agreement No 32101. By Ordinance No. 181283, Council authorized PHB (formerly known as the Bureau of Housing and Community Development (“BHCD”)) to enter into an intergovernmental agreement with Prosper Portland regarding the administrative responsibilities for the Commercial Revitalization Loan Fund (“CRLF”). The formal execution of the amendment extending Agreement No 32101 occurred by the Parties effective October 2, 2007 (the “2007 Amendment”).

The 2007 Amendment declared the intent of the Parties to continue to work together on the development of the HUD 108 program, and that BHCD (now PHB) be responsible for administering the program, and that PDC (now Prosper Portland) be responsible for the implementation of the CRLF. The 2007 Amendment further authorized PHB and Prosper Portland to mutually agree upon renewal of the Intergovernmental Agreement. The 2007 Amendment lapsed by its own terms in 2010, but the Parties have continued in good faith to administer their various obligations under Agreement No 32101, manifesting their on-going, continuous agreement through the ordinary course and scope of dealing.
4. In Ordinance No. 184269, effective December 1, 2010, Council delegated to PHB’s Director authority to review and accept Section 108 guaranteed loan pool funds from HUD, in consultation with the Commissioner in Charge.
5. The Parties acknowledge and agree that the terms of the 2007 Amendment have continued to be performed by the Parties through their ordinary course of dealings as if it remained in full force and effect, and the Parties hereby ratify and agree that the 2007 Amendment continues in effect through June 30, 2023 in all of its terms and conditions.
6. Actions by CRLF borrowers funded under the CRLF, including, but not limited to, payment default or restructures, may cause HUD to take financial action against the City and its CDBG entitlement. Prosper Portland hereby agrees to take any and all actions that may be necessary, including curing any defects and restoring funds, to ensure that the City is held harmless and that the City’s

CDBG entitlement is not compromised as a result of Prosper Portland’s actions or omissions with respect to the CRLF.

### **C. Community Opportunities and Enhancement Program (COEP)**

1. The City of Portland, through Council Resolution 37331, directed the Office of Management and Finance (OMF) and the Office of Equity and Human Rights (OEHR) to develop the COEP. City Council amended the COEP and authorized the City to enter into an Intergovernmental Agreement with Prosper Portland to administer Phase 1 of the COEP via Ordinance No. 189834, adopted January 29, 2020. OMF, OEHR and Prosper Portland entered into an Intergovernmental Agreement governing the administration of Phase I of the COEP effective as of February 29, 2020.
2. Prosper Portland, OMF, and OEHR are committed to increasing diversity and equity in public contracting for minorities, women, low income, and disadvantaged people through workforce and business development.
3. PHB’s Housing Bond Strategy requires development teams to use a City funded 3<sup>rd</sup> party consultant to assist with implementation of equity hiring and workforce training plans.
4. Through the COEP, subcontractors on each PHB funded project will have access to COEP service providers who can assess their needs, create a plan of assistance, and connect them to the appropriate resources and services.
5. PHB agreed in the 2020-2021 Prosper-PHB IGA to pay Prosper Portland for these services in an amount of up to \$300,000, payable over a three-year period. PHB will continue to make payments for services rendered, up to the remaining balance of the funds committed in the 2020-2021 Prosper-PHB IGA, and Prosper Portland will continue to provide services under this Section III(C) during the term of this Agreement.

  2. The parcel(s) and the location within the USPO Site that has been determined between Prosper Portland and PHB in accordance with the Master Plan and IGA between Prosper Portland and the City of Portland for River District Support is Parcel 4, with the potential for future additional affordable housing development rights at One Waterfront or Block R, contingent upon the inclusionary housing units achieved via private development and achieving the overall Master Plan affordable housing goals.
  3. Working with Prosper Portland and future developers, PHB will use the remaining \$5,500,000 to invest in affordable housing.
  4. Working with Prosper Portland and future developers, PHB will use available regional or local housing bond resources to implement affordable housing on the developable portion of Parcel 4 as part of Phase 1 Master Plan development, including any final sidewalk finishes or other infrastructure improvements required under the Master Plan and IGA.

