15:47:04 From Ross Day To Everyone:

I would like to speak

15:54:20 From Pam Feigenbutz (She/Her) To Ross Day(Privately):

Hi Ross, after in-person testimony concludes, we will move to zoom testimony, thank you.

16:24:17 From michael To Everyone:

How many Good Neighbor agreements are there in force for the 7 city SRV's?

16:28:32 From Ross Day To Everyone:

I find it objectionable that government speakers get as much time as they want but citizens are limited 3 minutes. This is Portland government at its worst.

16:29:20 From Ross Day To Everyone:

Oh, a phone number, that will help when I am getting assaulted.

16:34:29 From Ross Day To Everyone:

They did not meet with DEQ!

16:34:33 From Ross Day To Everyone:

That is a lie!

16:37:34 From Ross Day To Everyone:

"We hope....."

16:37:56 From Ross Day To Everyone:

Bobby did not answer the question

16:40:38 From michael To Everyone:

Mr. Lee - please answer one question? Instead of deflecting - answer the questions.

16:41:24 From michael To Everyone:

Updates don't work - there have to be provisions of the permit requiring action.

16:41:30 From Ross Day To Everyone:

Ms. Feigenbutz - these comments are part of the public record. Please make certain they are included in the record

16:42:29 From Pam Feigenbutz (She/Her) To Ross Day(Privately):

Will do, thank you.

16:43:26 From michael To Everyone:

It's a complicated issue - and the Board is spending 1 hour talking about it. Complicated issues need time and consultation - Prosper Portland is not providing that process. Rushing this through without proper review.

16:45:35 From Ross Day To Pam Feigenbutz (She/Her)(Privately):

Again, I object to the city getting as much time as it wants to testify while restricting citizens to 3 minutes.

16:46:17 From michael To Everyone:

Ms. Feigenbutz - please let us know how the agenda was changed and when it was changed?
Weidler and Nw Naito we're never together on the agenda posted on Friday. Thank you for your help.

16:47:26 From Ross Day To Everyone:

The use of the property for a shelter is not allowed by the River District Urban Renewal Plan.

16:48:43 From michael To Everyone:

How many SRV's have operational GNA's?

16:49:25 From Ross Day To Everyone:

Again, this Bobby guy did not answer the question.

16:54:54 From Pam Feigenbutz (She/Her) To michael(Privately):

Hi Michael, I don't know the answer but will ask either Kay or Justin, our Board Manager to respond tomorrow.

17:08:41 From Ross Day To Everyone:

Michael we need a copy of the signed resolution so we can appeal

17:09:59 From Ross Day To Everyone:

Government at its worst