- D. **Joint Projects Roles and Responsibilities.** For projects receiving TIF from Prosper Portland or PHB and that involve both residential and commercial uses, a lead agency will be designated for purposes of negotiating with the developer, coordinating with other project partners and organizing public outreach regarding certain projects as guided by the following principles:

1. When a project is funded primarily by 45% TIF Set Aside (and neither located on Prosper Portland-owned property nor financed with 55% non-TIF Set Aside resources) then PHB is the project lead; PHB shall consult with Prosper Portland to determine policy objectives with regard to commercial uses in the specific geography.

3. When a project is jointly funded with 45% Set Aside TIF and 55% non-Set Aside TIF and is a Mixed-Income Project or a Mixed-Use Project then:
  - a. Unless otherwise mutually agreed, the property owner is the lead agency; and,
  - b. If neither agency is the property owner, the level of financing, long-term ownership interest (beyond lien or deed restriction), and other factors such as significant public or community goals related to the project will determine the lead agency role.
4. USPS/Broadway Corridor Site:
  - a. After the parcelization of the USPS Site, PHB will be the lead agency for those portions of the USPS Site transferred in fee simple to PHB under Section IV(C), above; and,
  - b. With regard to the PHB investment of \$5,500,000 under Section IV(C)(3), above, the determination of lead agency will be made in accord with Sections IV(D)1-3, above.

**E. Project Coordination and Processes for Mixed-Income, Mixed-Use Projects:**

1. The lead agency/negotiator should be established as soon as the project scope is determined but no later than when project negotiations commence through a letter agreement, which may be memorialized annually in omnibus IGAs such as this Agreement;

2. The lead agency will draft and share key project terms and timeline expectations with the partner agency, including early coordination on both agencies' underwriting processes, and secure agreement within letter agreement; In the case of Requests for Proposals/Qualifications/Information or Notices of Funding Opportunity the request/notice should be drafted by lead agency and reviewed by both agencies before release; partner agency representative should participate on selection committee.

3. Regular Prosper Portland/PHB leadership meetings will address the subject matter addressed by Sections IV(E) 1-2, above. The meetings will focus on those projects reflecting joint funding and mixed-income, mixed-use qualities. The leadership meetings will be formatted to foster efficient, effective communication and coordination between the Parties. Issues, terms or comments

that are deemed by one agency to be “key” or “critical” shall be highlighted at this meeting or in writing to the other and elevated to management for attention.

4. Agreement on key terms (including implementation schedules and critical milestones) and any changes to those terms that impact the other agency’s investment or related programming will be reached with partner agency before being shared with external partner or accepted by lead agency.

5. Agency staff and attorneys will review documents and provide written comments within 15 days or as previously/mutually agreed.

## **VI. FUNDING/COMPENSATION/ALLOWABLE COSTS; PROSPER PORTLAND**

- A.** Subject to the terms and conditions of this Agreement, Prosper Portland agrees to transfer to PHB during fiscal year FY 2022-23 on a reimbursement basis for work performed under Agreement Section II(A), a sum not to exceed the amount set forth in **Exhibit A** (the “Budget”) attached hereto and incorporated herein by this reference (the “Funding”). The Prosper Portland Contract Signatory and the PHB Contract Signatory are authorized to modify the Budget, through a duly executed amendment to this Agreement, if sufficient funds have been appropriated for Housing in the Prosper Portland Budget to cover the maximum amounts payable by Prosper Portland under this Agreement from each urban renewal area and sufficient funds have been appropriated for PHB in the City of Portland’s Budget to cover the costs of providing the services under this Agreement.
- B.** The full amount of the Funding is authorized in Prosper Portland’s budget for FY 2022-23. In addition to the Funding, Prosper Portland has prepared the Housing Forecast for the succeeding four fiscal years that identifies the currently anticipated future urban renewal funding in support of projects that further the City’s Affordable Housing Set Aside Policy. All Funding not expended in FY 2022-23 and all funding in the Housing Forecast is subject to budget

appropriation and, if appropriated, will be made available to PHB under the terms of a future intergovernmental agreement or an appropriate amendment of this Agreement. Prosper Portland staff will recommend that any Funding encumbered but not expended in FY 2022-23 as well as the urban renewal financing for Affordable Housing Set Aside Projects identified in the Housing Forecast be appropriated in subsequent Prosper Portland budgets, as reasonably necessary, to the extent funds are available, and to the extent consistent with Council’s housing policy, including its Affordable Housing Set Aside Policy. Future funding from Prosper Portland for Affordable Housing Set Aside Projects is expected to comply with Council’s Affordable Housing Set Aside Policy, though the actual amount appropriated from year to year may vary based on actual expenditures in prior years.

C. The Funding made available to PHB under this Agreement is comprised solely of urban renewal resources available to Prosper Portland under ORS Chapter 457. Accordingly, PHB’s expenditure of the Funding is subject to the limitations of, and must be consistent with, ORS Chapter 457. Prosper Portland will make the Funding available from the urban renewal areas as set forth in the Budget. TIF made available from a particular urban renewal area may be utilized solely on Affordable Housing Set Aside Projects in that urban renewal area. Program Income generated from PHB’s expenditure of TIF resources (e.g., repayment of loan proceeds where the initial loan was funded by TIF resources; sale proceeds of real property initially purchased with TIF resources) may be used by PHB for any lawful purpose. As further described in Section VIII below, PHB may seek reimbursement from Prosper Portland under this Agreement for the following costs reasonably incurred in performing activities falling within Section II(A) of the PHB Scope of Work, within the line-item limits of the Budget and subject to the monetary and use limitations set forth above:

1. Direct Costs.
  - a. Personnel Services. Reimbursement of direct salary and benefit costs paid to staff.
  - b. External Materials and Services. Reimbursement of actual costs for the purchase of materials, supplies and external services, including but not limited to, professional/technical/expert services, equipment, construction services, travel, training, and incidental expenses.
  - c. Capital and Financial Assistance. Reimbursement for disbursements made under loan, grant, or other financial assistance agreements, for acquisition of real property by PHB, and for environmental remediation of real property owned PHB, made pursuant to PHB and City policies, procedures, and guidelines.
2. Indirect Costs.

- a. Personnel Services. Reimbursement of PHB administrative, planning, and policy unit indirect staff costs (charged to a TIF indirect staffing cost object, which is then allocated based upon direct staffing charges to Affordable Housing Set Aside Projects).
- b. Support Costs. Reimbursement of support costs including space rental, City of Portland Bureau of Internal Business Systems charges, and other generally accepted fixed costs of doing business. These costs will be reimbursed in FY 2022-23 via an indirect cost charge of 95.45% against billed direct personnel services costs of PHB staff in each URA. This rate is derived from PHB’s Indirect Cost Plan as managed by the City Budget Office.

## VII. BILLING AND PAYMENT PROCEDURE

Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.
7. **RELOCATION, ACQUISITION AND DISPLACEMENT.** The Subrecipient agrees to comply with 24 CFR 570.606, 574.630 or 576.80 relating to the acquisition and disposition of all real property utilizing grant funds, and to the displacement of persons, businesses, non-profit organizations and farms occurring as a direct result of any acquisition of real property utilizing grant funds. 10. **NATIONAL FLOOD INSURANCE PROGRAM.** §570.605 Notwithstanding the date of HUD approval of the recipient's application (or, in the case of grants made under subpart D of this part or HUD-administered small cities recipients in Hawaii, the date of submission of the grantee's consolidated plan, in accordance with 24 CFR part 91), section 202(a) of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4106) and the regulations in 44 CFR parts 59 through 79 apply to funds provided under this part 570.
11. **LEAD-BASED PAINT.** The Subrecipient agrees that any construction, rehabilitation and maintenance of residential structure with assistance provided under this contract shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, 574.635 and 24 CFR Part 35, and in particular Sub-Part B thereof. Such regulations pertain to all HUD-assisted housing and require that all owners, prospective owners, and tenants or properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. However, a facility originally assisted with CDBG funds may be used on an incidental basis to hold political meetings, candidate forums, or voter registration campaigns, provided that all parties and organizations have access to the facility on an equal basis, and are assessed equal rent or use charges, if any.
  - B. Activities listed in [Section 570.207](#) may not be assisted with CDBG funds unless authorized under provisions of [§ 570.203](#) or as otherwise specifically noted herein or when carried out by an entity under the provisions of [§ 570.204](#).
13. **CHURCH/STATE.** The Subrecipient agrees to comply with the applicable provisions of 24 CFR 570.200(j), Executive Order 13279 (Equal Protection for the Laws for Faith-Based and Community Organizations), pursuant to §570.607(a) regarding the use of federal funds by religious organizations and pursuant to 41 CFR chapter 60.
14. **ENVIRONMENTAL REVIEW.** The City has met the requirements of the National Environmental Policy Act of 1959 under 24 CFR Part 58 for this contract.

## **PART B: ECONOMIC OPPORTUNITY INITIATIVE DESCRIPTION**

### **I. AUTHORITY**

The provision of economic development activities for very low-income individuals is a goal of the City of Portland and part of the City and County Consolidated Plan. The City Charter directs the Subrecipient to advance social equity and create, maintain and promote a diverse, sustainable community in which economic prosperity and employment opportunities are made available. The City directs CDBG funds to the Subrecipient for administration of a variety of economic development programs and activities under the Economic Opportunity Initiative (EOI).

### **II. SCOPE OF SERVICES**

The EOI is a City-wide economic prosperity program focused on increasing the incomes and economic self-sufficiency of very low-income residents. There are two program elements: (1) Microenterprise Development, which offers individualized business education, and technical assistance; and (2) Adult, Community Workforce Navigator and Youth Workforce Development, which offers intensive training, job and post-secondary placement, advancement in specific career tracks and life skills support. The Subrecipient has operated the EOI since July 2009.

The Subrecipient implements EOI programming principally through multiple sub-grants of funds made available under this IGA to other Subrecipients, as permitted by, and in accordance with, the federal law governing the Community Development Block Grant (CDBG) program. The Subrecipient also utilizes City General Funds, provided under a separate Intergovernmental Agreement (IGA), to carry out the EOI program. The CDBG budget for EOI is summarized in TABLE A.

Providers funded under the EOI will deliver intensive support and customized microenterprise or workforce development services to income-qualified participants.

The Subrecipient will operate and carry out the following activities:

- A. Oversight and management of all program activities, including outreach, planning, negotiating, preparing and administering all related contracts and agreements, disbursement of funds, accounting, reporting and compliance monitoring with subcontractor agencies.
- B. Provide ongoing technical assistance on program issues, facilitate collaborative needs identification, solve problems, train staff and develop resources to benefit EOI program participants.
- C. Subrecipient will subcontract directly for Microenterprise Development services. Typical services provided to business owners include: business

service plan development and technical assistance and training in various areas including, but not limited to: licensing, financing and taxes, business plans, financial literacy, legal assistance, marketing, product development, production and management strategies.

- D. Subrecipient will subcontract Adult Workforce Development, Community Workforce Navigator and Youth Workforce Development services primarily through Worksystems, Inc., the region’s local public workforce investment coordinator. Typical services will include: Adult Workforce Development and Community Workforce Navigator: Individual career plan development, work readiness training, job-specific training, work experience placement and support, job search assistance and placement, retention and advancement supports after job placement.
- E. Youth Workforce Development: Individual career plan development, career exploration, work and college readiness training, work experience placement and support, post-secondary placement, navigation and support, job search assistance and placement, retention and advancement supports after job or post-secondary placement.
- F. Subrecipient agrees to leverage other funding sources to complement the CDBG provided in this agreement in the following ways:
  - a. Use City General Funds for all administrative costs, utilizing CDBG for program costs only.
  - b. Use only certified Community Based Development Organizations (CBDOs) to provide Adult and Youth Workforce services, including Navigator services.

Anticipated subcontractors are listed in Attachment A.

#### **IV. PERFORMANCE MEASURES**

- A. The Subrecipient will track and report on the achievement of the following aspirational levels of service (outputs) during the period of this Contract:
  - 1. 200 individuals will receive microenterprise services
  - 2. 781 individuals will receive adult workforce services
  - 3. 600 individuals will receive community workforce navigator services
  - 4. 390 individuals will receive youth workforce services
  - 5. 50% individuals served will be persons of color
- B. The Subrecipient will track and report on the achievement of the following annual accomplishments (outcomes) for the period of this Contract:
  - 1. Number of adult workforce participants placed in employment at exit.

2. Number of youth workforce participants placed in employment or post-secondary education at exit.
  3. Regarding outcomes for microenterprise services: the Prosper Portland Entrepreneurship Team is currently in the middle of a competitive solicitation for these services. The outcomes model used for the last five years is being shifted and won't be complete until after final awards are made. Prosper Portland and PHB EOI contract managers will finalize outcomes for FY 2022-23 in Fall 2022.
- C. The above measures may be refined by the mutual consent of the PHB and Prosper Portland EOI Contract Managers in FY 2022-23. Such consent shall be documented in writing and will not require a contract amendment.

## V. REPORTING AND MONITORING

- A. All project setups and drawdowns will be processed by PHB through the HUD IDIS systems. For annual CBDG contracts, Subrecipient will complete the project set-up form (Attachment C-1) and send it to PHB as soon as the contract is finalized. For amendments, the setup form must be completed and sent to PHB when the amendment is first drafted to allow time for a Consolidated Plan Amendment, if applicable. PHB will return setups if there are problems to be corrected and will provide Subrecipient written verification of setup entries.
- B. Subrecipient will submit project close-outs for each EOI subcontractor using Attachment C-2. These forms will also be used to report mid-year data at the end of Quarter 2. Extensions to reporting deadlines may be granted with approval from the City Contract Manager.
- C. Invoices may be submitted monthly or quarterly (within 30 days of the end of the reporting period). Subrecipient will use the attached invoice form (Attachment D). May invoices are due **June 15, 2023**. The year-end invoice will be submitted by **12:00 Noon, July 6, 2023**. Late program and financial reports submitted to the City may result in delayed payment to the Subrecipient for services rendered.
- D. Subrecipient shall submit outcome data as reasonably requested by PHB.
- E. On an as-needed basis, PHB may provide Subrecipient with monthly reports of all IDIS balances so that Subrecipient can reconcile the IDIS reports to project balances in Subrecipient's financial systems. If discrepancies are found, Subrecipient and PHB will work to determine the source of the discrepancy and the required corrective action.
- F. Subrecipient will monitor its contracted subcontractors to ensure compliance with CDBG fund regulations, including, but not limited to, the following components:
- Desk monitoring
  - Assessment of cost reasonableness

- Risk assessment
- Contract file completeness
- Performance of on-site monitoring visit(s) to at least ten percent of contracted subrecipients receiving CDBG funds within the contract year.

G. PHB will provide Subrecipient with document templates and/or technical assistance in order to implement monitoring activities in compliance with CDBG regulations.

## **VI. COMPENSATION AND METHOD OF PAYMENT**

PHB shall provide the following funding to Subrecipient for performance of the work described in the Scope of Services above:

- A. PHB will provide Subrecipient with CDBG funding for FY 2022-23 as described, and in the amounts specified, in this Agreement. Payment for the final month in any given quarter will be held unless and until the quarterly reports have been accepted for the prior quarter.
- B. PHB shall pay all compensation to Subrecipient under this Agreement on an expense reimbursement basis for CDBG expenses identified in the Budget on Attachment A of this Appendix to the IGA, and reasonably incurred by Subrecipient in performing the work described in the Scope of Services. Requests for expense reimbursement shall be submitted and processed as described in Section C below.
- C. Subrecipient shall submit requests for expense reimbursement in the form of Attachment C attached hereto, to PHB on a regular basis for expenses accrued in the invoice period. If for some reason payment cannot be made due to errors or omissions, then PHB will request from Subrecipient a corrected billing within the 30-day period. The request for corrected billing shall detail all deficiencies in the billing which have caused payment to be withheld.

## **VII. SURVIVAL OF CERTAIN PROVISIONS**

Part C Section VI(C) (with respect to billings for work performed prior to termination of this IGA) and Part B Sections (G), (H), and (I) shall survive termination of this IGA in accordance with their terms. The obligations and duties of this IGA related to the receipt and use of federal funds, or program income derived therefore, shall remain binding on Subrecipient during any period that Subrecipient has control of such funds received or generated under this IGA.

**Community Opportunities and Enhancements Program Background**

**Prosper Portland Board Resolution**

On November 13, 2019 the Prosper Portland Board of Commissioners authorized an Intergovernmental Agreement (IGA) with the City of Portland (City) Office of Management (OMF) and Office of Equity and Human Rights (OEHR) for the purpose of implementing the Community Opportunities and Enhancements Program (COEP) and including authorization for Prosper Portland to accept approximately \$300,000 from the Portland Housing Bureau (PHB) to support the business assistance and workforce assistance goals of COEP. On January 29, 2020, City Council approved the IGA between OMF, OEHR and Prosper Portland for Phase 1 implementation of the COEP, which IGA became effective February 29, 2020 (the “COEP IGA”). Article 2, Section IV of the COEP IGA expressly authorizes Prosper Portland to accept resources for activities funded by the COEP set-aside (or for programs that are complementary to these activities) from non-infrastructure bureaus such as PHB, so long as Prosper Portland copies OMF on any applicable reporting for such activities.

**COEP Goals**

The COEP is one of the City of Portland’s strategies to increase diversity and equity in construction contracting. Overall, the goals of the COEP are to increase the number of people of color and women in the trades and to remove barriers for construction firms owned by people of color and women so that they can successfully participate in public contracting. Through a series of grants, the COEP will fund workforce development and business technical assistance to accomplish its goals. In addition, COEP will leverage services through existing programs, including the Inclusive Business Resource Network and Worksystems Inc’s youth and adult workforce development programs.

**PHB Equity Contracting and Workforce Training Goals**

In September, 2019, PHB awarded funding to 9 projects under the Bond Opportunity Solicitation (BOS) with equity contracting goals of 30% DMWESB-SDV for construction contracts (hard costs) and 20% DMWESB-SDV for professional services (soft costs), and a workforce

development goal of 20% apprenticeship for contracts of \$300,000 or more. The BOS required development teams to use a City funded 3<sup>rd</sup> party consultant to assist with implementation of equity hiring and workforce training plans. In 2020, 2021, and 2022, PHB funded additional projects with the same equity contracting goals. The current Bond projects, as listed in Attachment A, are the focal point for PHB business technical assistance resources administered by Prosper Portland in conjunction with its administration of the COEP.

**Part B. COEP Scope of Services to PHB**

Through the COEP, subcontractors on all PHB-funded projects will have access to COEP service providers who can assess their needs, create a plan of assistance, and connect them to the appropriate resources and services. Subcontractors will have access to the full array of support services under the COEP. PHB’s investment may also support pipeline development of COBID firms when capacity allows.

**COMPENSATION:** PHB shall pay Prosper Portland for provision of services, upon receipt of invoice documenting expenditures. The total budget pursuant to the Prior 2020-2021 Prosper -- PHB IGA (pursuant to which funds were committed) is an amount not to exceed THREE HUNDRED THOUSAND DOLLARS (\$300,000) over a three-year period. PHB has already made certain payments pursuant to the Prior IGA and its funding commitment for COEP services in this Agreement only extends to the remaining balance of the funds committed in the Prior IGA.
